(57) **CLAIM**

We claim the ornamental design for a handle for juice and
milk cartons, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a handle for juice and milk
cartons showing a first variation of our new design;

FIG. 2 is a front elevational view of the first variation;

FIG. 3 is a left side elevational view of the first variation, the
right side elevational view being a mirror image thereof;

FIG. 4 is a top elevational view of the first variation;

FIG. 5 is a rear elevational view of the first variation;

FIG. 6 is a bottom elevational view of the first variation;

FIG. 7 is a perspective view of the first variation showing the
handle for juice and milk cartons in use; the broken lines
depict environmental structure for illustrative purposes only
and form no part of the claimed design;

FIG. 8 is a perspective view of a handle for juice and milk
cartons showing a second variation of our new design;

FIG. 9 is a front elevational view of the second variation;

FIG. 10 is a left side elevational view of the second variation,
the right side elevational view being a mirror image thereof;

FIG. 11 is a top elevational view of the second variation;

FIG. 12 is a rear elevational view of the second variation;

FIG. 13 is a bottom elevational view of the second variation;

FIG. 14 is a perspective view of the second variation showing
the handle for juice and milk cartons in use; the broken lines
depict environmental structure for illustrative purposes only
and form no part of the claimed design;

FIG. 15 is a perspective view of a handle for juice and milk
cartons showing a third variation of our new design;

FIG. 16 is a front elevational view of the third variation;

FIG. 17 is a left side elevational view of the third variation, the
right side elevational view being a mirror image thereof;

