(57) **CLAIM**

The ornamental design for a double interior lamp for a
vehicle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view as seen from the top, front, and
left side of the double interior lamp for a vehicle showing our
new design with a switch shown in phantom;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a top plan view thereof; and,

FIG. 6 is a perspective view of the double interior lamp for a
vehicle similar to FIG. 1 except for showing a different num-
ber of differently shaped switches in phantom.

The number and configuration of the switches in FIGS. 1-6
are indicated by phantom lines and form no part of the
claimed design; the number and configuration of these
switches are shown for illustrative purposes only so as to
indicate that numerous switch numbers and configurations
may be used with the claimed design.
