(57) **CLAIM**

We claim the ornamental design for a device with stabilization structure, as shown and described.

DESCRIPTION

FIG. 1 is a front, right, top isometric view of the device with stabilization structure;

FIG. 2 is a rear, left, top isometric view thereof;

FIG. 3 left side view thereof;

FIG. 4 is a top, front isometric view thereof;

FIG. 5 is a top, rear isometric view thereof; and,

FIG. 6 is a bottom, front isometric view thereof.

The broken lines in the drawings are for illustrative purposes only and form no part of the claimed design. The right side view of the device with stabilization structure is a mirror image of FIG. 3
