(57) **CLAIM**

The ornamental design for a golf glove, as shown and described.

DESCRIPTION

FIG. 1 is a top view of the back side of the golf glove of the present invention, shown without color for ease of illustration, and wherein the stitching thread (denoted by dashed and/or zig-zag lines) is any color other than white;

FIG. 2 is a perspective view of the thumb side of the golf glove of the present invention, shown without color for ease of illustration, and wherein the stitching thread (denoted by dashed and/or zig-zag lines) is any color other than white;

FIG. 3 is a perspective view of the little finger side of the golf glove of the present invention, shown without color for ease of illustration, and wherein the stitching thread (denoted by dashed and/or zig-zag lines) is any color other than white; and,

FIG. 4 is a perspective view of the palm side of the golf glove of the present invention, shown without color for ease of illustration, and wherein the stitching thread (denoted by dashed and/or zig-zag lines) is any color other than white.
