See application file for complete search history.

(57) **CLAIM**

The ornamental design for a peripheral for a portable media device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the front side of a peripheral.

FIG. 2 is a front elevational view of the front side of a peripheral.

FIG. 3 is a left side elevational view of the front side of a peripheral.

FIG. 4 is a right side elevational view of the front side of a peripheral.

FIG. 5 is a rear elevational view of the front side of a peripheral; and,

FIG. 6 is a top plan view of the front side of a peripheral.

The broken lines within the claim area represent stitching. All other broken lines represent the portions of the design that form no part of the claim.
