(57) **CLAIM**

The ornamental design for a set of bedding, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front perspective view showing the set of bedding showing my new design;

FIG. 2 is a side perspective view thereof;

FIG. 3 is a front view of the duvet and the bed skirt shown with the pillows removed for clarity of illustration;

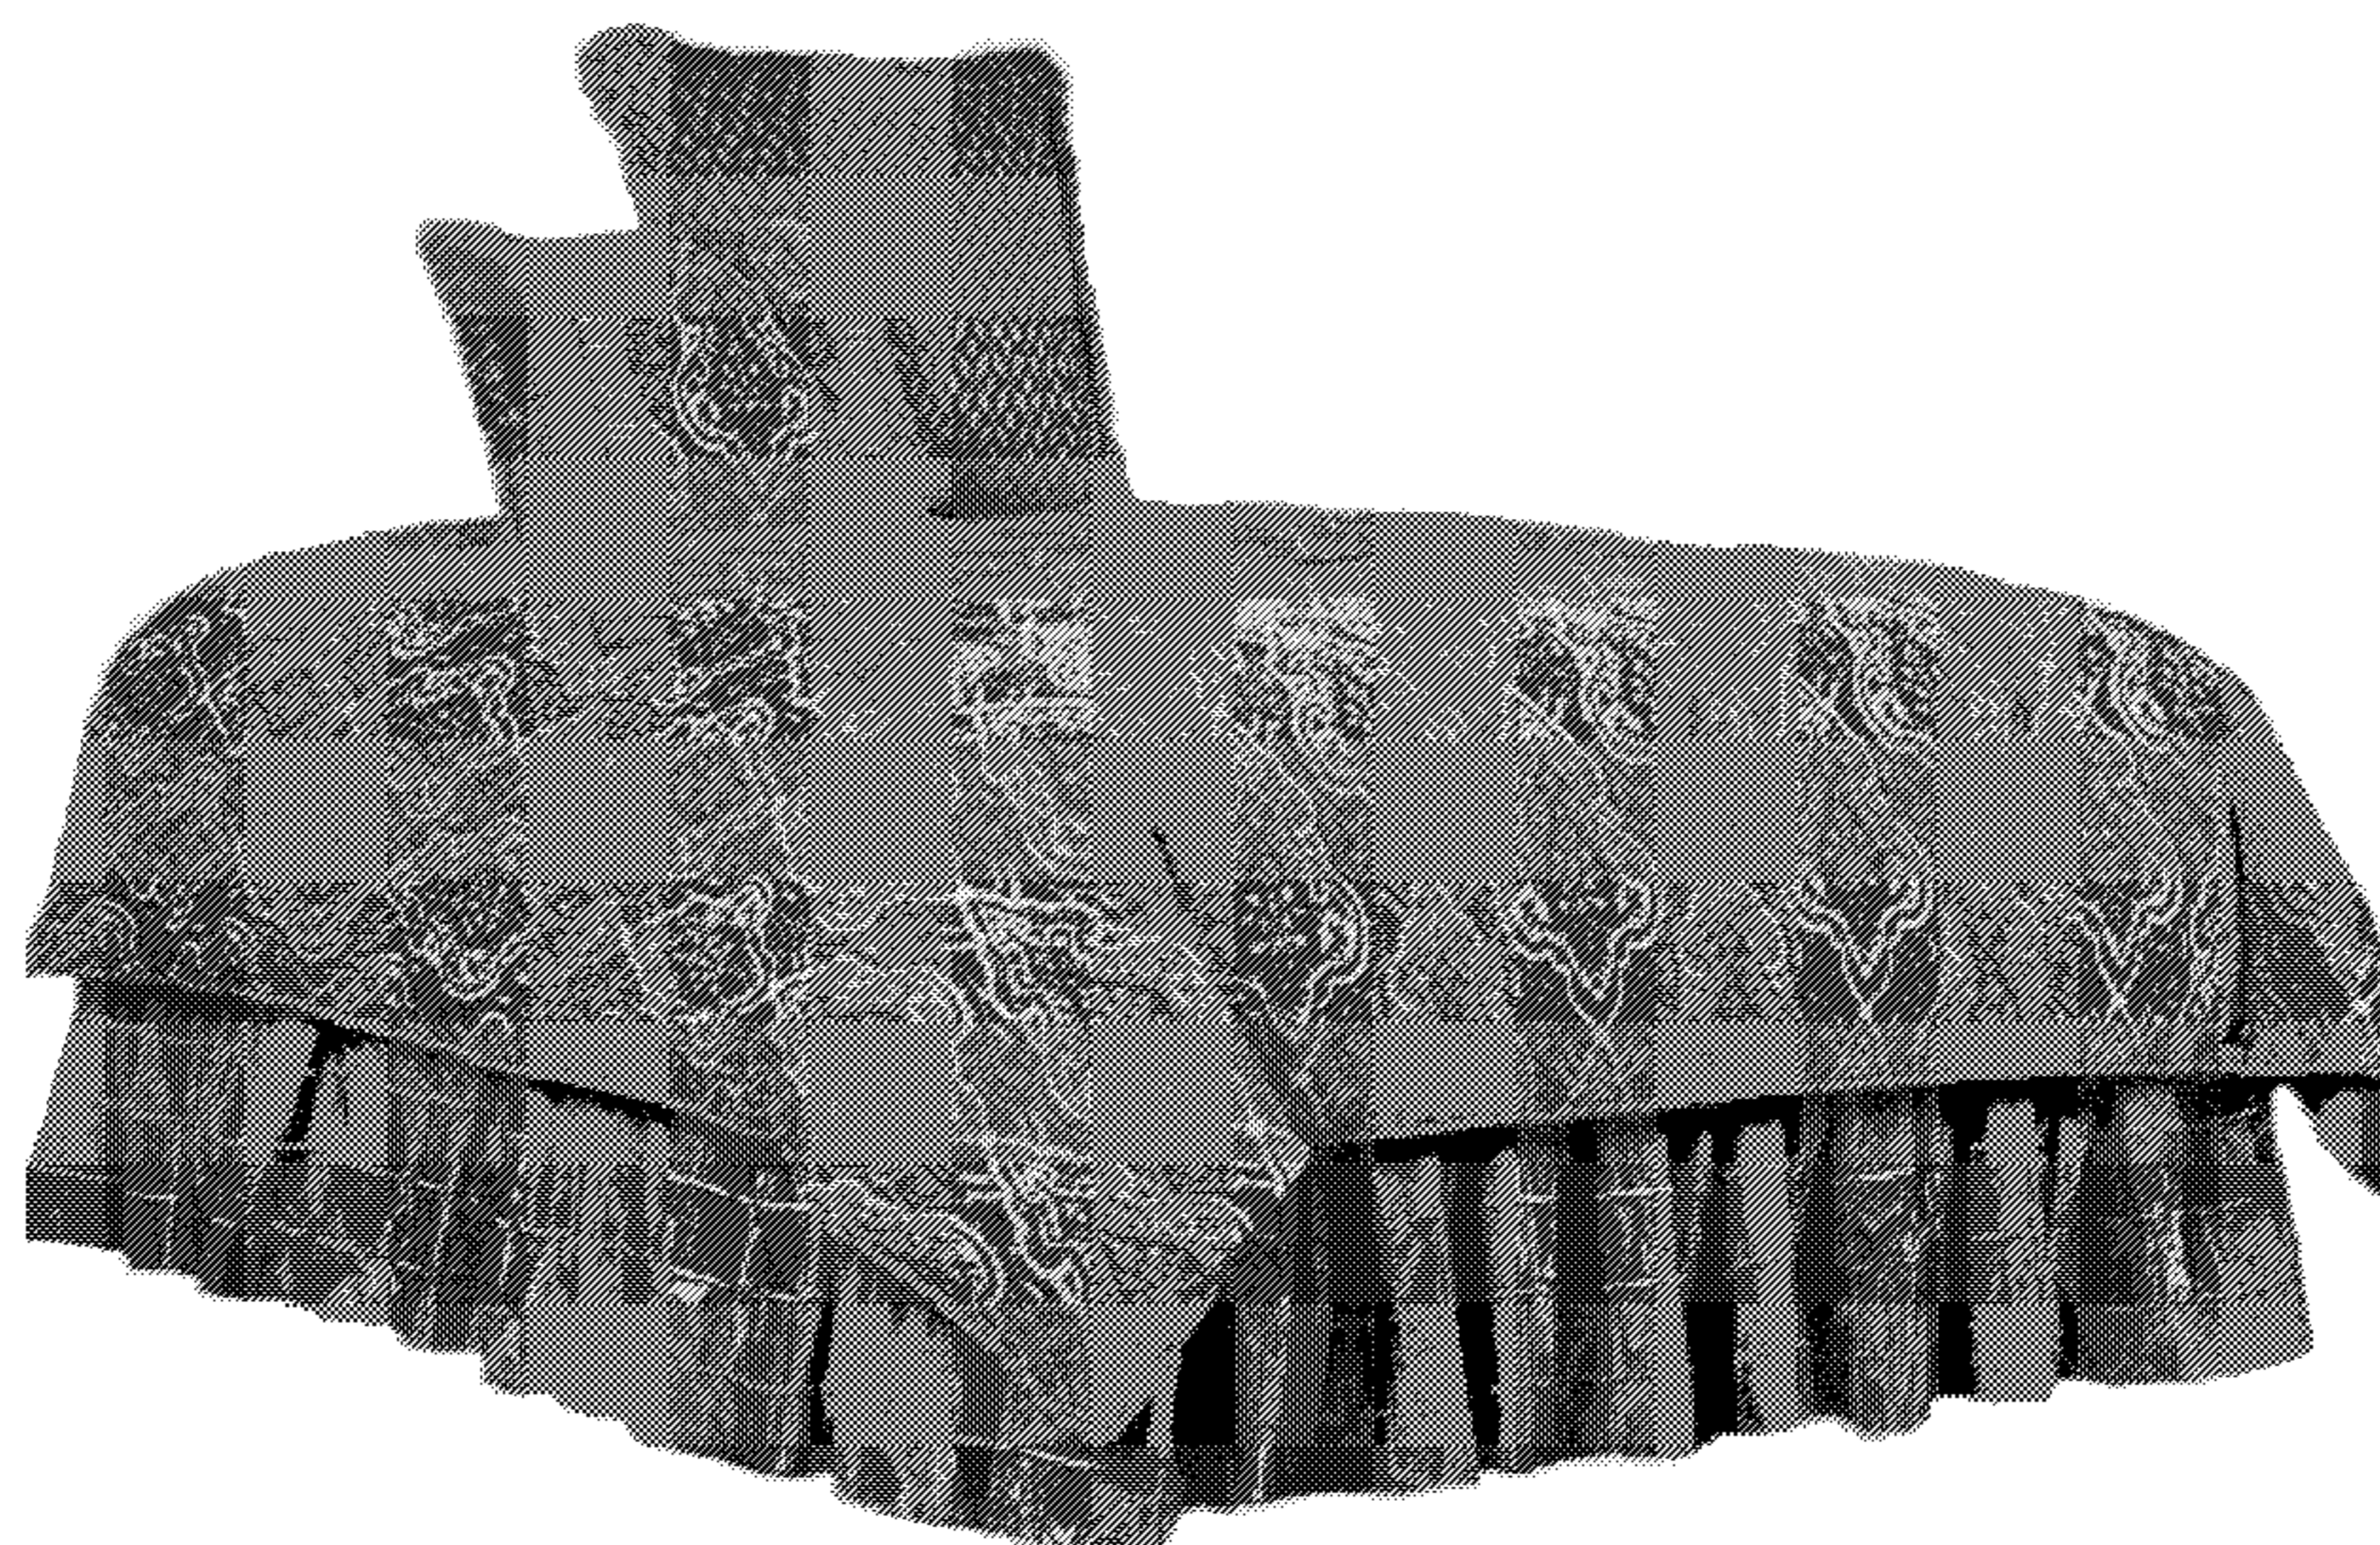

FIG. 4 is an enlarged fragmentary view, showing the details in one of the front corners;

FIG. 5 is an enlarged front view of the first sham shown separately for clarity of illustration; and,

FIG. 6 is an enlarged front view of the second sham shown separately for clarity of illustration.

Unshown portions of the bedding set forms no part of the claimed design. The relative positioning of the components of the bedding set relative to each other is for illustrative purposes only and forms no part of the claimed design.
