(57) **CLAIM**

The ornamental design for a fishing lure jig head with lower lip design, as shown as described.

DESCRIPTION

FIG. 1 is a perspective view of a fishing lure jig head with lower lip design, illustrated with a tuft of fibers, showing my new design;

FIG. 2 is a perspective view of the invention, illustrated without the tuft;

FIG. 3 is a front elevational view of the invention, illustrated without the tuft;

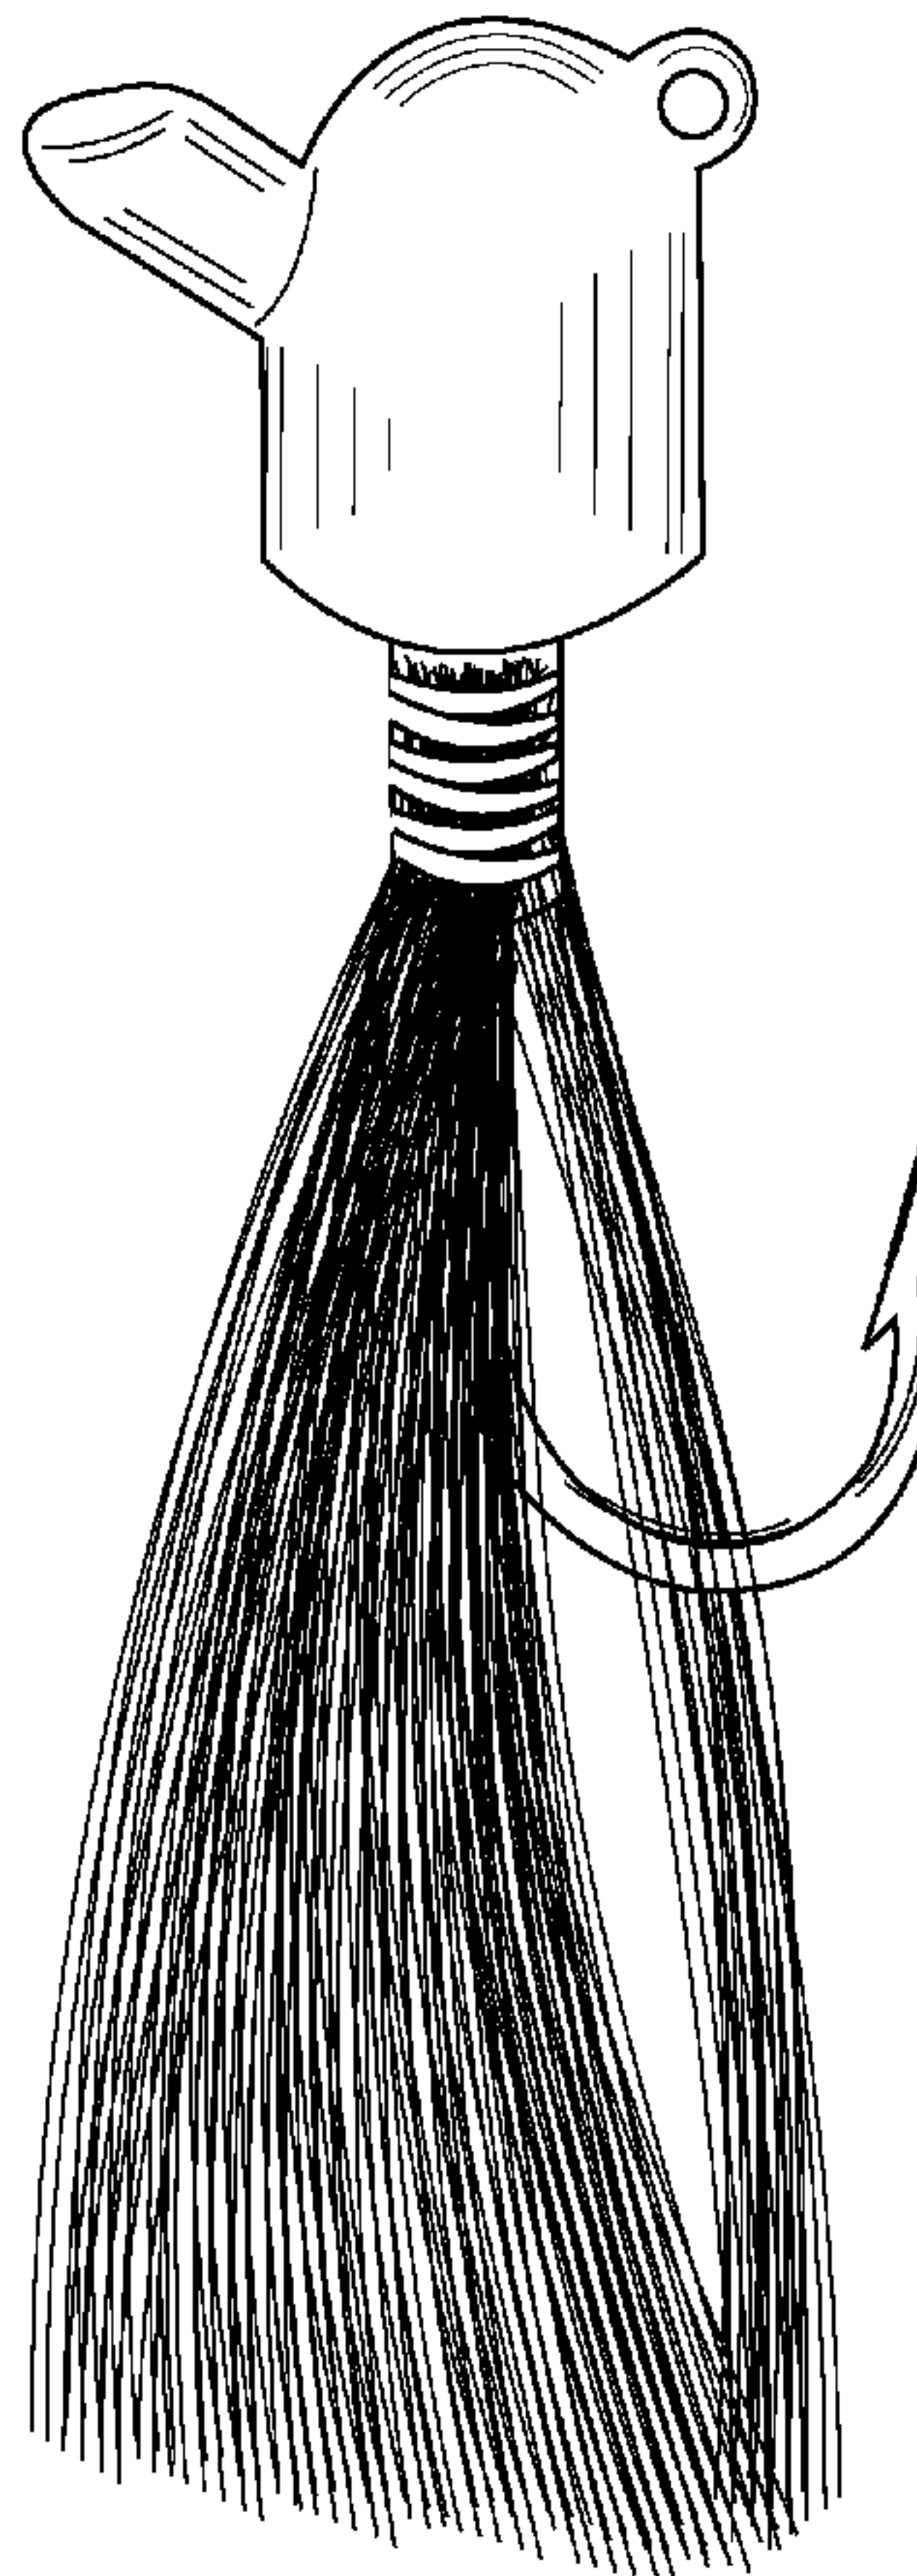

FIG. 4 is a rear elevational view of the invention, illustrated without the tuft;

FIG. 5 is a left-side elevational view of the invention, illustrated without the tuft, the right-side elevational view being a mirror image thereof;

FIG. 6 is a top plan view of the invention, illustrated without the tuft; and,

FIG. 7 is a bottom plan view of the invention, illustrated without the tuft.
