(57) **CLAIM**

The ornamental design for a tank lever, as shown and
described.

DESCRIPTION

FIG. 1 is a perspective view of the tank lever according to the
present invention.

FIG. 2 is a front view of the tank lever according to the present
invention.

FIG. 3 is a top view of the tank lever according to the present
invention.

FIG. 4 is a back view of the tank lever according to the present
invention.

FIG. 5 is a left side view of the tank lever according to the
present invention; and,

FIG. 6 is a right side view of the tank lever according to the
present invention.

The broken lines shown on the drawings are for illustrative
purposes only and form no part of the claimed design.
