(57) **CLAIM**

The ornamental design for sheet material with surface ornamentation, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a plan view of specific, illustrative sheet material with surface ornamentation showing my new design; and, FIG. 2 is an illustrative plan view of the claimed design of FIG. 1, repeated fully one time and repeated partially five additional times.

Words, names and symbols displayed on the sheet material are trademarks owned by Salvatore Ferragamo Italia S.p.A.

The broken line boundaries surrounding the figure views form no part of the Claimed Design, and indicate that a specific length and width of sheet material also forms no part of the Claimed Design. As seen in the illustrative example of FIG. 2, the repeat unit of the Claimed Design repeats uniformly through the length and width of the sheet material.
