(57) **CLAIM**

The ornamental design for a base for a router power tool, as shown and described.

DESCRIPTION

FIG. 1 is a bottom view of the base for a router power tool of the present invention;

FIG. 2 is a top view of the base for a router power tool of the present invention;

FIG. 3 is a front view of the base for a router power tool of the present invention;

FIG. 4 is a rear view of the base for a router power tool of the present invention;

FIG. 5 is a right view of the base for a router power tool of the present invention;

FIG. 6 is a left view of the base for a router power tool of the present invention; and,

FIG. 7 is a right perceptive view of the base for a router power tool of the present invention.
