(57) **CLAIM**

The ornamental design for an absorbent sheet with pattern, substantially as shown and described.

DESCRIPTION

The sole FIGURE is a top plan view of an absorbent sheet with pattern, showing my new design.

The broken line boundaries around the design indicate that a specific length and width of absorbent sheet with pattern forms no part of the claimed design. The pattern on the absorbent sheet with pattern repeats uniformly across the length and width of the design. The broken lines form no part of the claimed design.
