(57) **CLAIM**

The ornamental design for a user interface for a portion of a display screen, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a user interface for a portion of a display screen showing our new design.

The broken line showing of a portion of a display screen is included for the purpose of illustrating environmental structure and forms no part of the claimed design. The text and other portions of the user interface shown in broken lines form no part of the claimed design.
