See application file for complete search history.

**DESCRIPTION**

FIG. 1 is a perspective view showing the front, left side, and  
top of two armrests for a chair showing my new design, the  
broken lines of a chair being for illustrative purposes only and  
forming no part of my design;

FIG. 2 is an enlarged perspective view of one such armrest for  
a chair;

FIG. 3 is a top plan view thereof;

FIG. 4 is a left side elevational view, the right side elevational  
view being a mirror image thereof; and,

FIG. 5 is a front elevational view thereof.

The characteristic feature of the design resides in the appli-  
cation of a groove pattern resembling the tread on an auto-  
mobile tire to the armrest for a chair.
