(57) **CLAIM**

The ornamental design for a stud mount, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the stud mount showing my new design. The exemplary structural stud shown in phantom is for illustrative purposes only, namely to show the intended use of the stud mount, and thus forms no part of the claimed design.

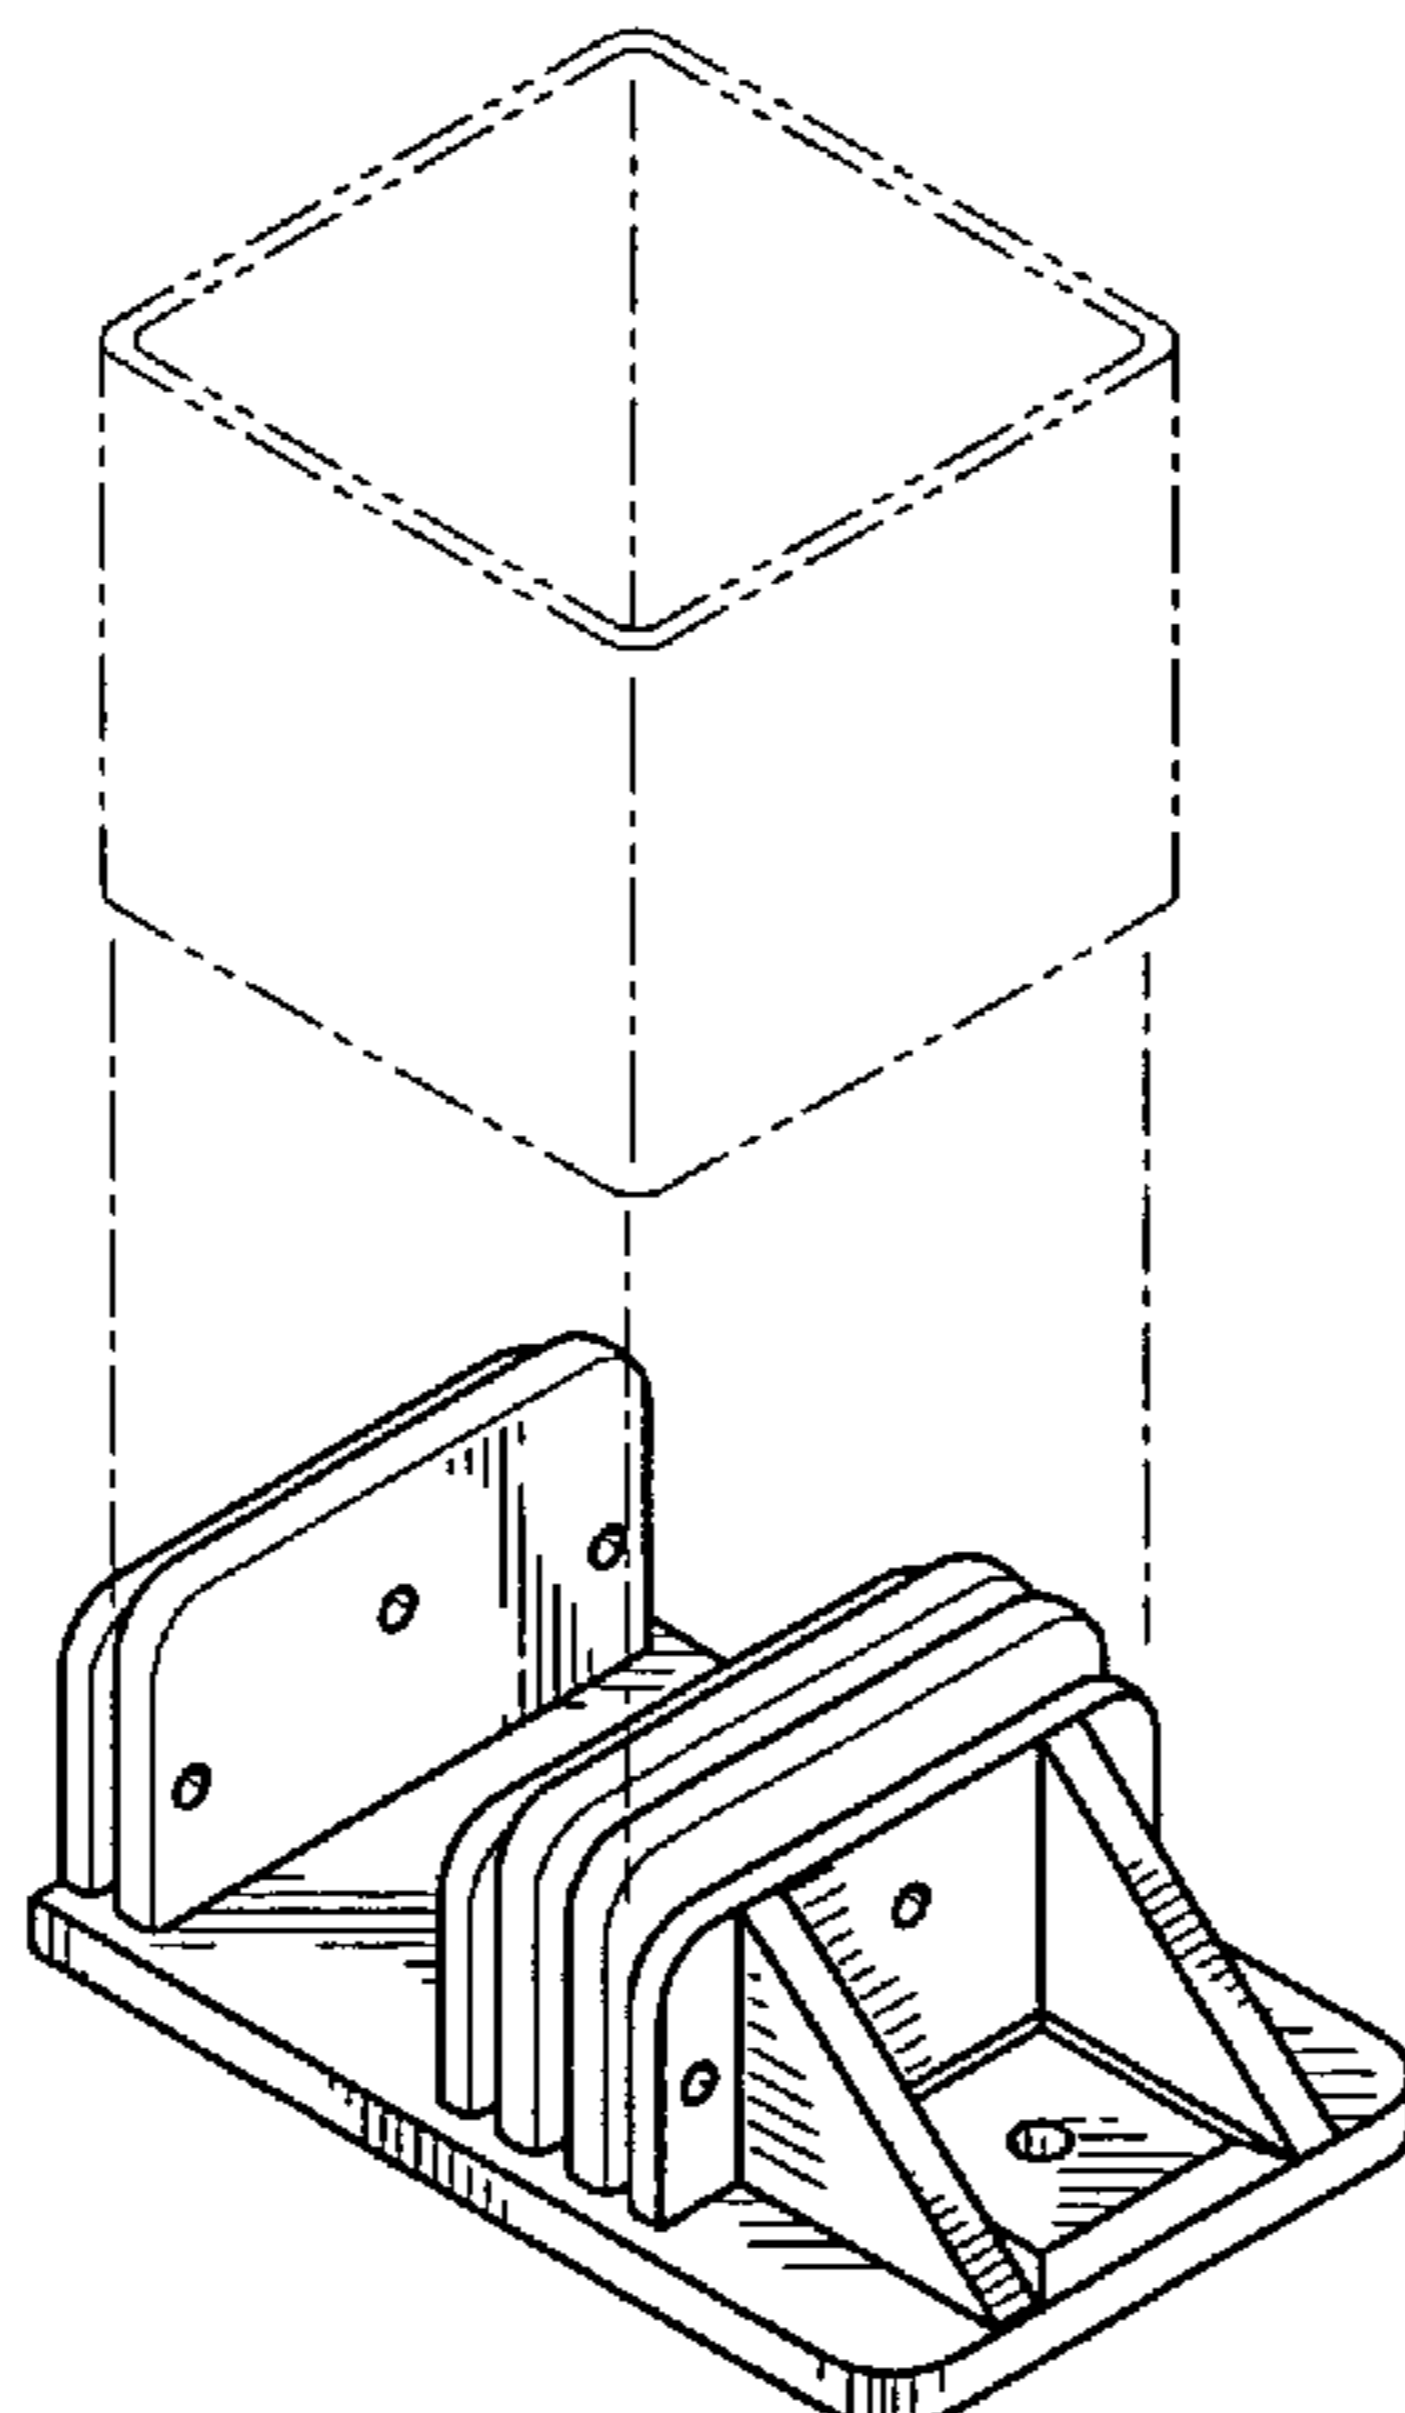

FIG. 2 is a side elevation view of the design shown in FIG. 1, the opposite side view being a mirror image thereof.

FIG. 3 is a top plan view of the design shown in FIG. 1; and, FIG. 4 is a bottom plan view of the design shown in FIG. 4.

The shading lines shown in all of the drawings represent the three-dimensional contour of the design, and are not intended to indicate surface decoration.

The broken lines are for illustrative purposes only and form no part of the claimed design.
