(57) **CLAIM**

I claim the ornamental design for lead terminals of a light emitting diode module, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view showing lead terminals of a light emitting diode module according to my new design, the portions indicated by dotted lines forming no part of my design;

FIG. 2 is a front view of the same lead terminals;

FIG. 3 is a rear view of the same lead terminals;

FIG. 4 is a top plan view of the same lead terminals;

FIG. 5 is a bottom view of the same lead terminals;

FIG. 6 is a right side view of the same lead terminals; and,

FIG. 7 is a left side view of the same lead terminals.
