(57) **CLAIM**

The ornamental design for display panel with a transitional computer-generated icon, as shown and described.

DESCRIPTION

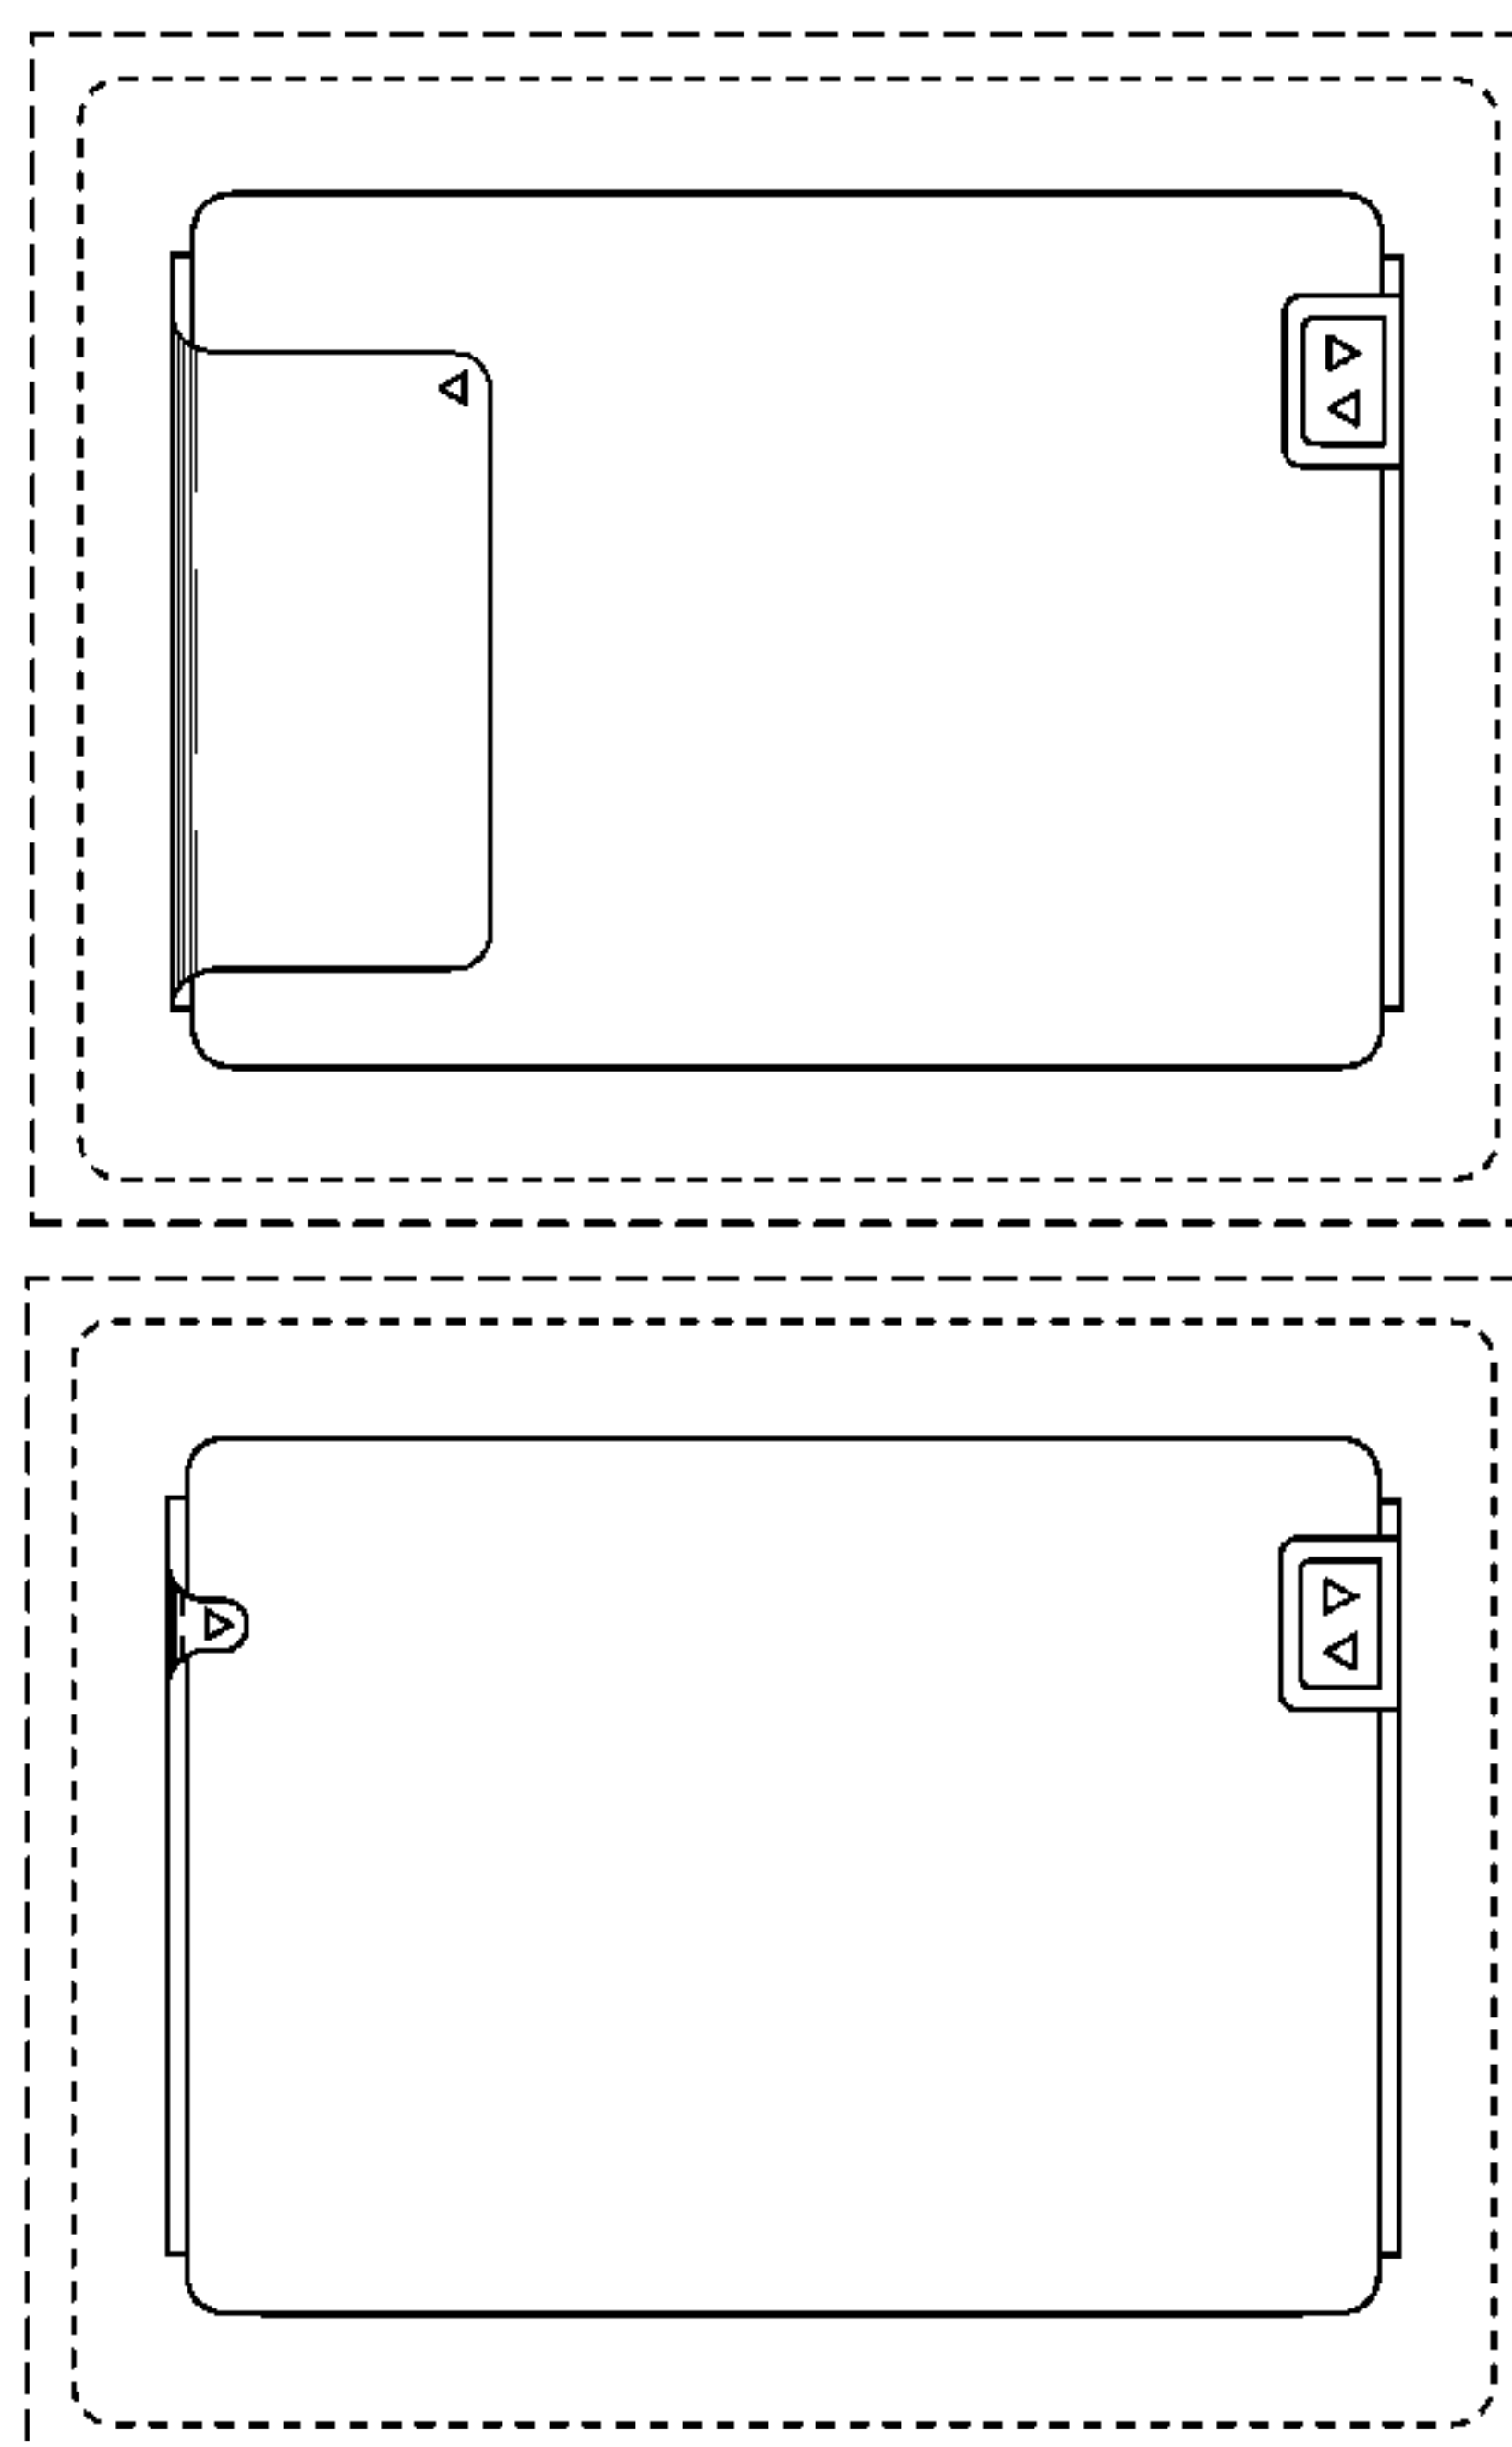

FIG. 1 is a front view of a display panel with a transitional computer-generated icon showing the first image in the sequence for a transitional image; and,

FIG. 2 is a front view of a display panel with a transitional computer-generated icon showing the second image thereof.

The broken line showing of a display panel is included for the purpose of illustrating environmental structure and forms no part of the claimed design.

The subject matter shown in FIGS. 1 and 2 include a process or period in which an image changes into another image. This process or period forms no part of the claimed design.
