(57) **CLAIM**

The ornamental design for set of truck bed utility bars, as shown and described.

**DESCRIPTION**

FIG. 1 is a left side elevation view of the set of truck bed utility bars of the present invention, showing my new design, the right side thereof being a mirror image.

FIG. 2 is a front elevation view of the set of truck bed utility bars of the present invention.

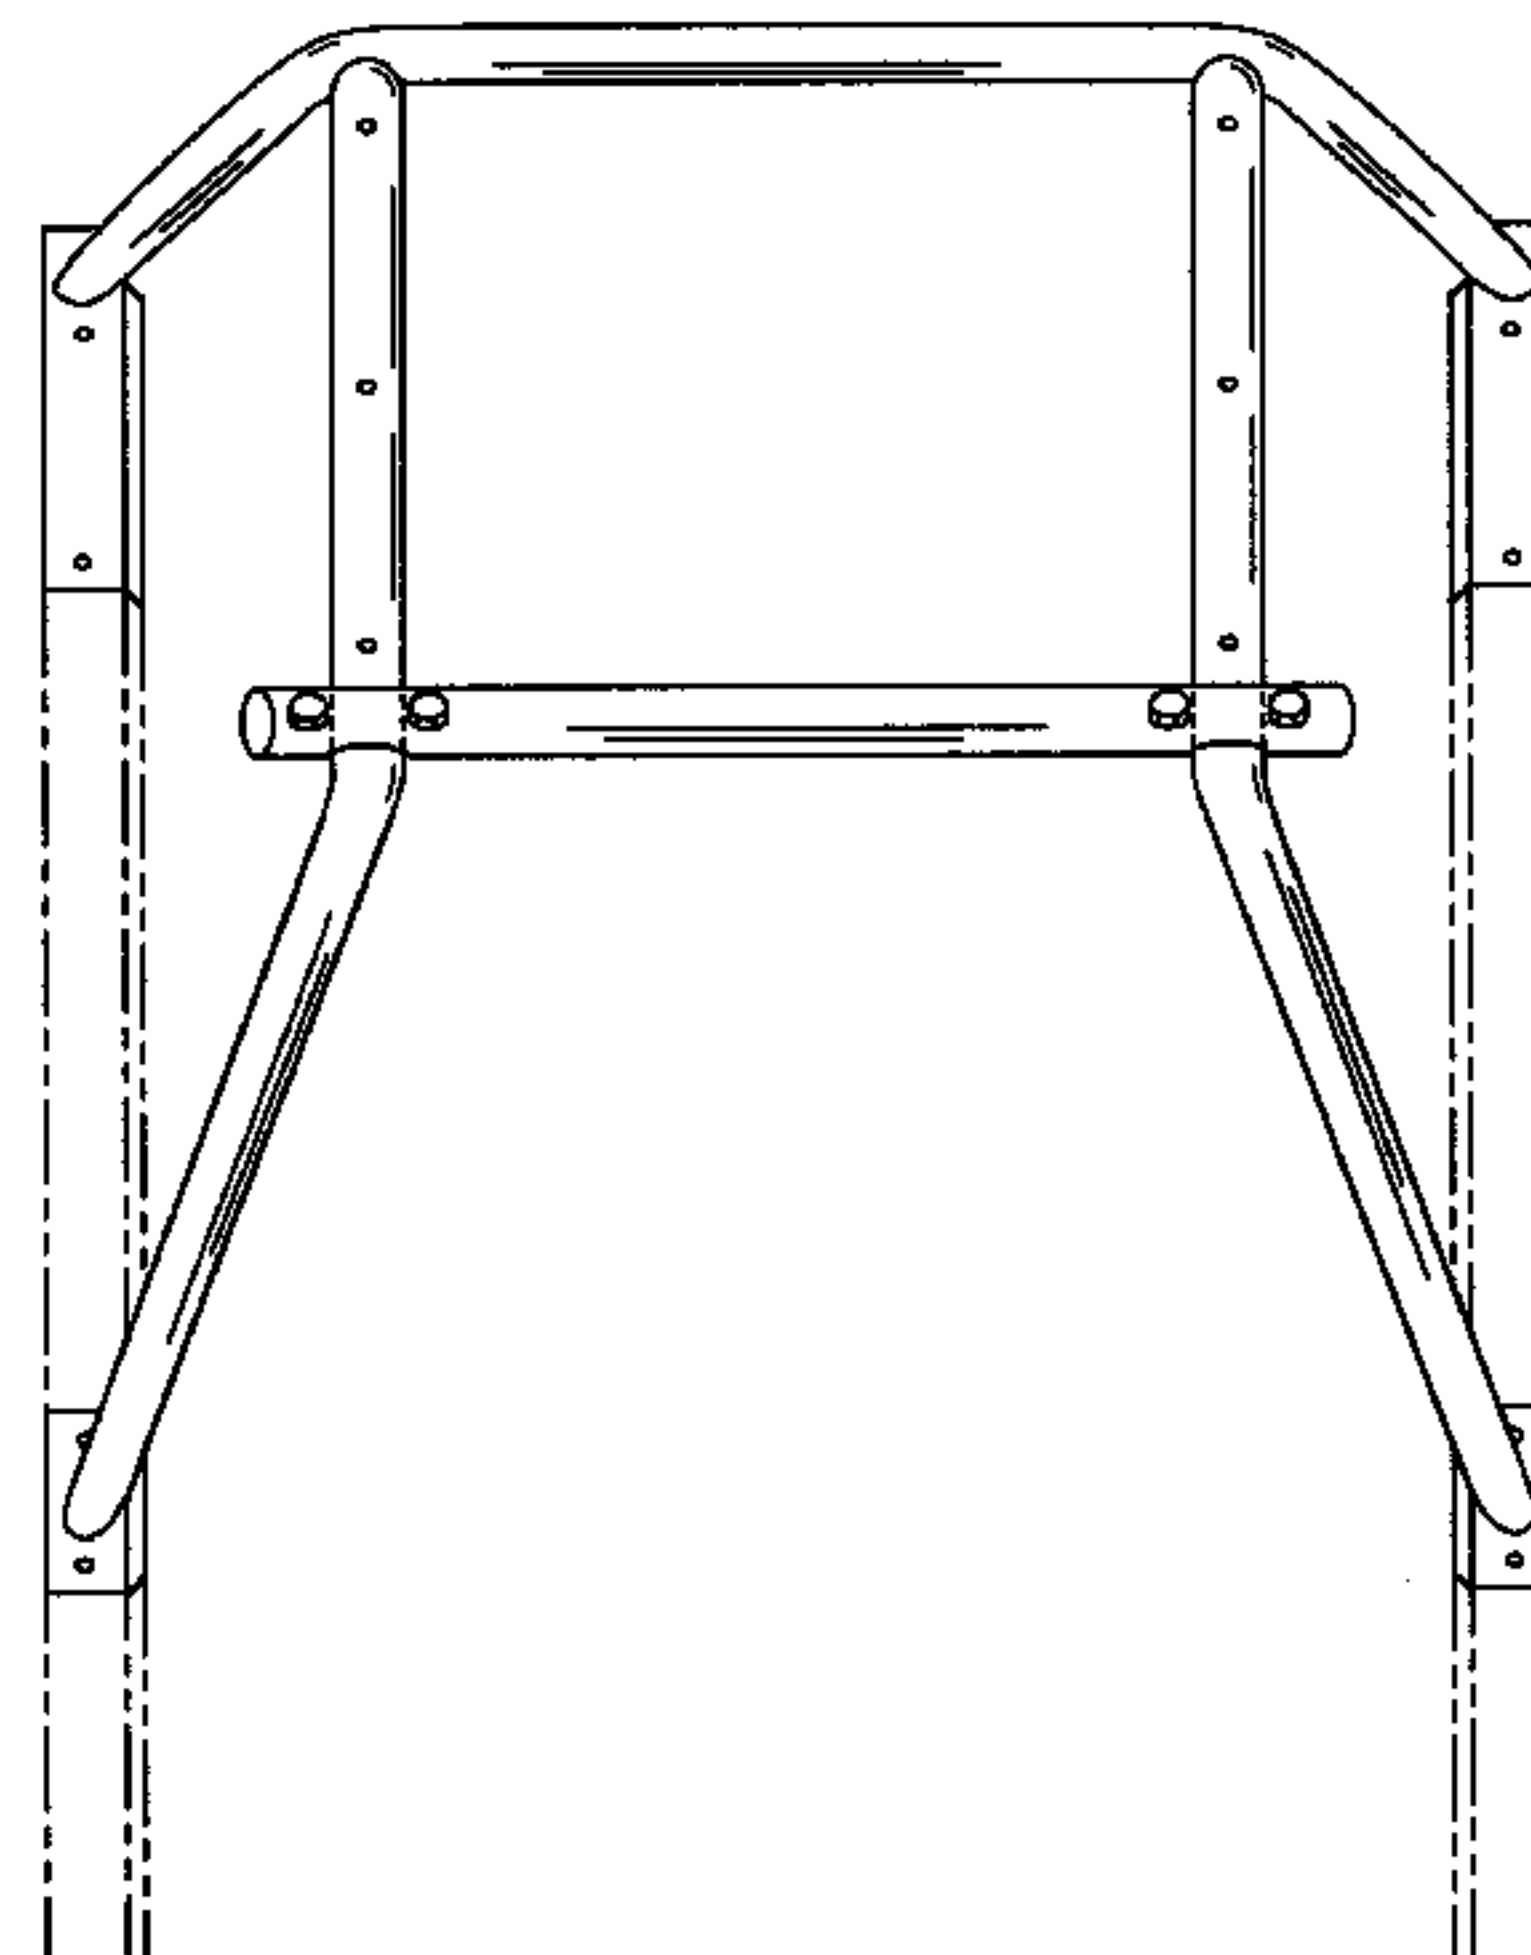

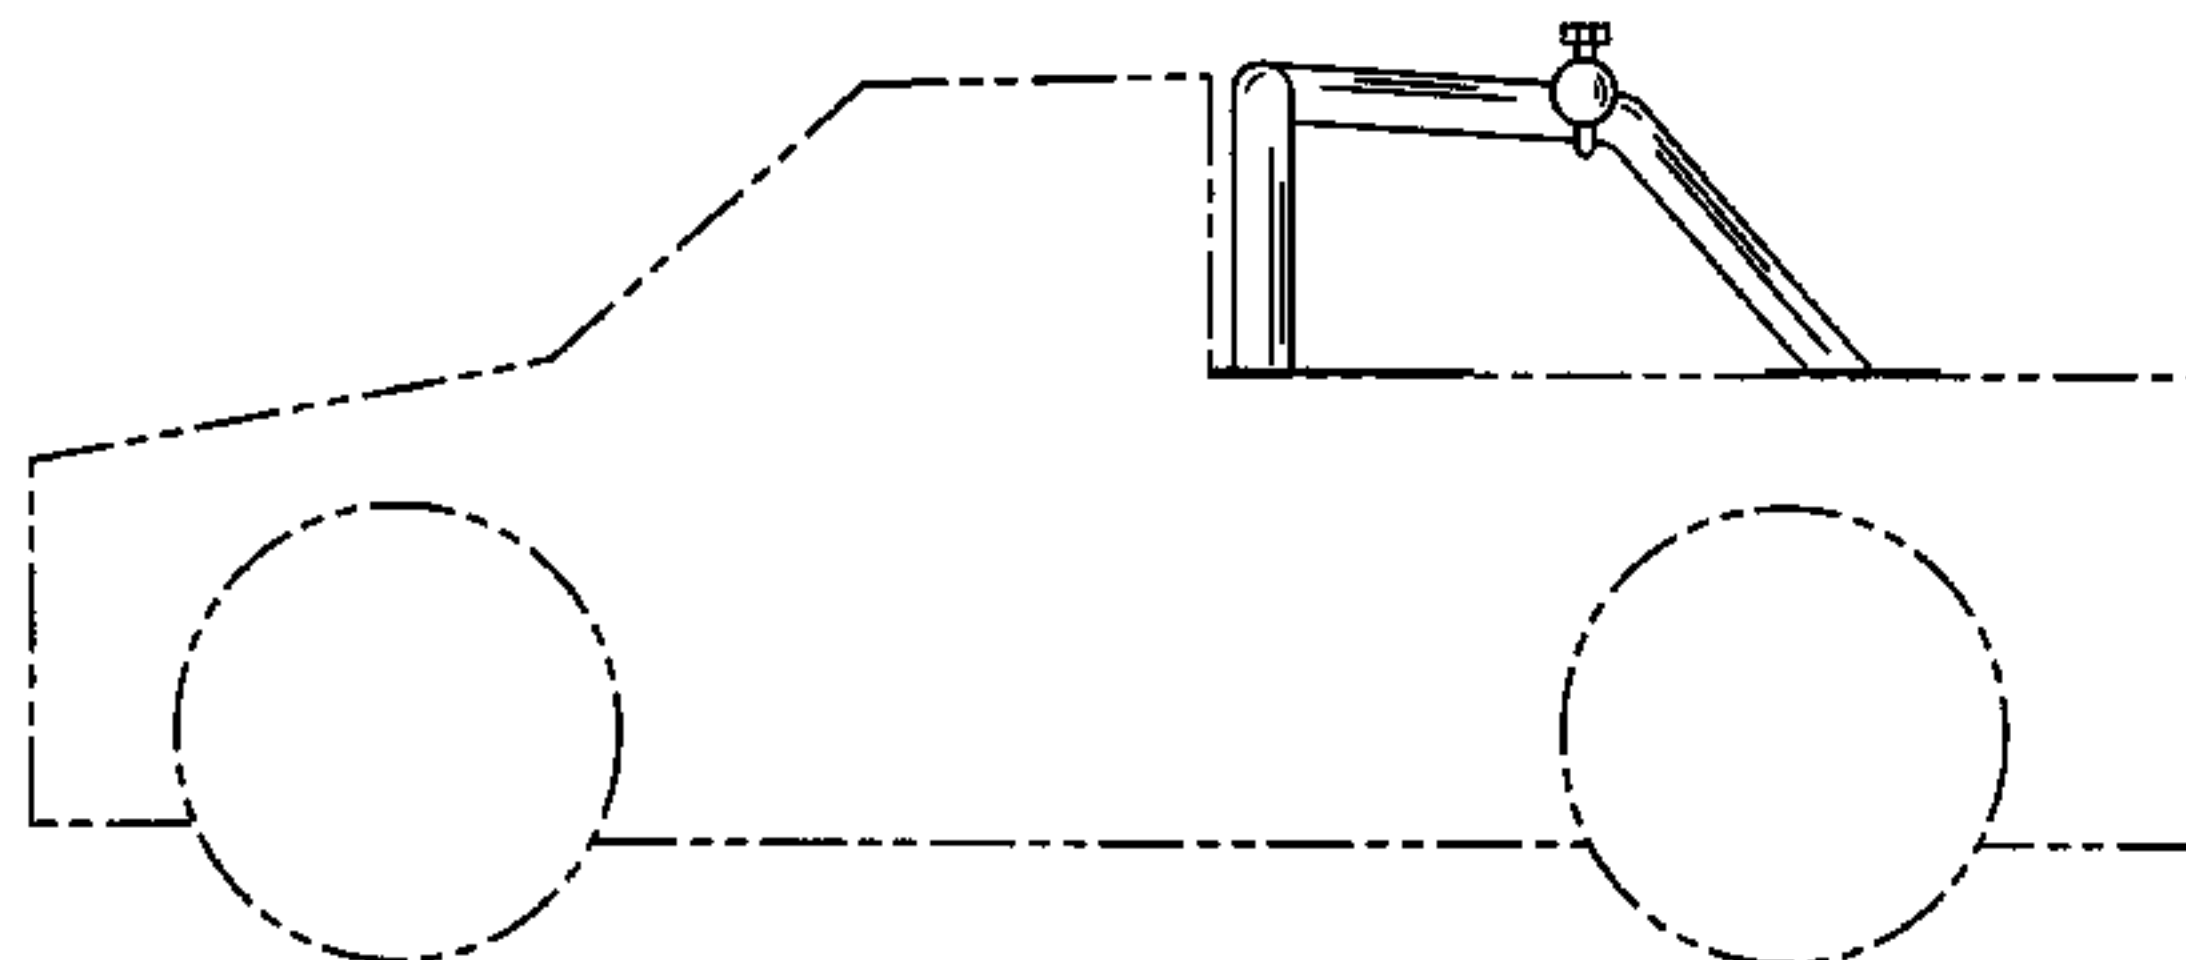

FIG. 3 is a rear elevation view of the set of truck bed utility bars of the present invention.

FIG. 4 is a top perspective view of the set of truck bed utility bars of the present invention, with a removable transverse cross-member shown in a functional position; and,

FIG. 5 is a top perspective view of the set of truck bed utility bars of the present invention, with a removable transverse cross-member shown in a storage position.

In the drawings, the broken lines depict environmental subject matter only and form no part of the claimed design.
