(57) **CLAIM**

The ornamental design for a projector screen with an image, as shown and described.

DESCRIPTION

FIG. 1 is a first embodiment of a projection screen with an image projected by a projector;

FIG. 2 is a second embodiment of a projection screen with an image projected by a projector;

FIG. 3 is a third embodiment of a projection screen with an image projected by a projector;

FIG. 4 is a fourth embodiment of a projection screen with an image projected by a projector;

FIG. 5 is a fifth embodiment of a projection screen with an image projected by a projector;

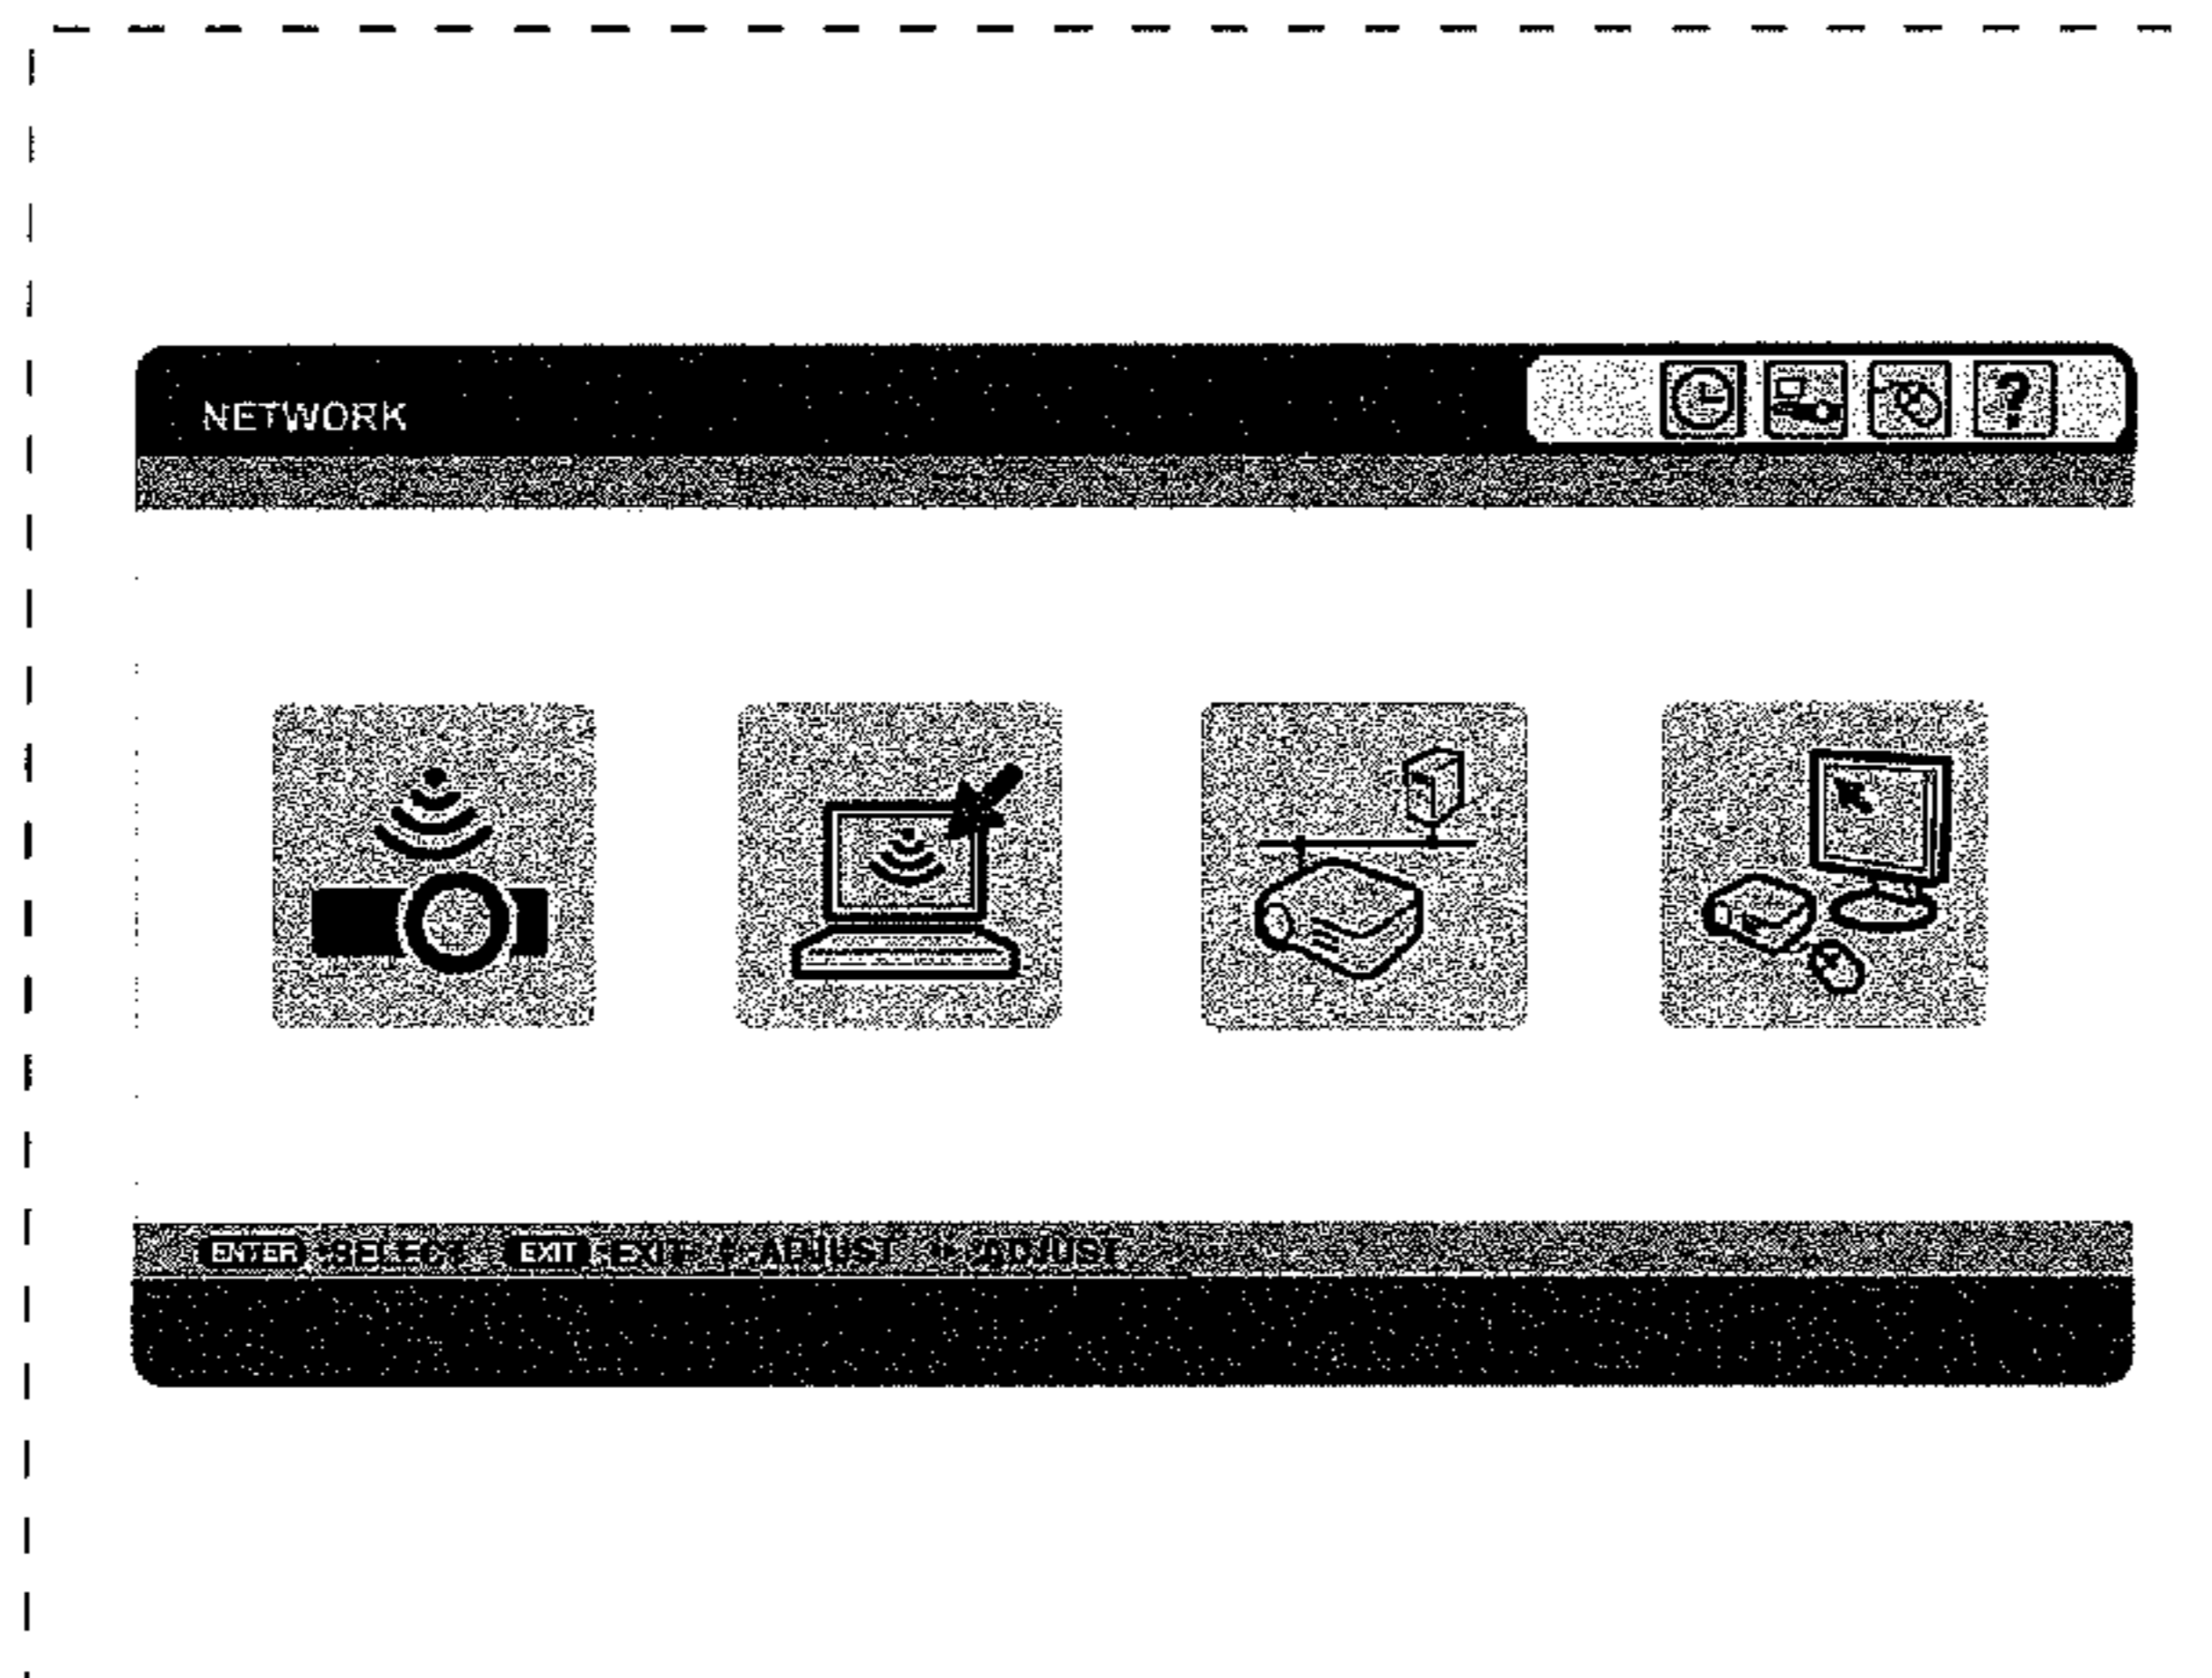

FIG. 6 is a sixth embodiment of a projection screen with an image projected by a projector;

FIG. 7 is a seventh embodiment of a projection screen with an image projected by a projector; and,

FIG. 8 is an eighth embodiment of a projection screen with an image projected by a projector.

The broken line drawings of the projection screens in all views are for illustrative purposes only and form no part of the claimed design.
