(57) **CLAIM**

The ornamental design for a portion of a shoe upper, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a portion of a shoe upper showing my new design;

FIG. 2 is a side view thereof; and,

FIG. 3 is a rear perspective view thereof.

The broken line showing immediately adjacent to the shaded area represents an unclaimed boundary of the design. The broken line showing of the remainder of the shoe is for illustrative purposes only and forms no part of the claimed design.

The difference in stipple shading density between areas separated by solid lines represents a contrast of surfaces that is not limited to a particular color or a specific material.

**1 Claim, 3 Drawing Sheets**
