(57) **CLAIM**

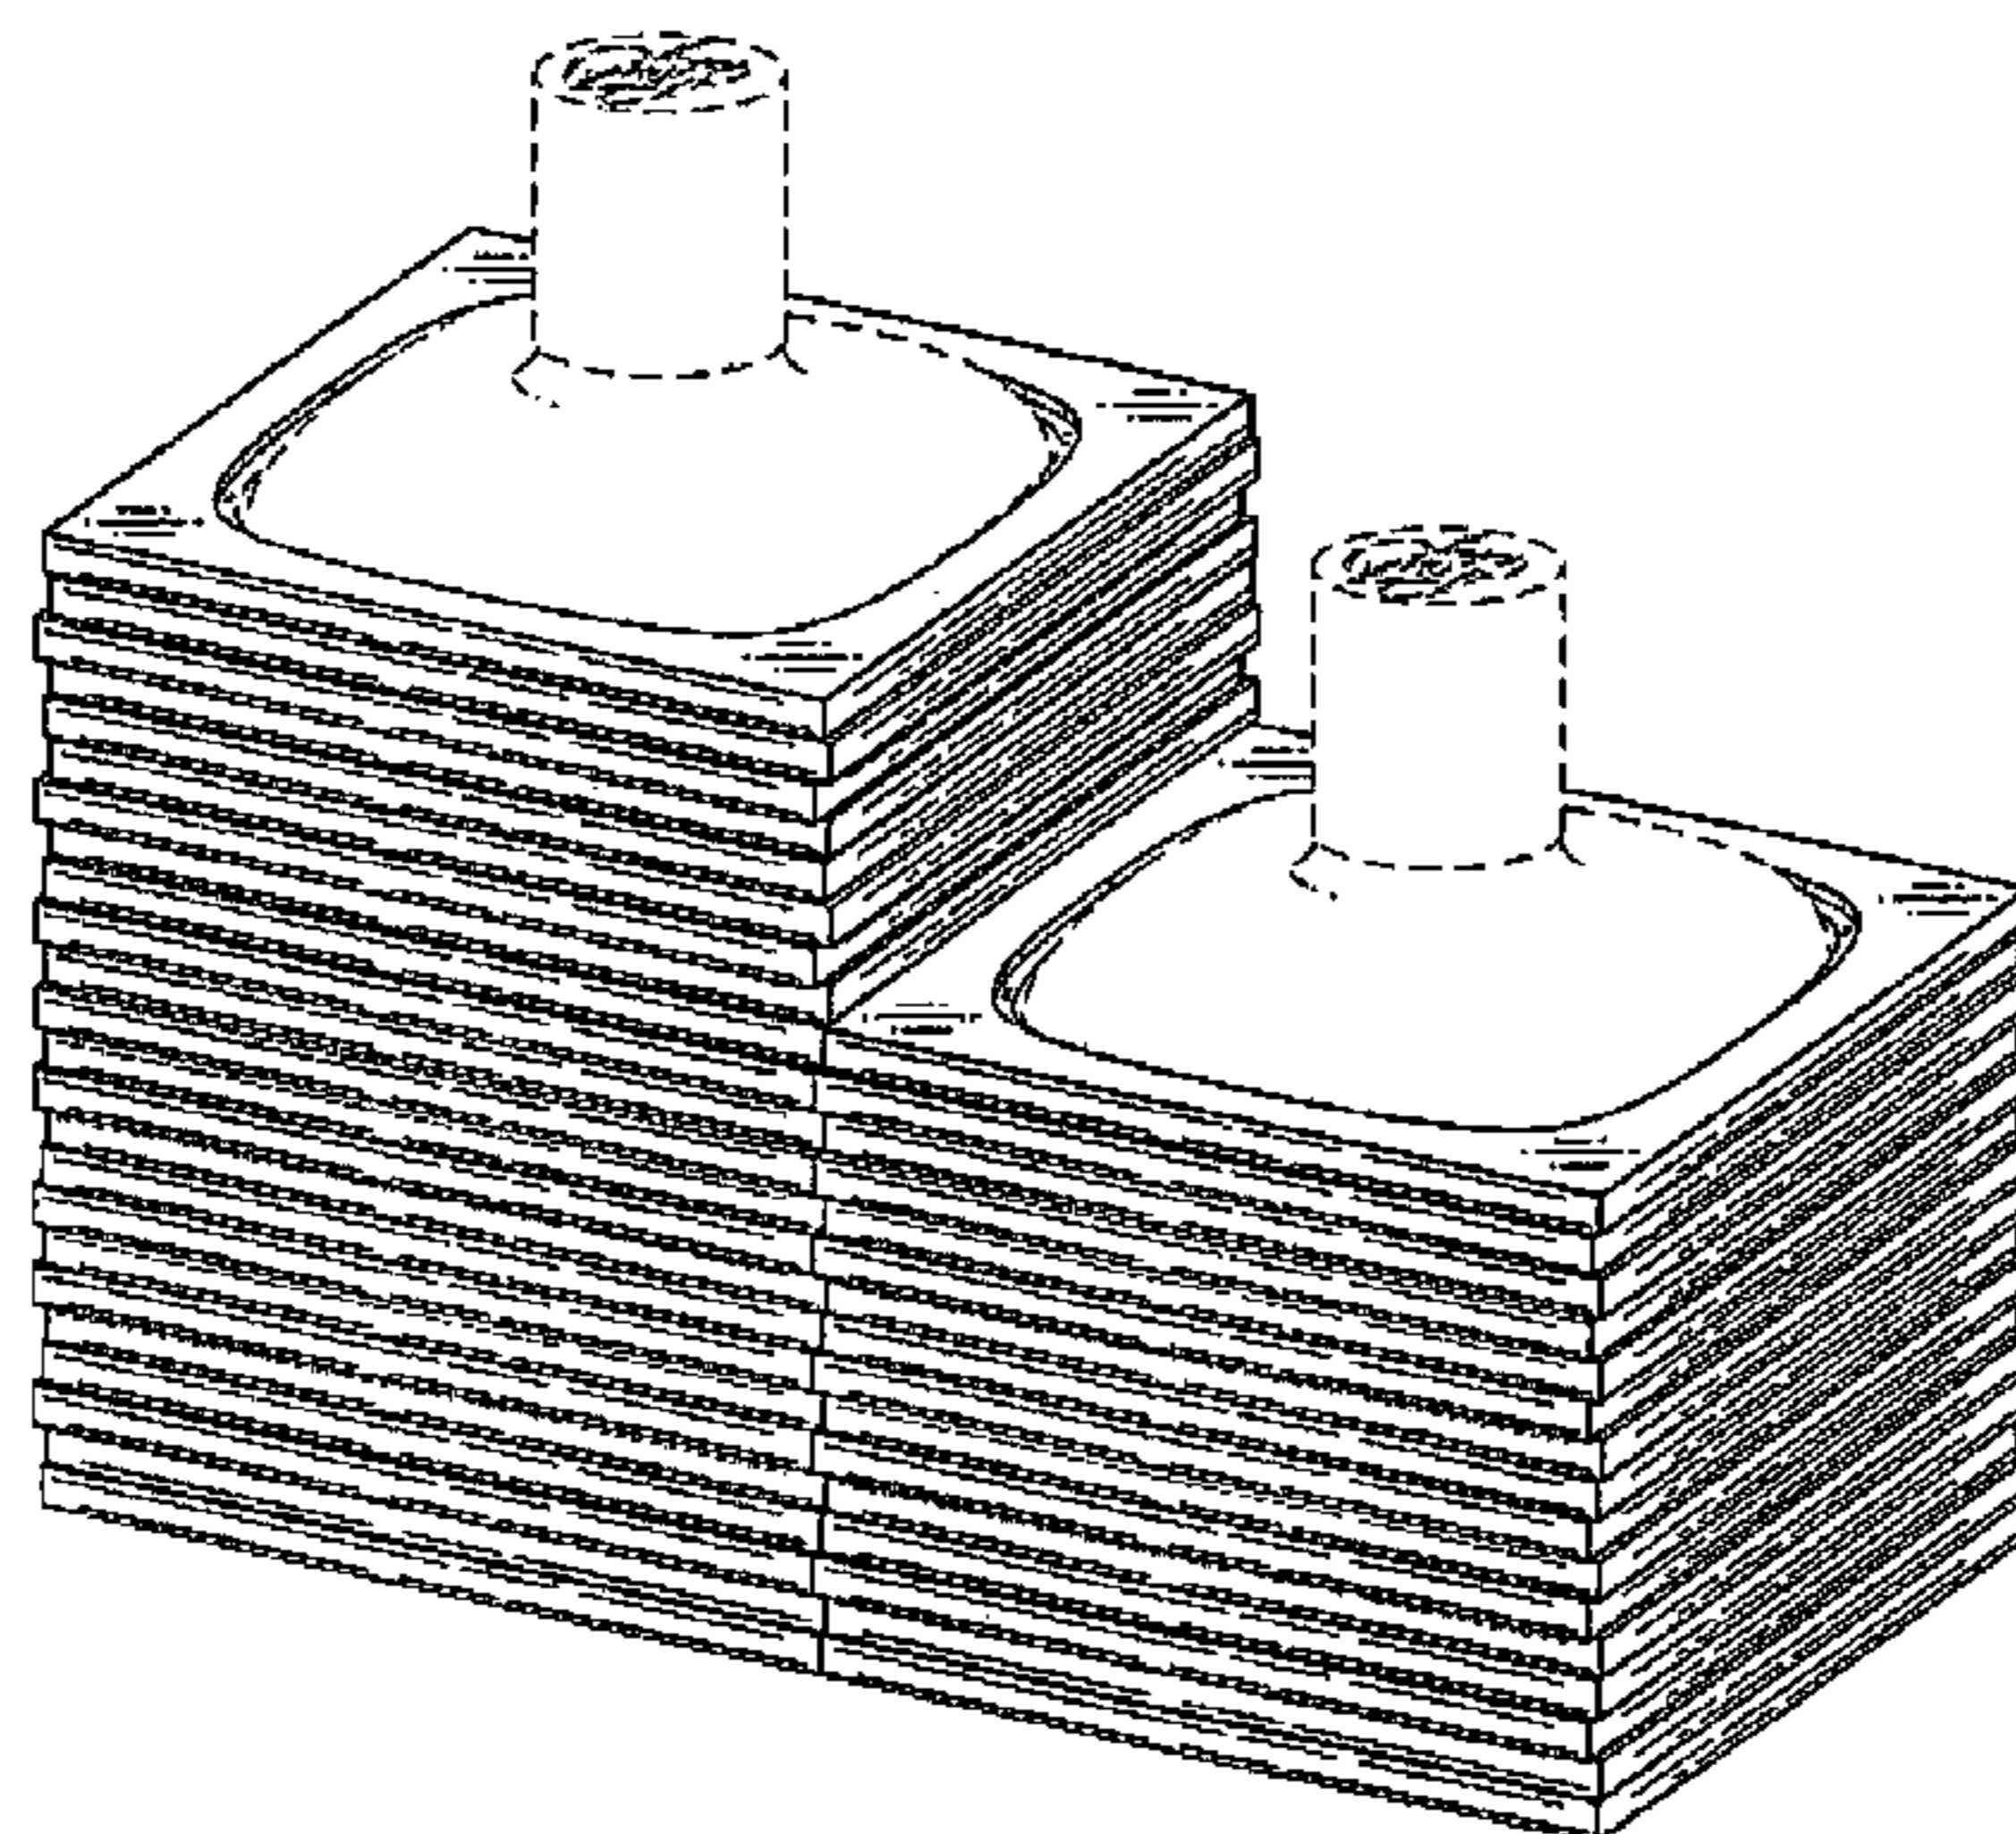

The ornamental design for interlocking boots for fragrance bottles, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top, front and right perspective view of interlocking boots for fragrance bottles showing our new design, the top, rear and left side perspective view being a mirror image thereof.

The broken line showing of a bottle, bottle cap, and the symbol on the top of the bottle is included for the purpose of illustrating only and forms no part of the claimed design.
