(57) **CLAIM**

The ornamental design for toilet seat adaptor and potty, as shown and described.

DESCRIPTION

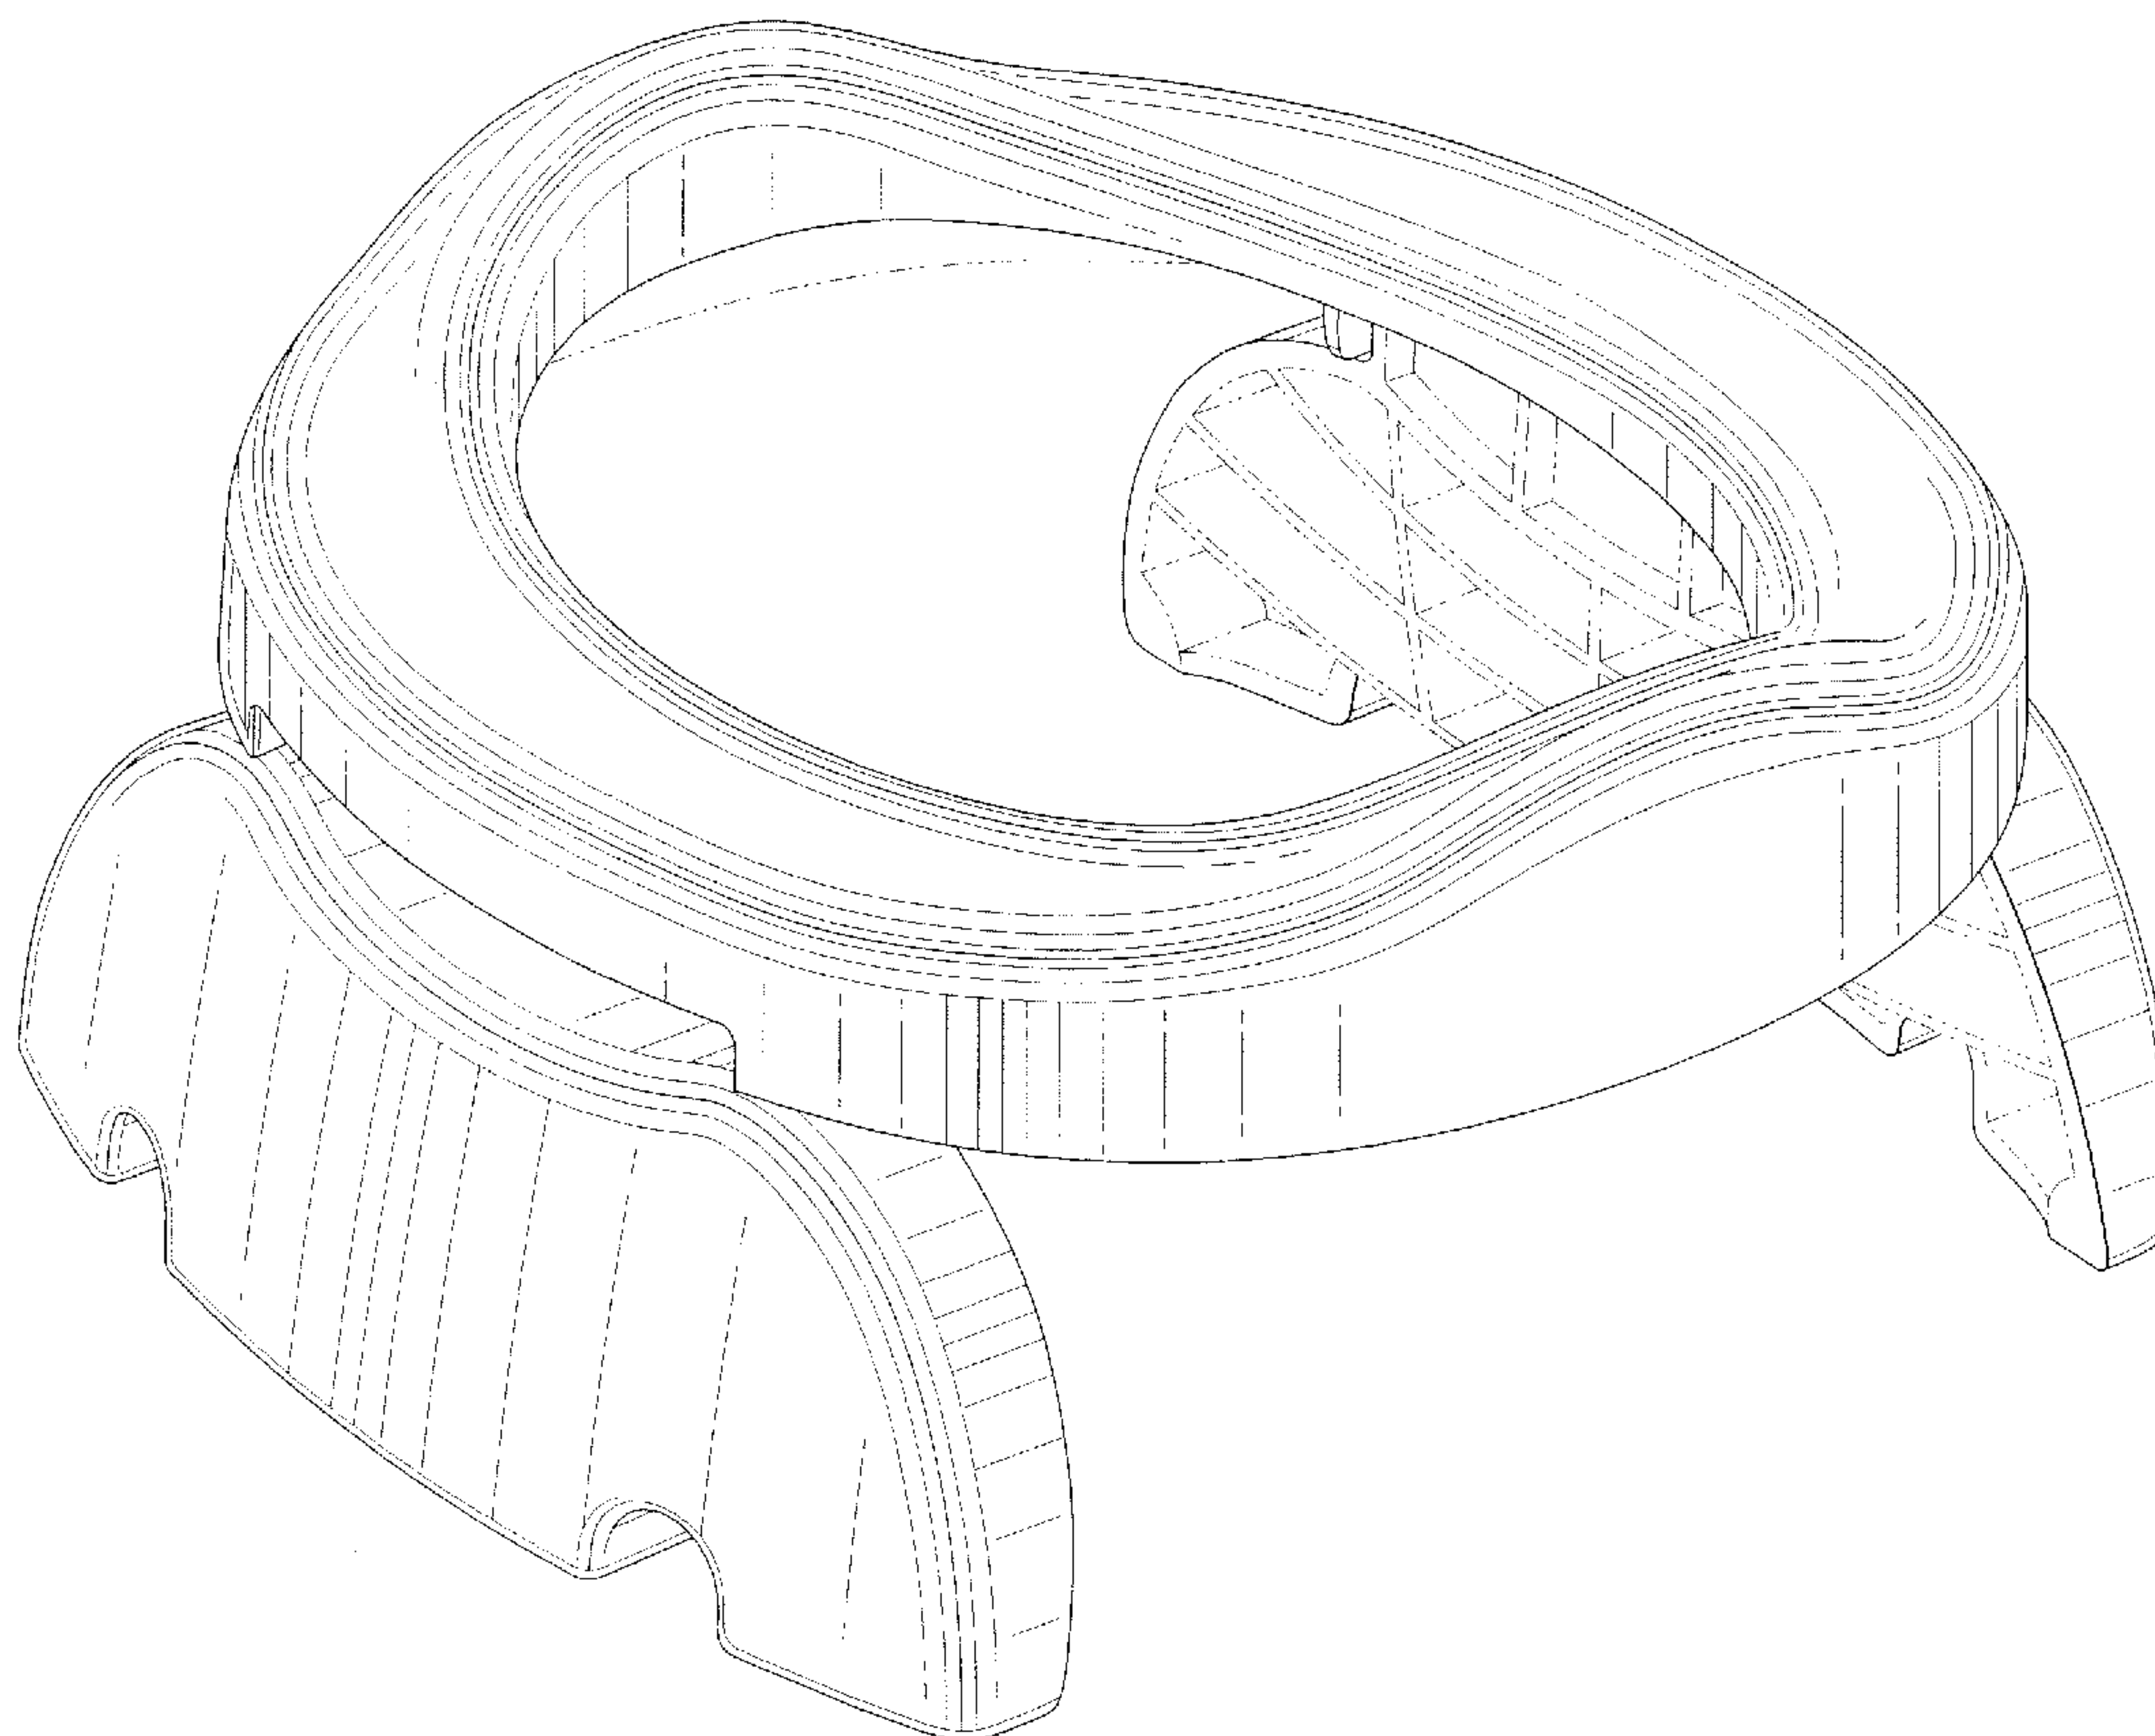

FIG. 1 is a top perspective view of the toilet seat adaptor and potty with the legs extended down, the opposite side being identical;

FIG. 2 is a top elevation view thereof with the legs folded under, the opposite side being identical; and,

FIG. 3 is a top perspective view thereof with the legs extended out in opposite direction.

The broken line showing of features of the interior of the legs is for illustrative purposes only and forms no part of the claimed design.
