(57) **CLAIM**

The ornamental design for an engine intake manifold, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a first side of the engine intake manifold;

FIG. 2 is a rear perspective view of the same side as that shown in FIG. 1 of the engine intake manifold;

FIG. 3 is a top plan view of the engine intake manifold;

FIG. 4 is an elevational view of the right side of the engine intake manifold shown in FIG. 3;

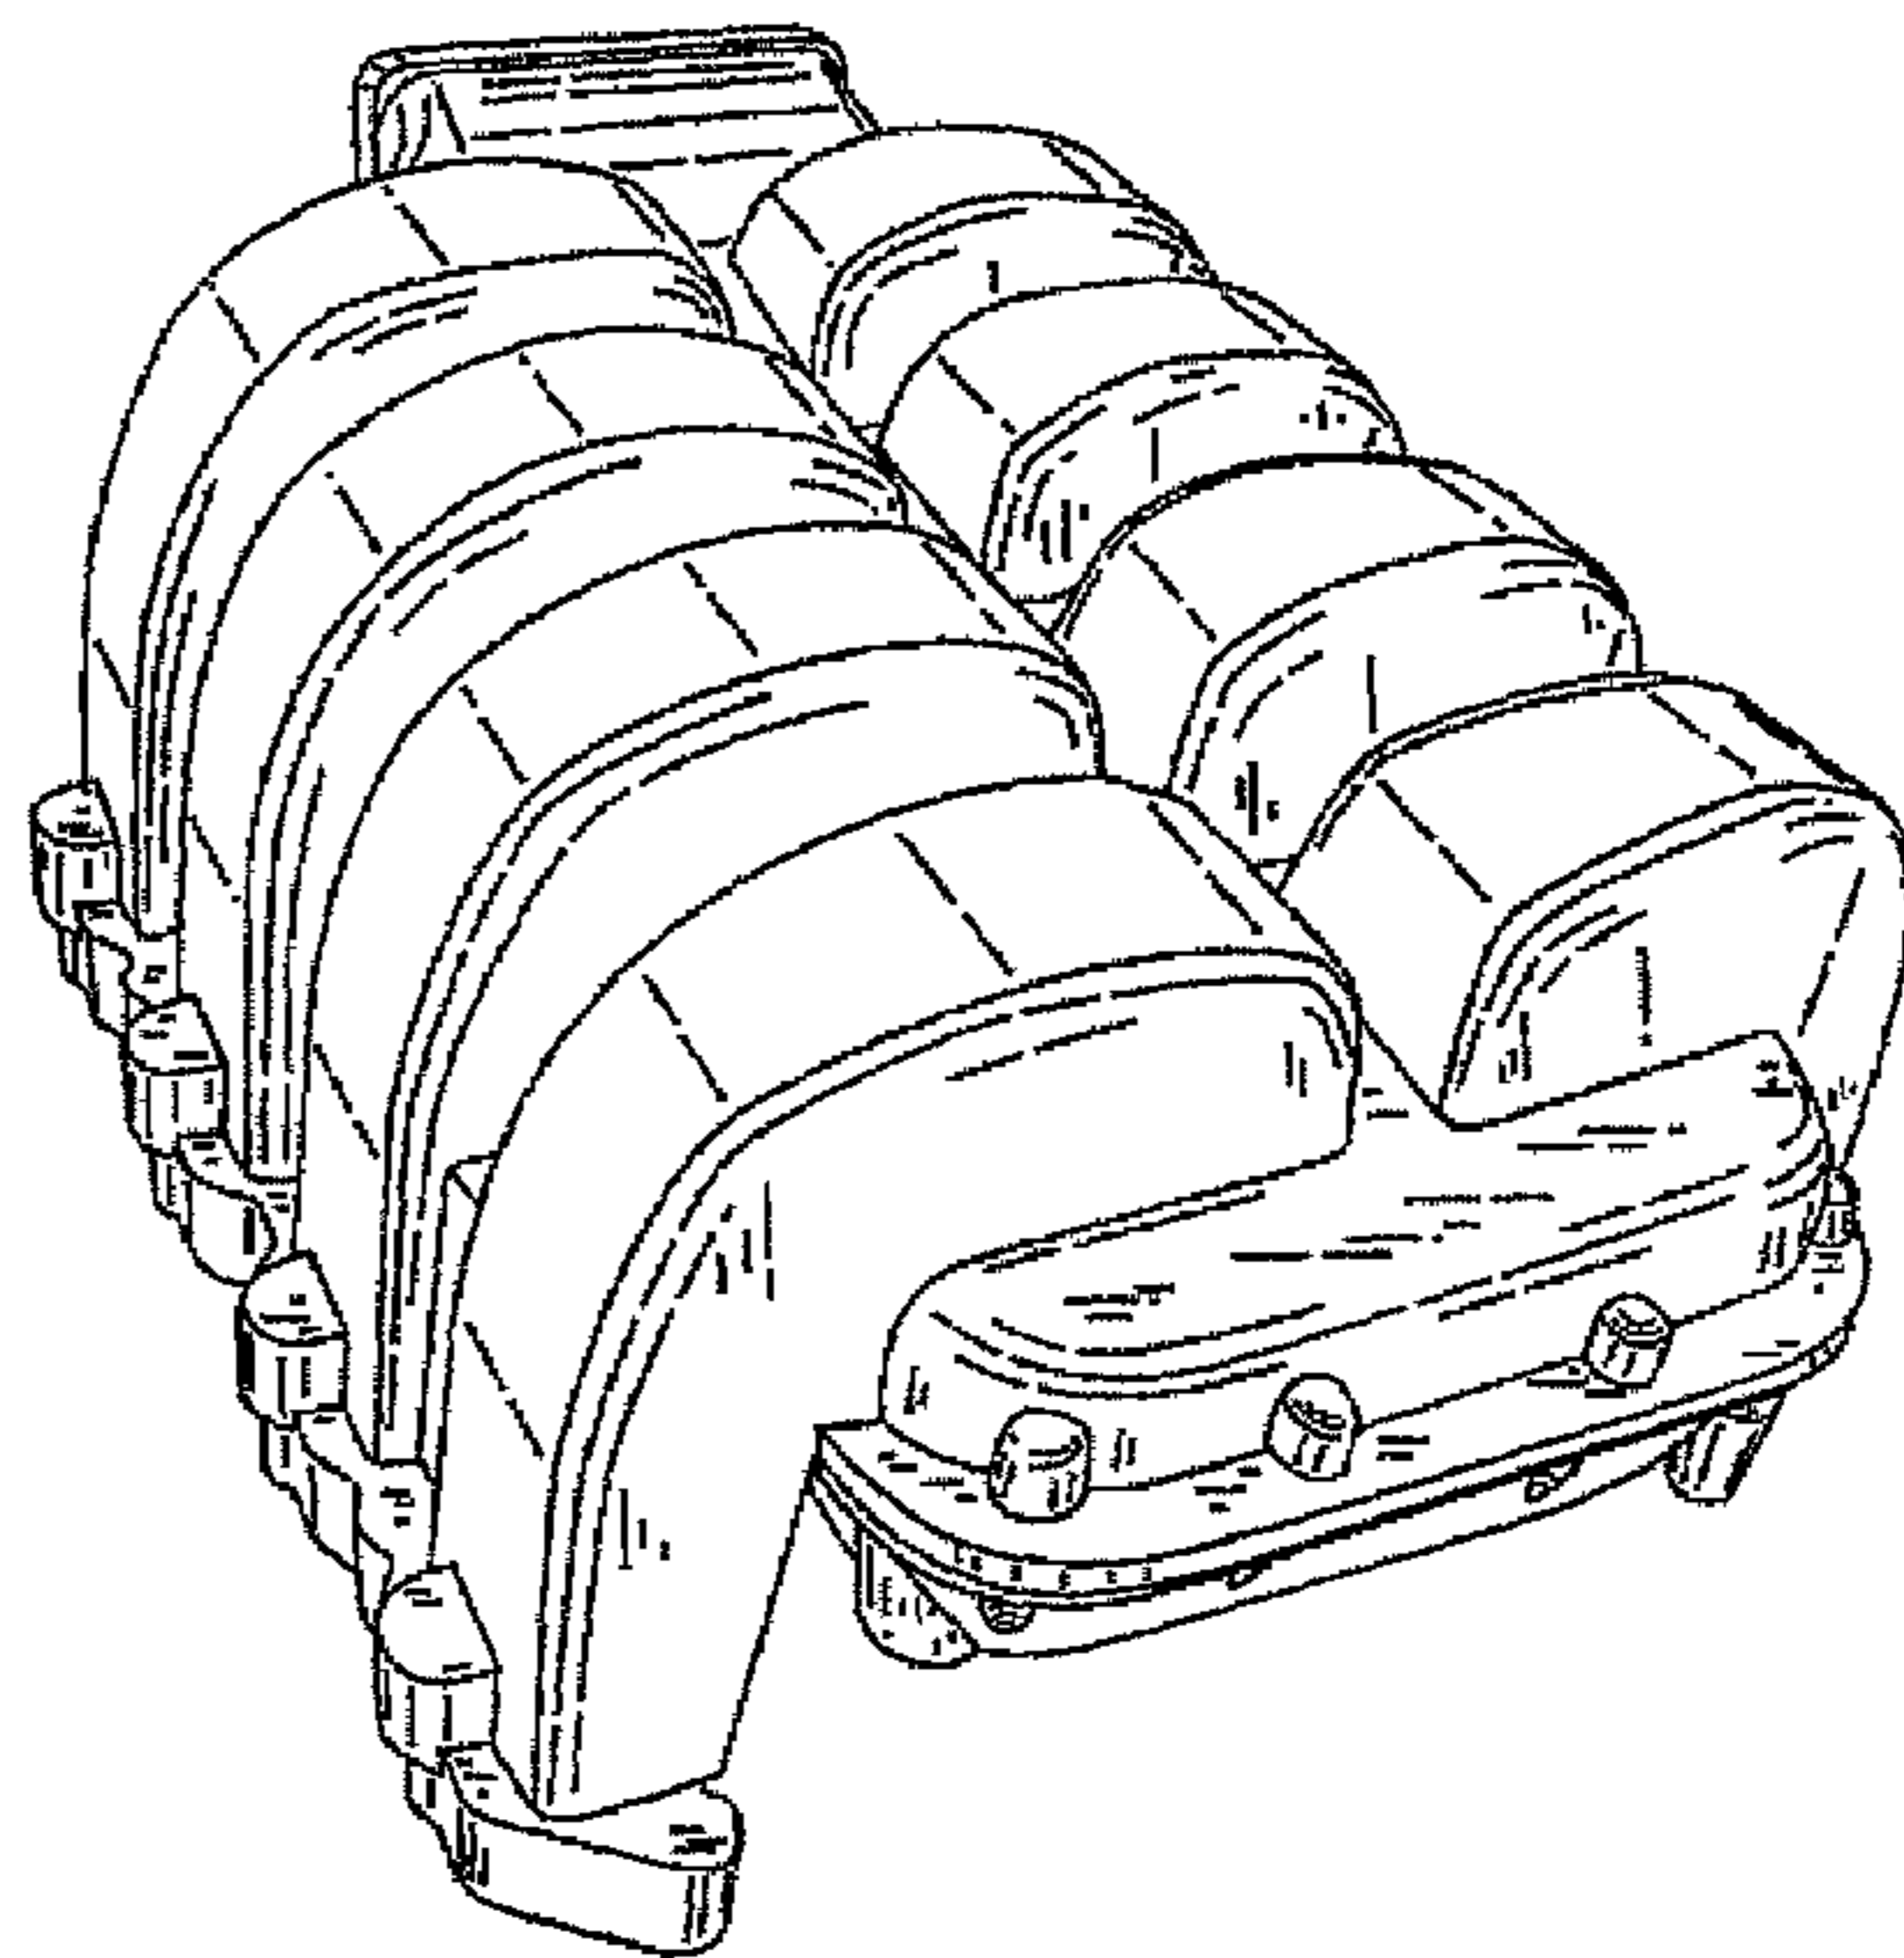

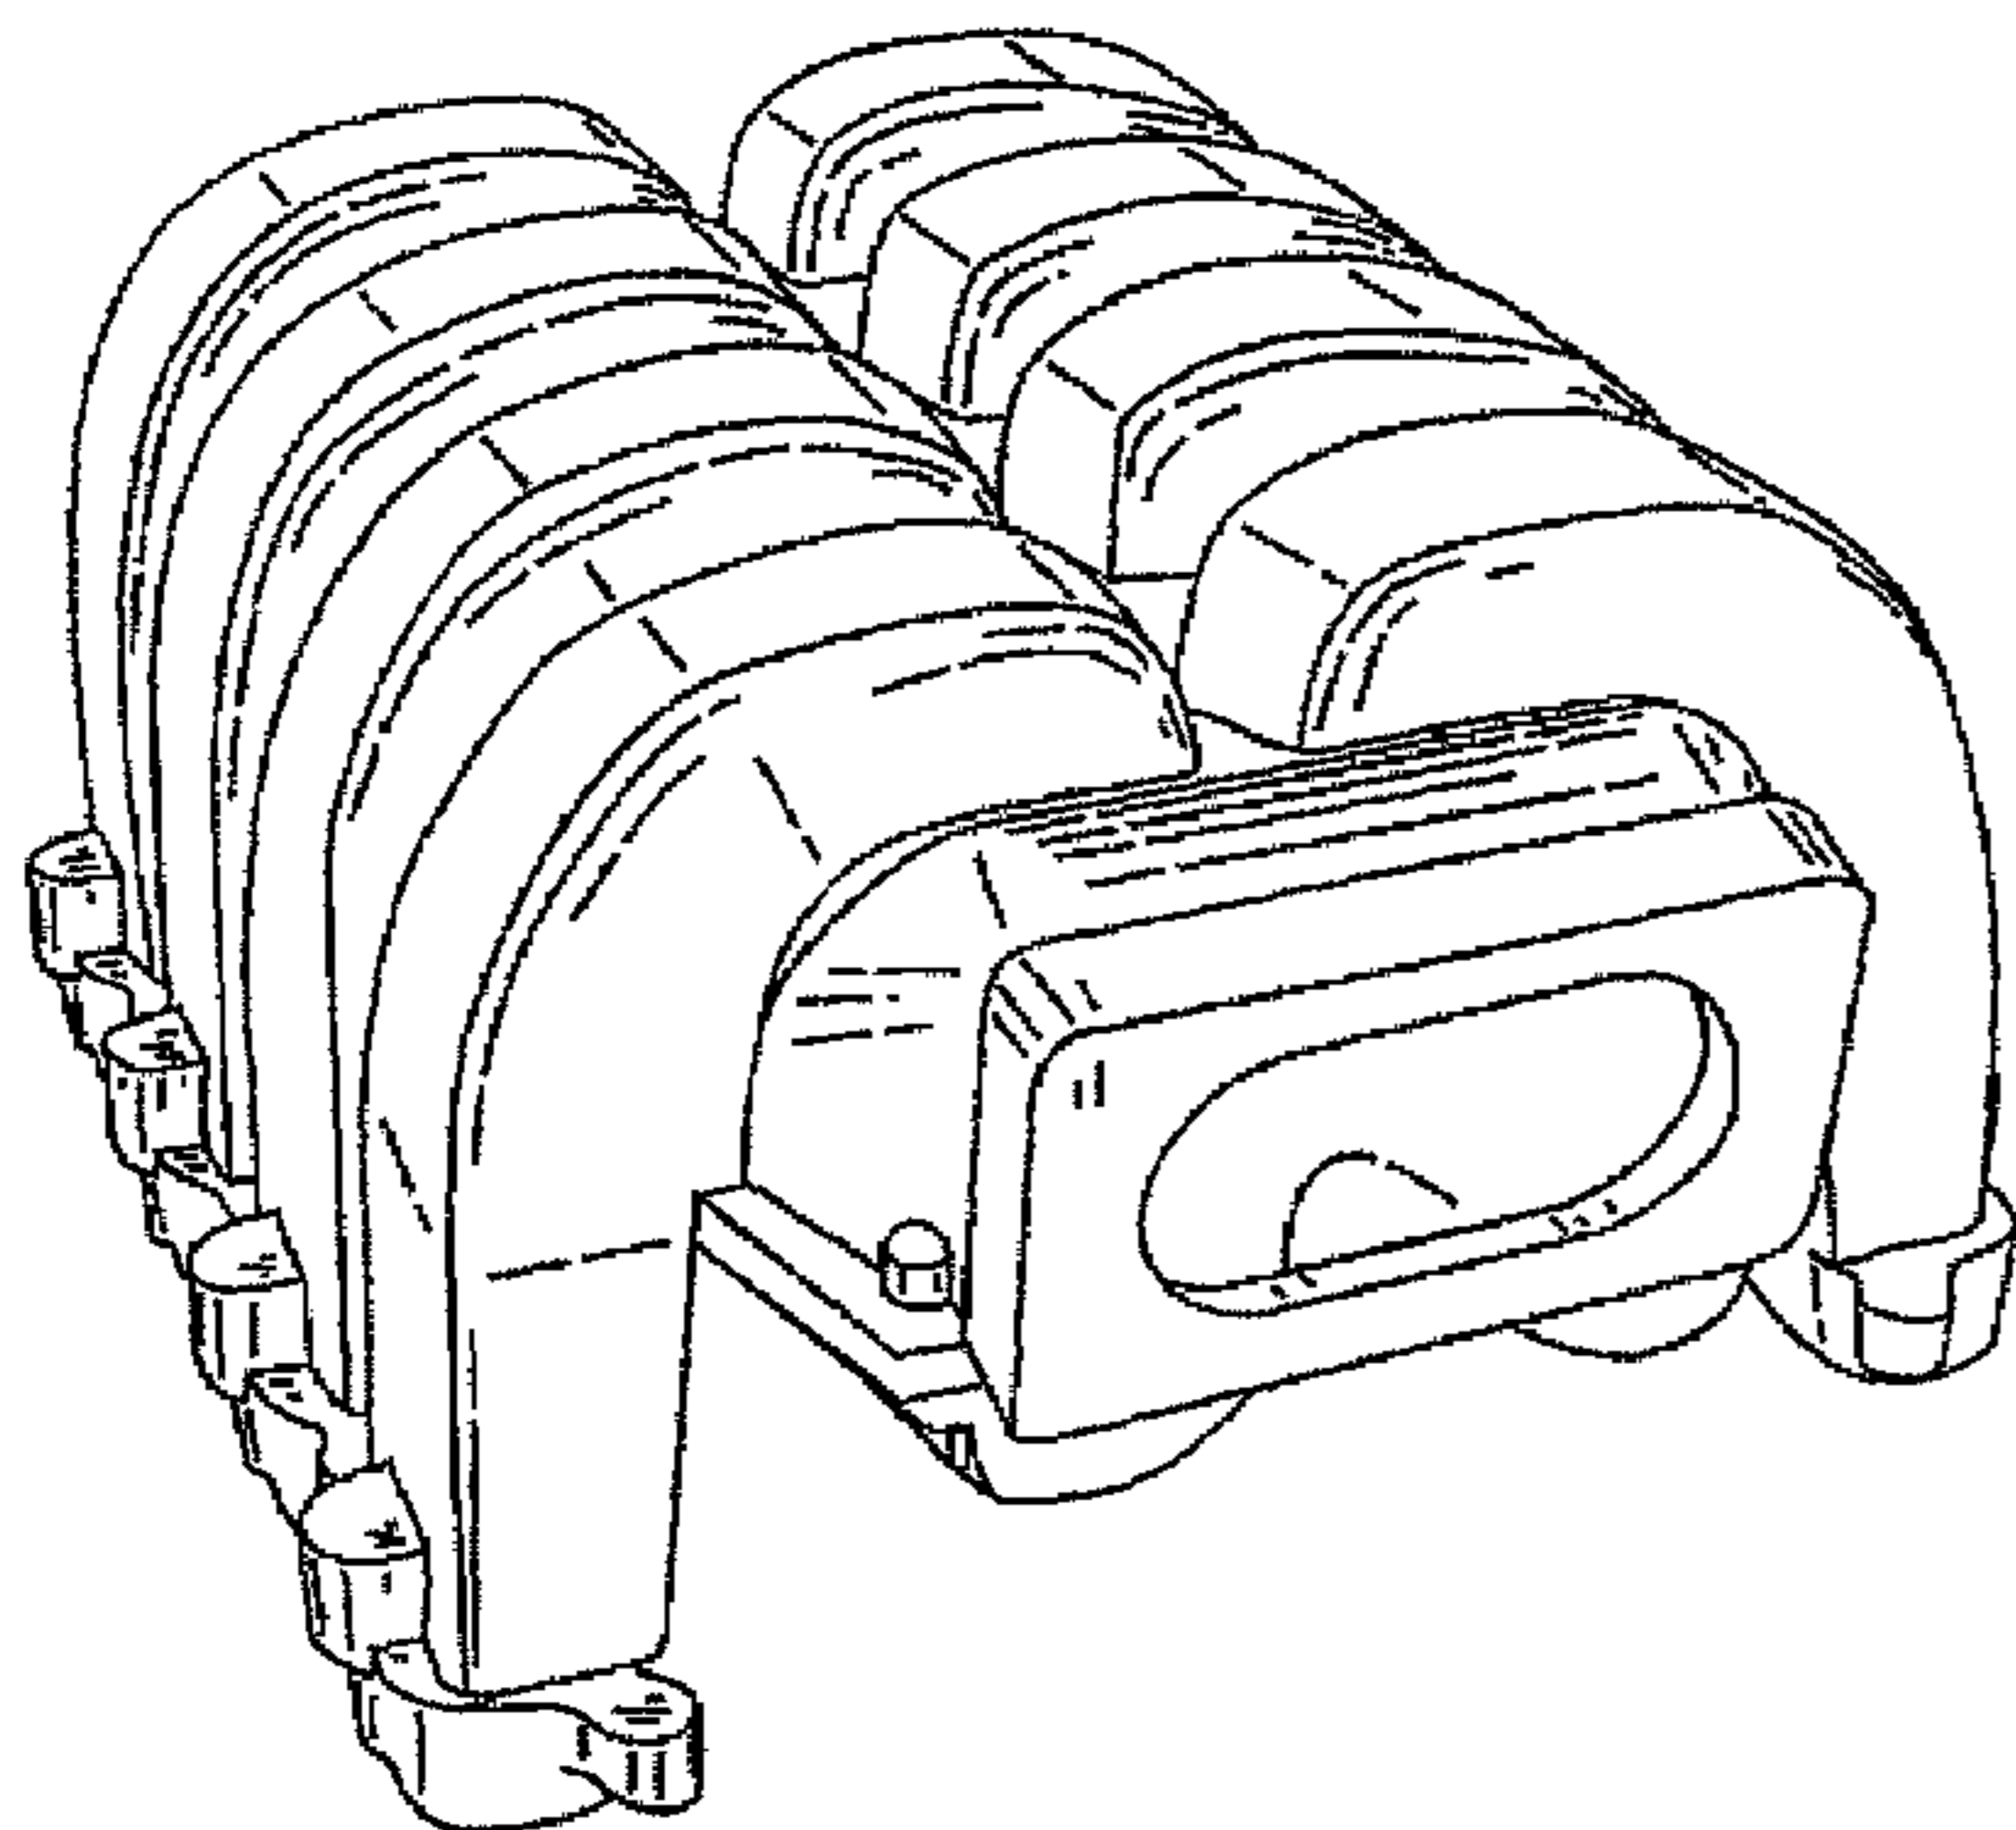

FIG. 5 front elevational view of the engine intake manifold;

FIG. 6 an elevational view of the left side of the engine intake manifold shown in FIG. 3;

FIG. 7 is a rear elevational view of the engine intake manifold; and,

FIG. 8 is a bottom plan view of the engine intake manifold.
