(57) **CLAIM**

The ornamental design for a brake disk for a motorcycle, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the brake disk for a motorcycle showing our new design;

FIG. 2 is a back view thereof;

FIG. 3 is right side view thereof;

FIG. 4 is a top view thereof;

FIG. 5 is a bottom view thereof;

FIG. 6 is an enlarged sectional view taken along line 6—6 in FIG. 1; and,

FIG. 7 is an enlarged perspective view.

The left side view is a mirror image of the right side view. The claimed design is directed to the outer surface of the brake disk for a motorcycle. The portions of the brake disk shown in broken lines form no part of the claimed design.
