(57) **CLAIM**

The ornamental design for a loudspeaker housing, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a loudspeaker housing showing our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front elevational view thereof, the rear elevational view being a mirror image, and both side elevational views being identical; and,

FIG. 4 is an elevational view rotated 45° from the front elevational view, the opposite elevational view being a mirror image thereof.

The broken line showings of the fasteners, and the rectangle in the mesh area in FIGS. 1 and 2 are for illustrative purposes only and form no part of the claimed design.
