See application file for complete search history.

DESCRIPTION

FIG. 1 is a perspective view of a vehicle grab rail showing our new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a side elevational view of one side, the opposite side elevational view being a mirror image thereof; and,

FIG. 4 is a perspective view thereof shown on an exemplary portion of an all terrain vehicle.

The broken line showing of the remainder of the all terrain vehicle in FIG. 4 forms no part of the claimed design.