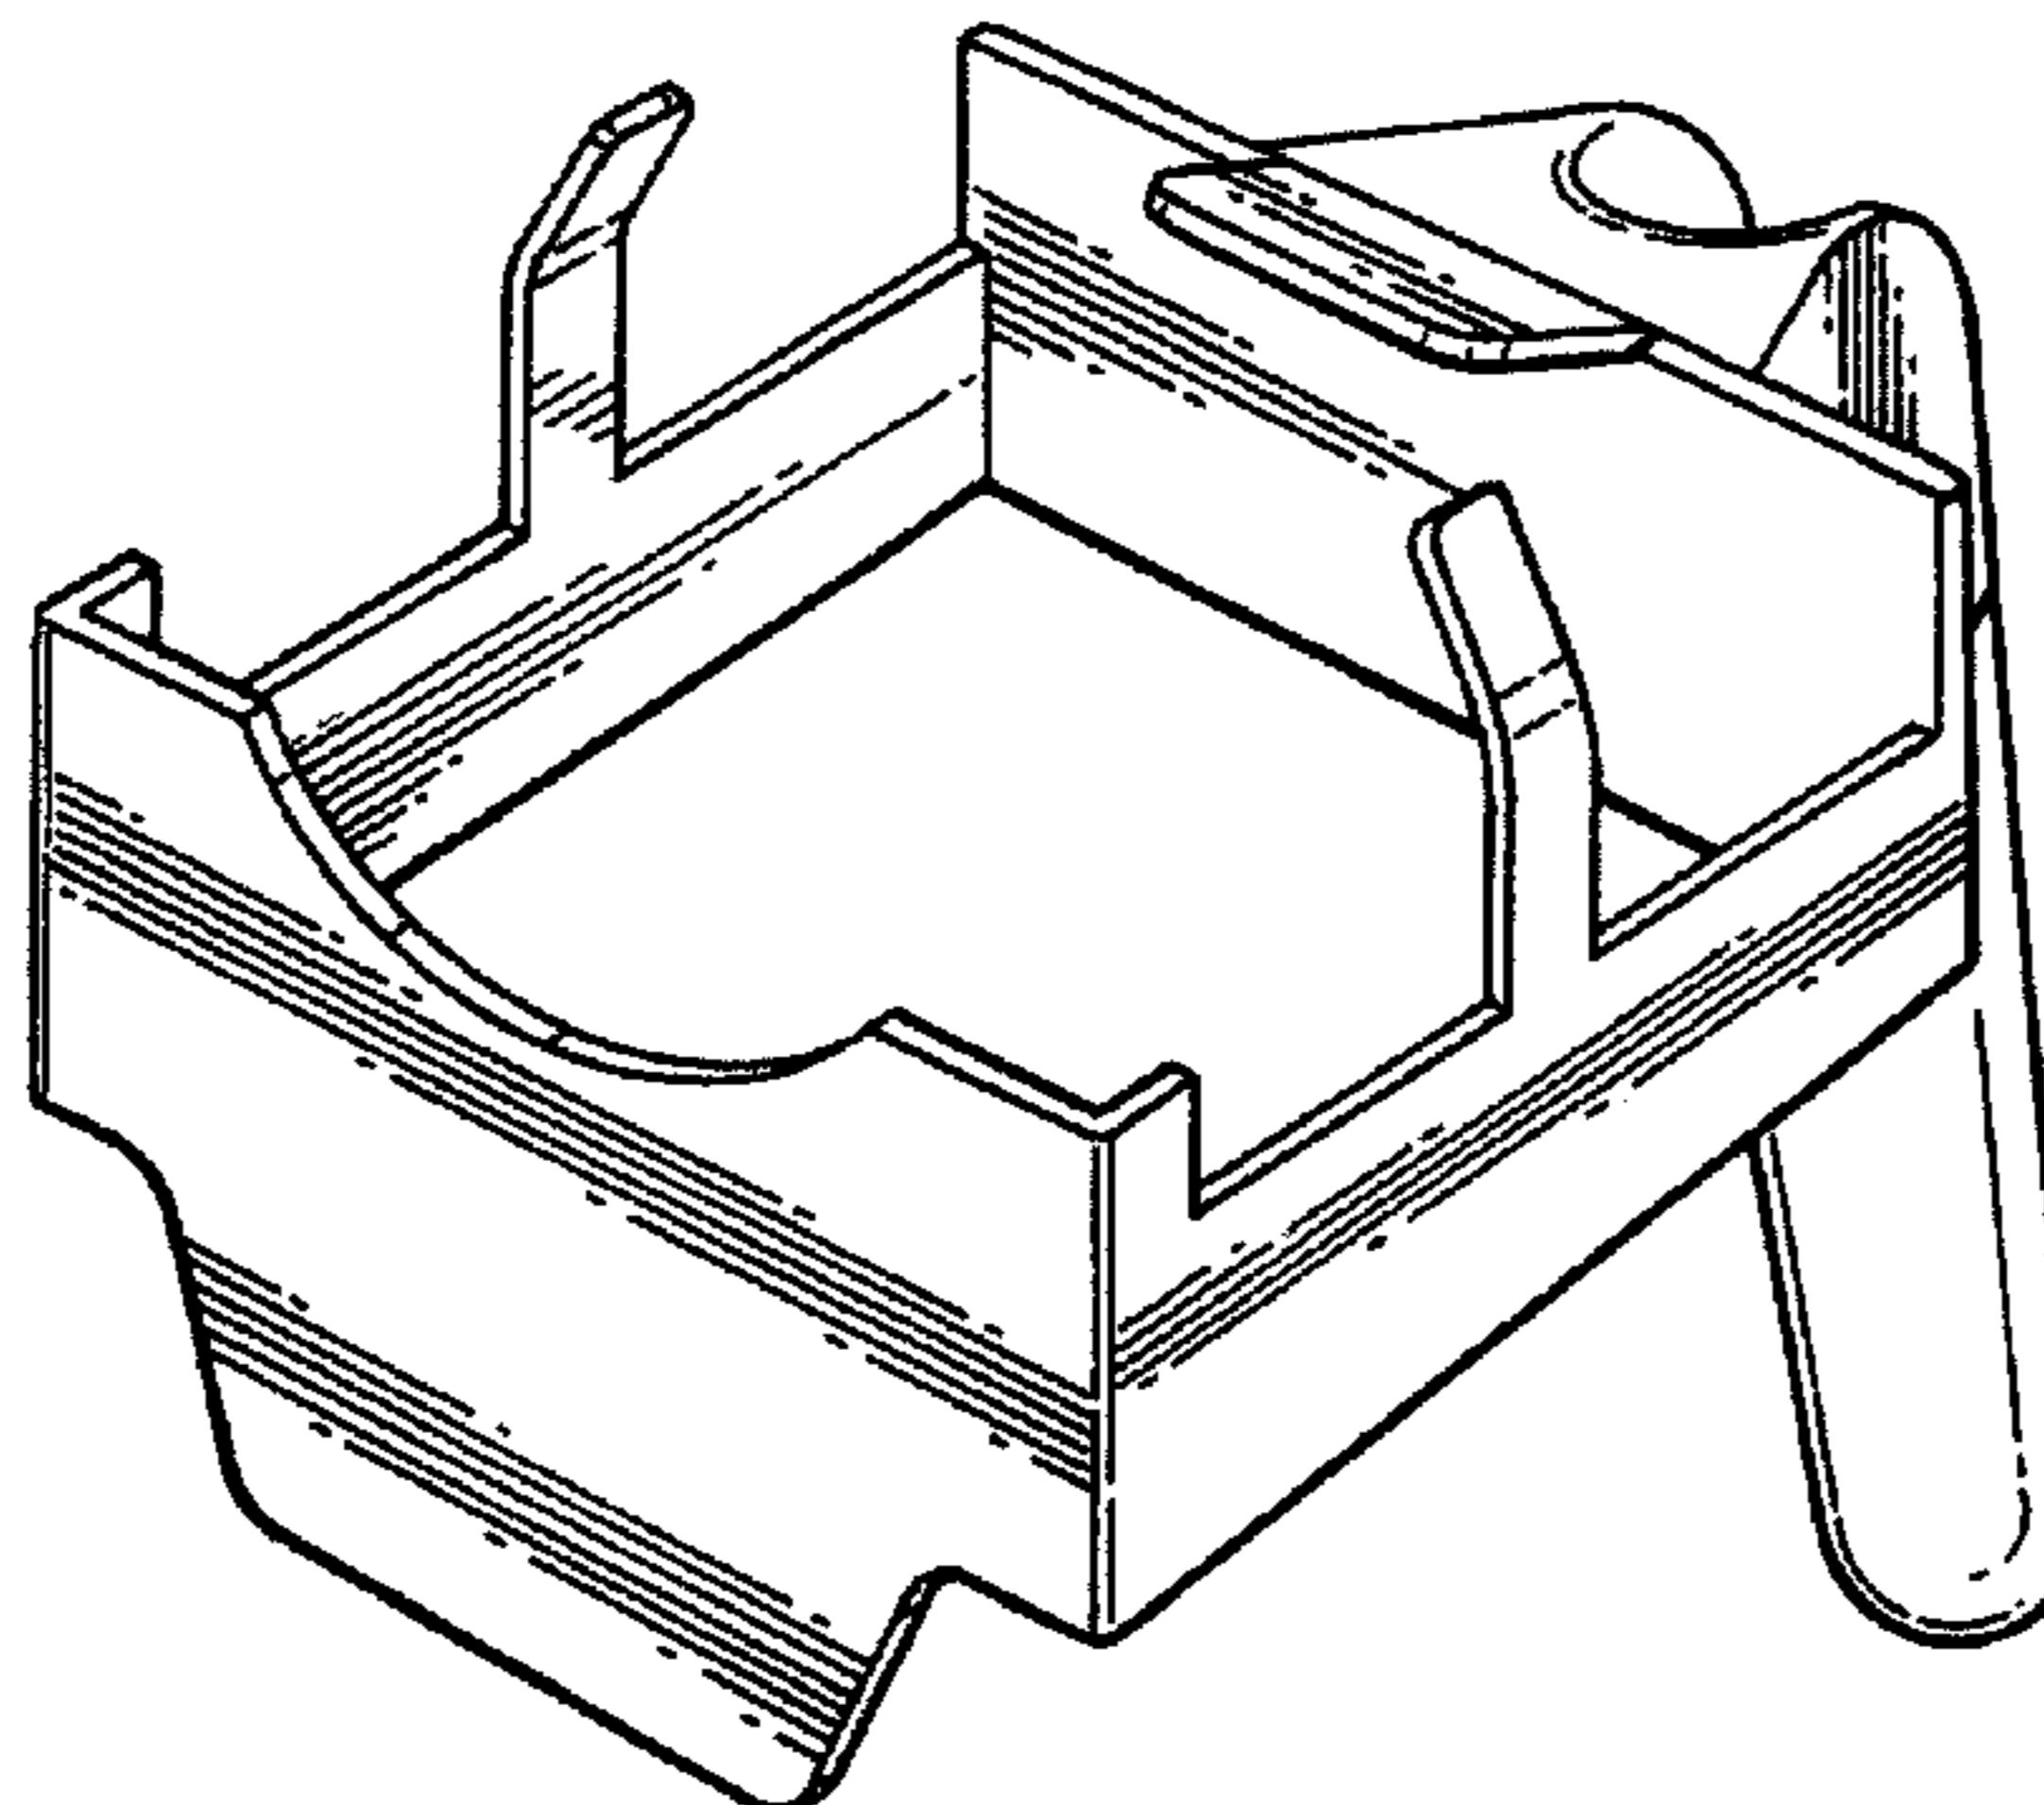

FIG. 18 is a top elevational view of the third variation;

FIG. 19 is a rear elevational view of the third variation;

FIG. 20 is a bottom elevational view of the third variation;
and,

FIG. 21 is a perspective view of the third variation showing
the handle for juice and milk cartons in use; the broken lines
depict environmental structure for illustrative purposes only
and form no part of the claimed design.
