See application file for complete search history.

FIG. 1 is a front elevation view of an electrical connector, wherein broken lines show visible environmental structure showing my new design;

FIG. 2 is a top plan view thereof wherein broken lines show visible environmental structure;

FIG. 3 is a bottom plan view thereof wherein broken lines show visible environmental structure;

FIG. 4 is a right side elevation view thereof wherein broken lines show visible environmental structure;

FIG. 5 is a left side elevation view thereof wherein broken lines show visible environmental structure;

FIG. 6 is a rear elevation view thereof wherein broken lines show visible environmental structure;

FIG. 7 is a top, front and right side perspective view thereof wherein broken lines show visible environmental structure; and,

FIG. 8 is a bottom, rear and left side perspective view thereof wherein broken lines show visible environmental structure.

The broken lines of the internal elements of the connector in FIGS. 1 and 6 are included to show unclaimed subject matter only and form no part of the claimed design.
