(57) **CLAIM**

The ornamental design for a mobile telephone, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a mobile telephone showing my new design; and,

FIG. 2 is a front view of a second embodiment of the mobile telephone.

The broken line showing of the outline of a mobile phone in each embodiment is for illustrative purposes only and forms no part of the claimed design.

The claimed design in both embodiments is limited to the keys the display, and the arrangement and relative positioning thereof, while the surfaces of the mobile phone surrounding the keys and the display are not included in the claimed design. The keys and display are all positioned in the same plane.
