See application file for complete search history.

DESCRIPTION

FIG. 1 is a view of a targeting display for a rangefinder, rifle scope, or other aimed optical device in accordance with a first embodiment;

FIG. 2 is a view of a targeting display for a rangefinder, rifle scope, or other aimed optical device in accordance with a second embodiment;

FIG. 3 is a view of a targeting display for a rangefinder, rifle scope, or other aimed optical device in accordance with a third embodiment; and,

FIG. 4 is a view of a targeting display for a rangefinder, rifle scope, or other aimed optical device in accordance with a fourth embodiment.
