(57) **CLAIM**

The ornamental design for a power head with contour for cutting attachment, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the power head with contour for cutting attachment;

FIG. 2 is a right side view thereof;

FIG. 3 is a left side view thereof;

FIG. 4 is a rear view thereof;

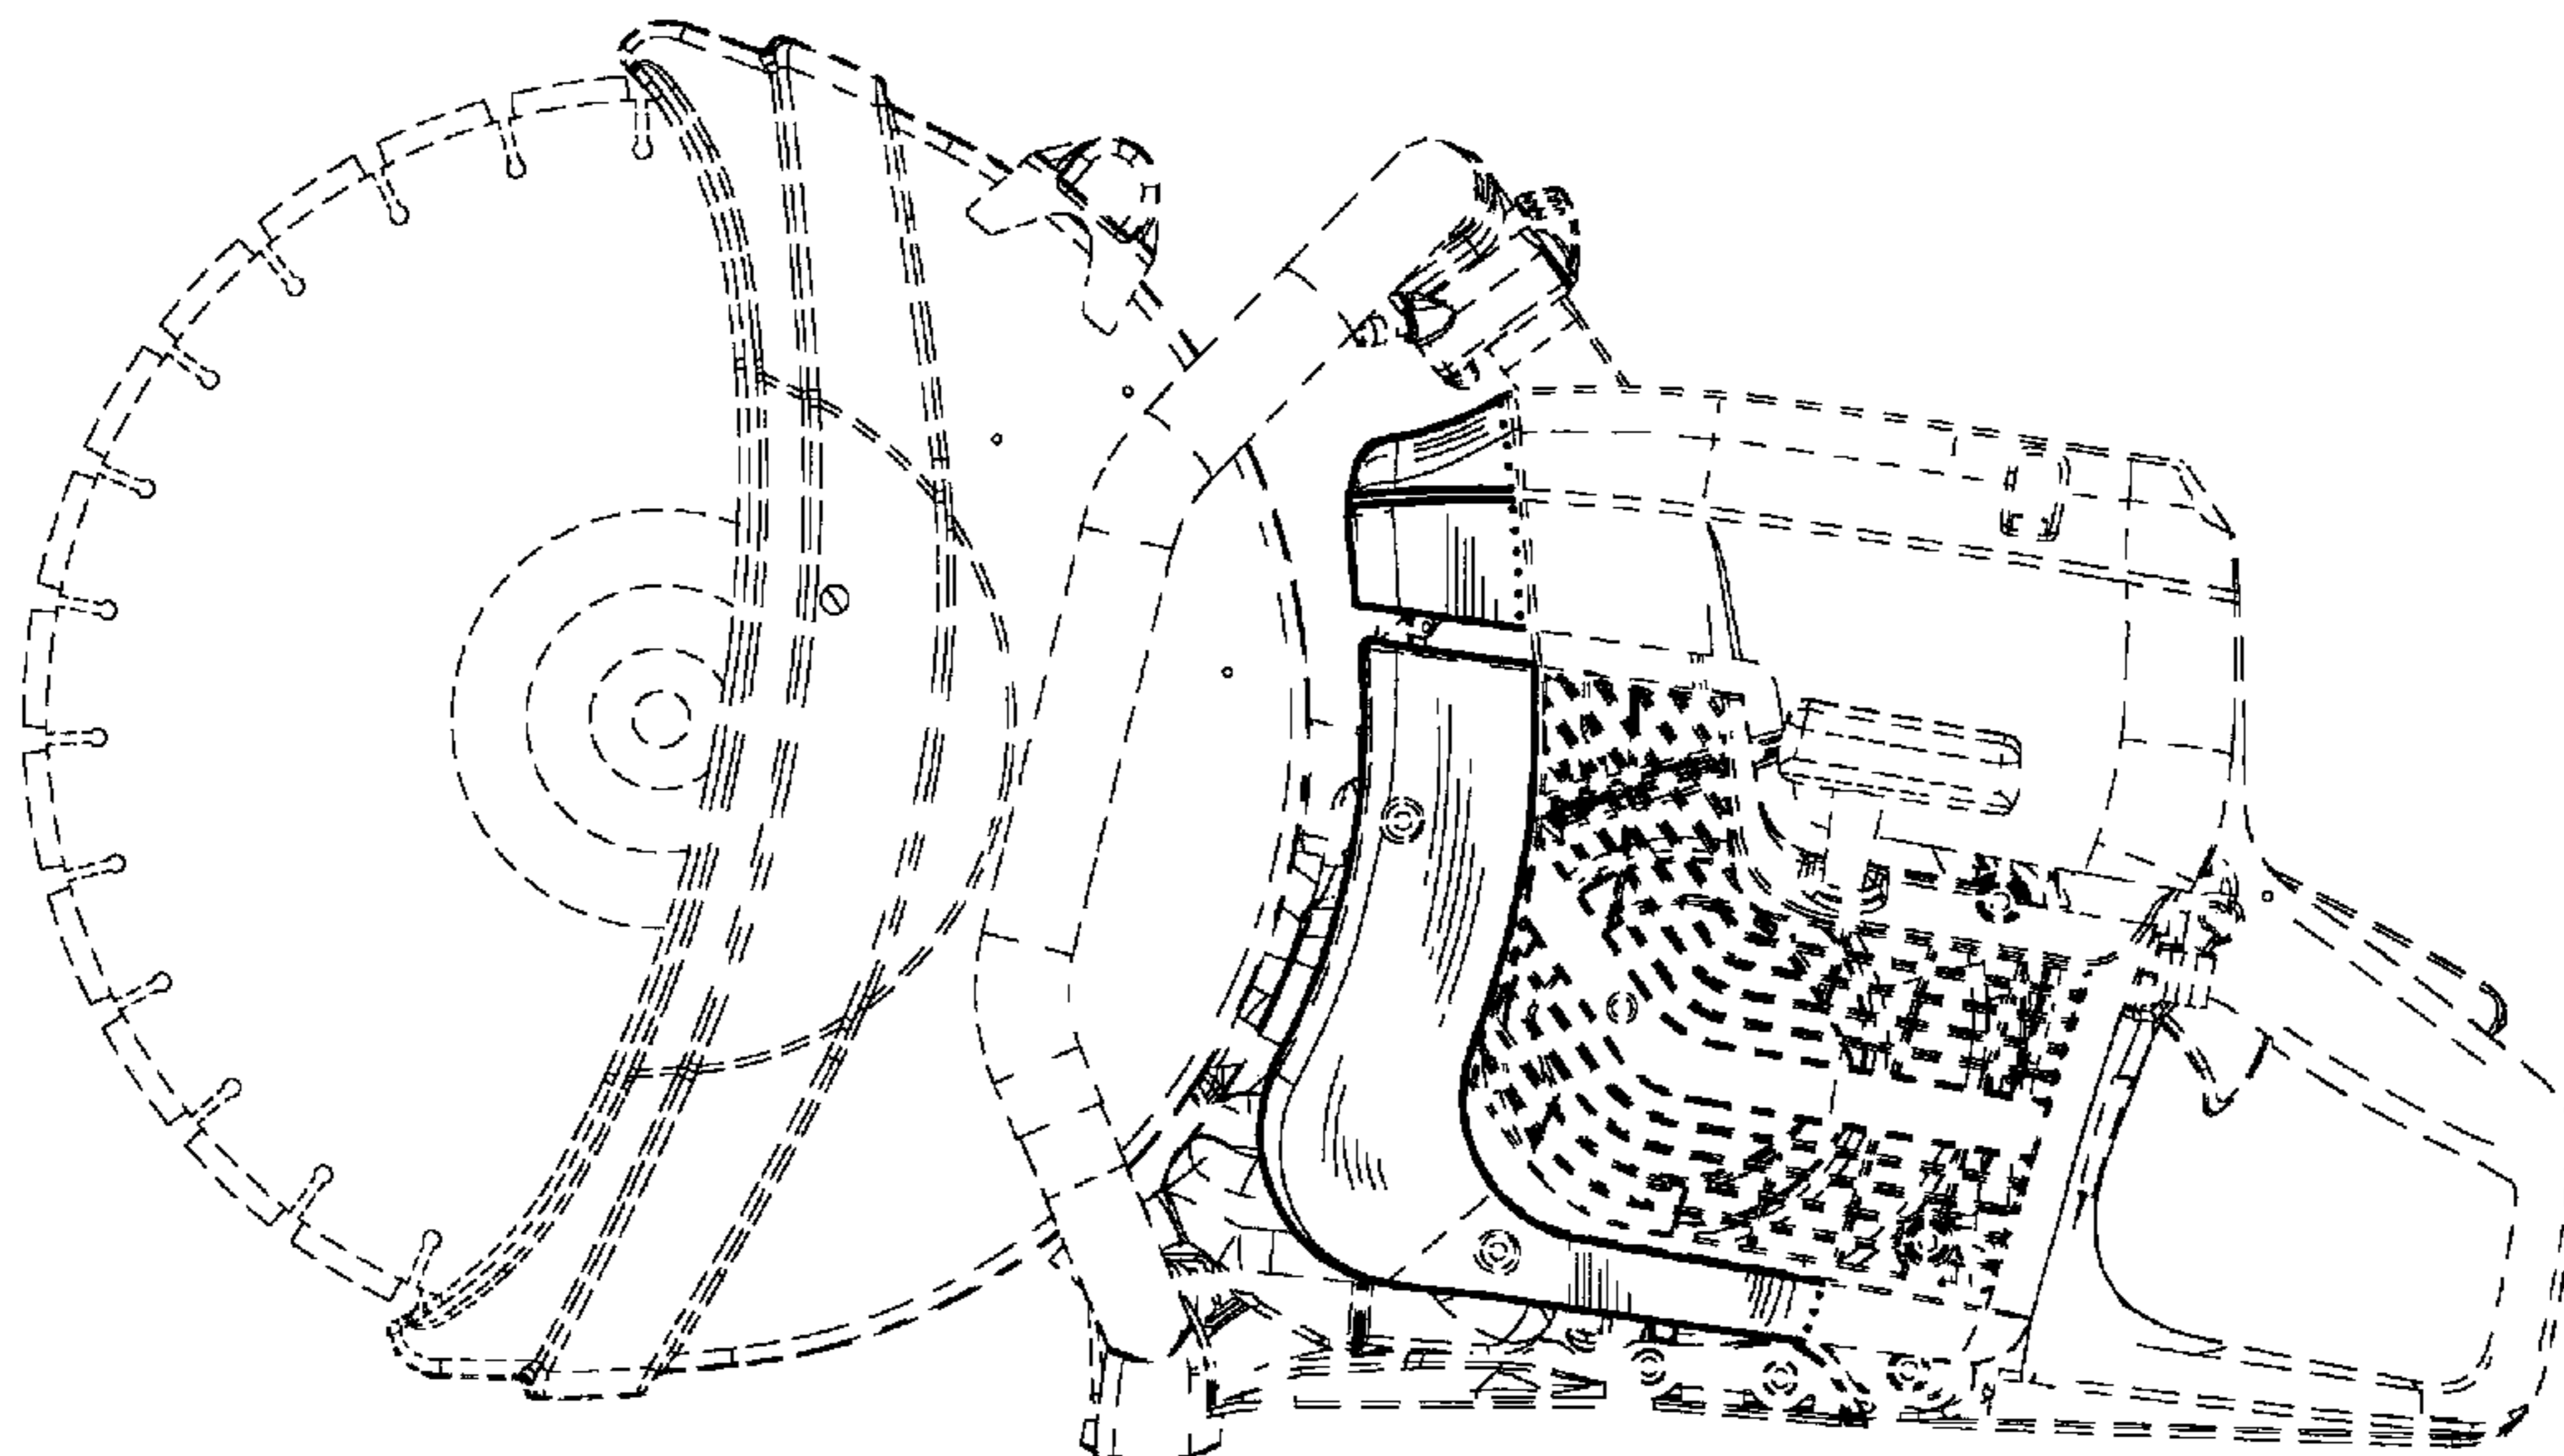

FIG. 5 is a front view thereof;

FIG. 6 is a bottom view thereof; and,

FIG. 7 is a top view thereof.

It is to be noted that the power head may be part of a power cutter that has additional components, which are shown in phantom and do not form part of the design. It is to be further noted that certain portions of the power head are shown in phantom and do not form part of the design.
