(57) **CLAIM**

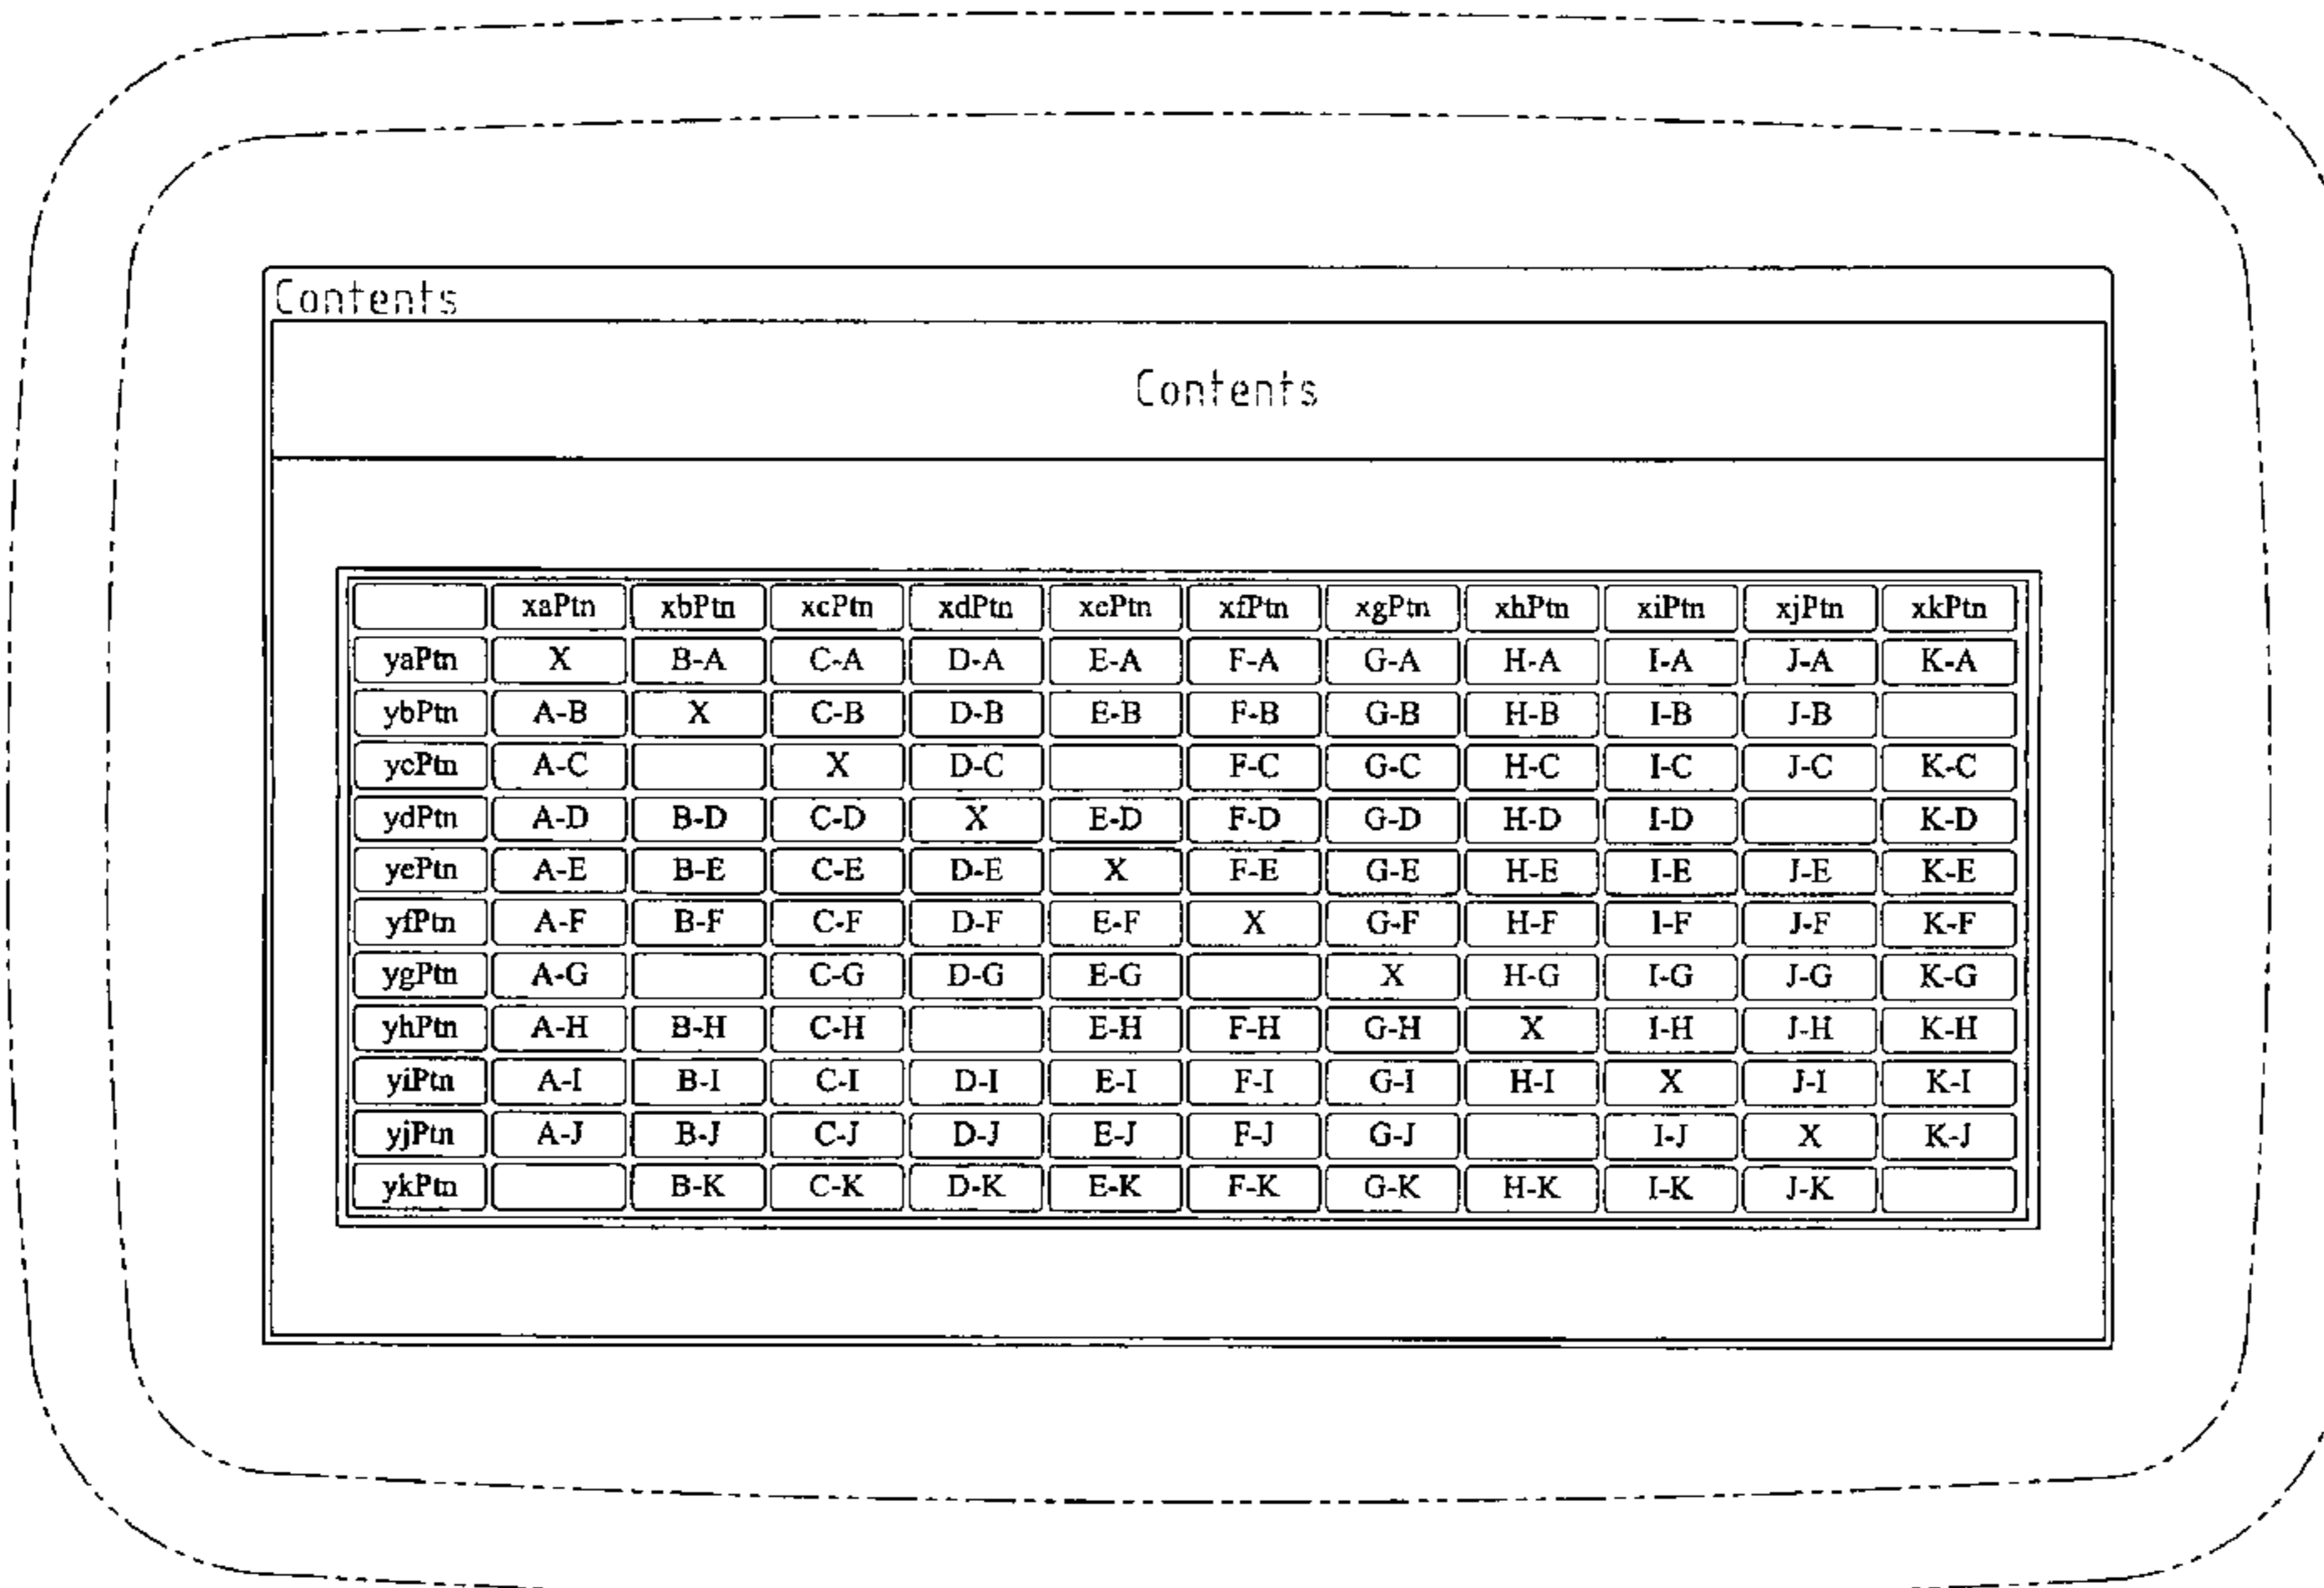

The ornamental design for a graphic user interface for a display panel, as shown and described.

DESCRIPTION

The FIGURE is a front view of a graphic user interface for a display panel showing our new design.

The broken line showing of portions of the drawing, including the word “Contents” shown in broken line in two locations, forms no part of the claimed design. The broken line showing of a display panel is included for the purpose of illustrating environmental structure and forms no part of the claimed design.

1 Claim, 1 Drawing Sheet
