(57) **CLAIM**

The ornamental design for a flag with embedded portraiture, as shown and described.

DESCRIPTION

The single drawing FIGURE is front view of a flag with embedded portraiture according to our design.

Horizontal lines among the stars are not part of the design, but to indicate the color blue.

Vertical lines in the horizontal stripes are not part of the design, but to indicate the color red.

The back of the flag is not separately shown because it is a mirror image of the front.
