(57) **CLAIM**

The ornamental design for a portable mortar hopper, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a portable mortar hopper embodying the invention;

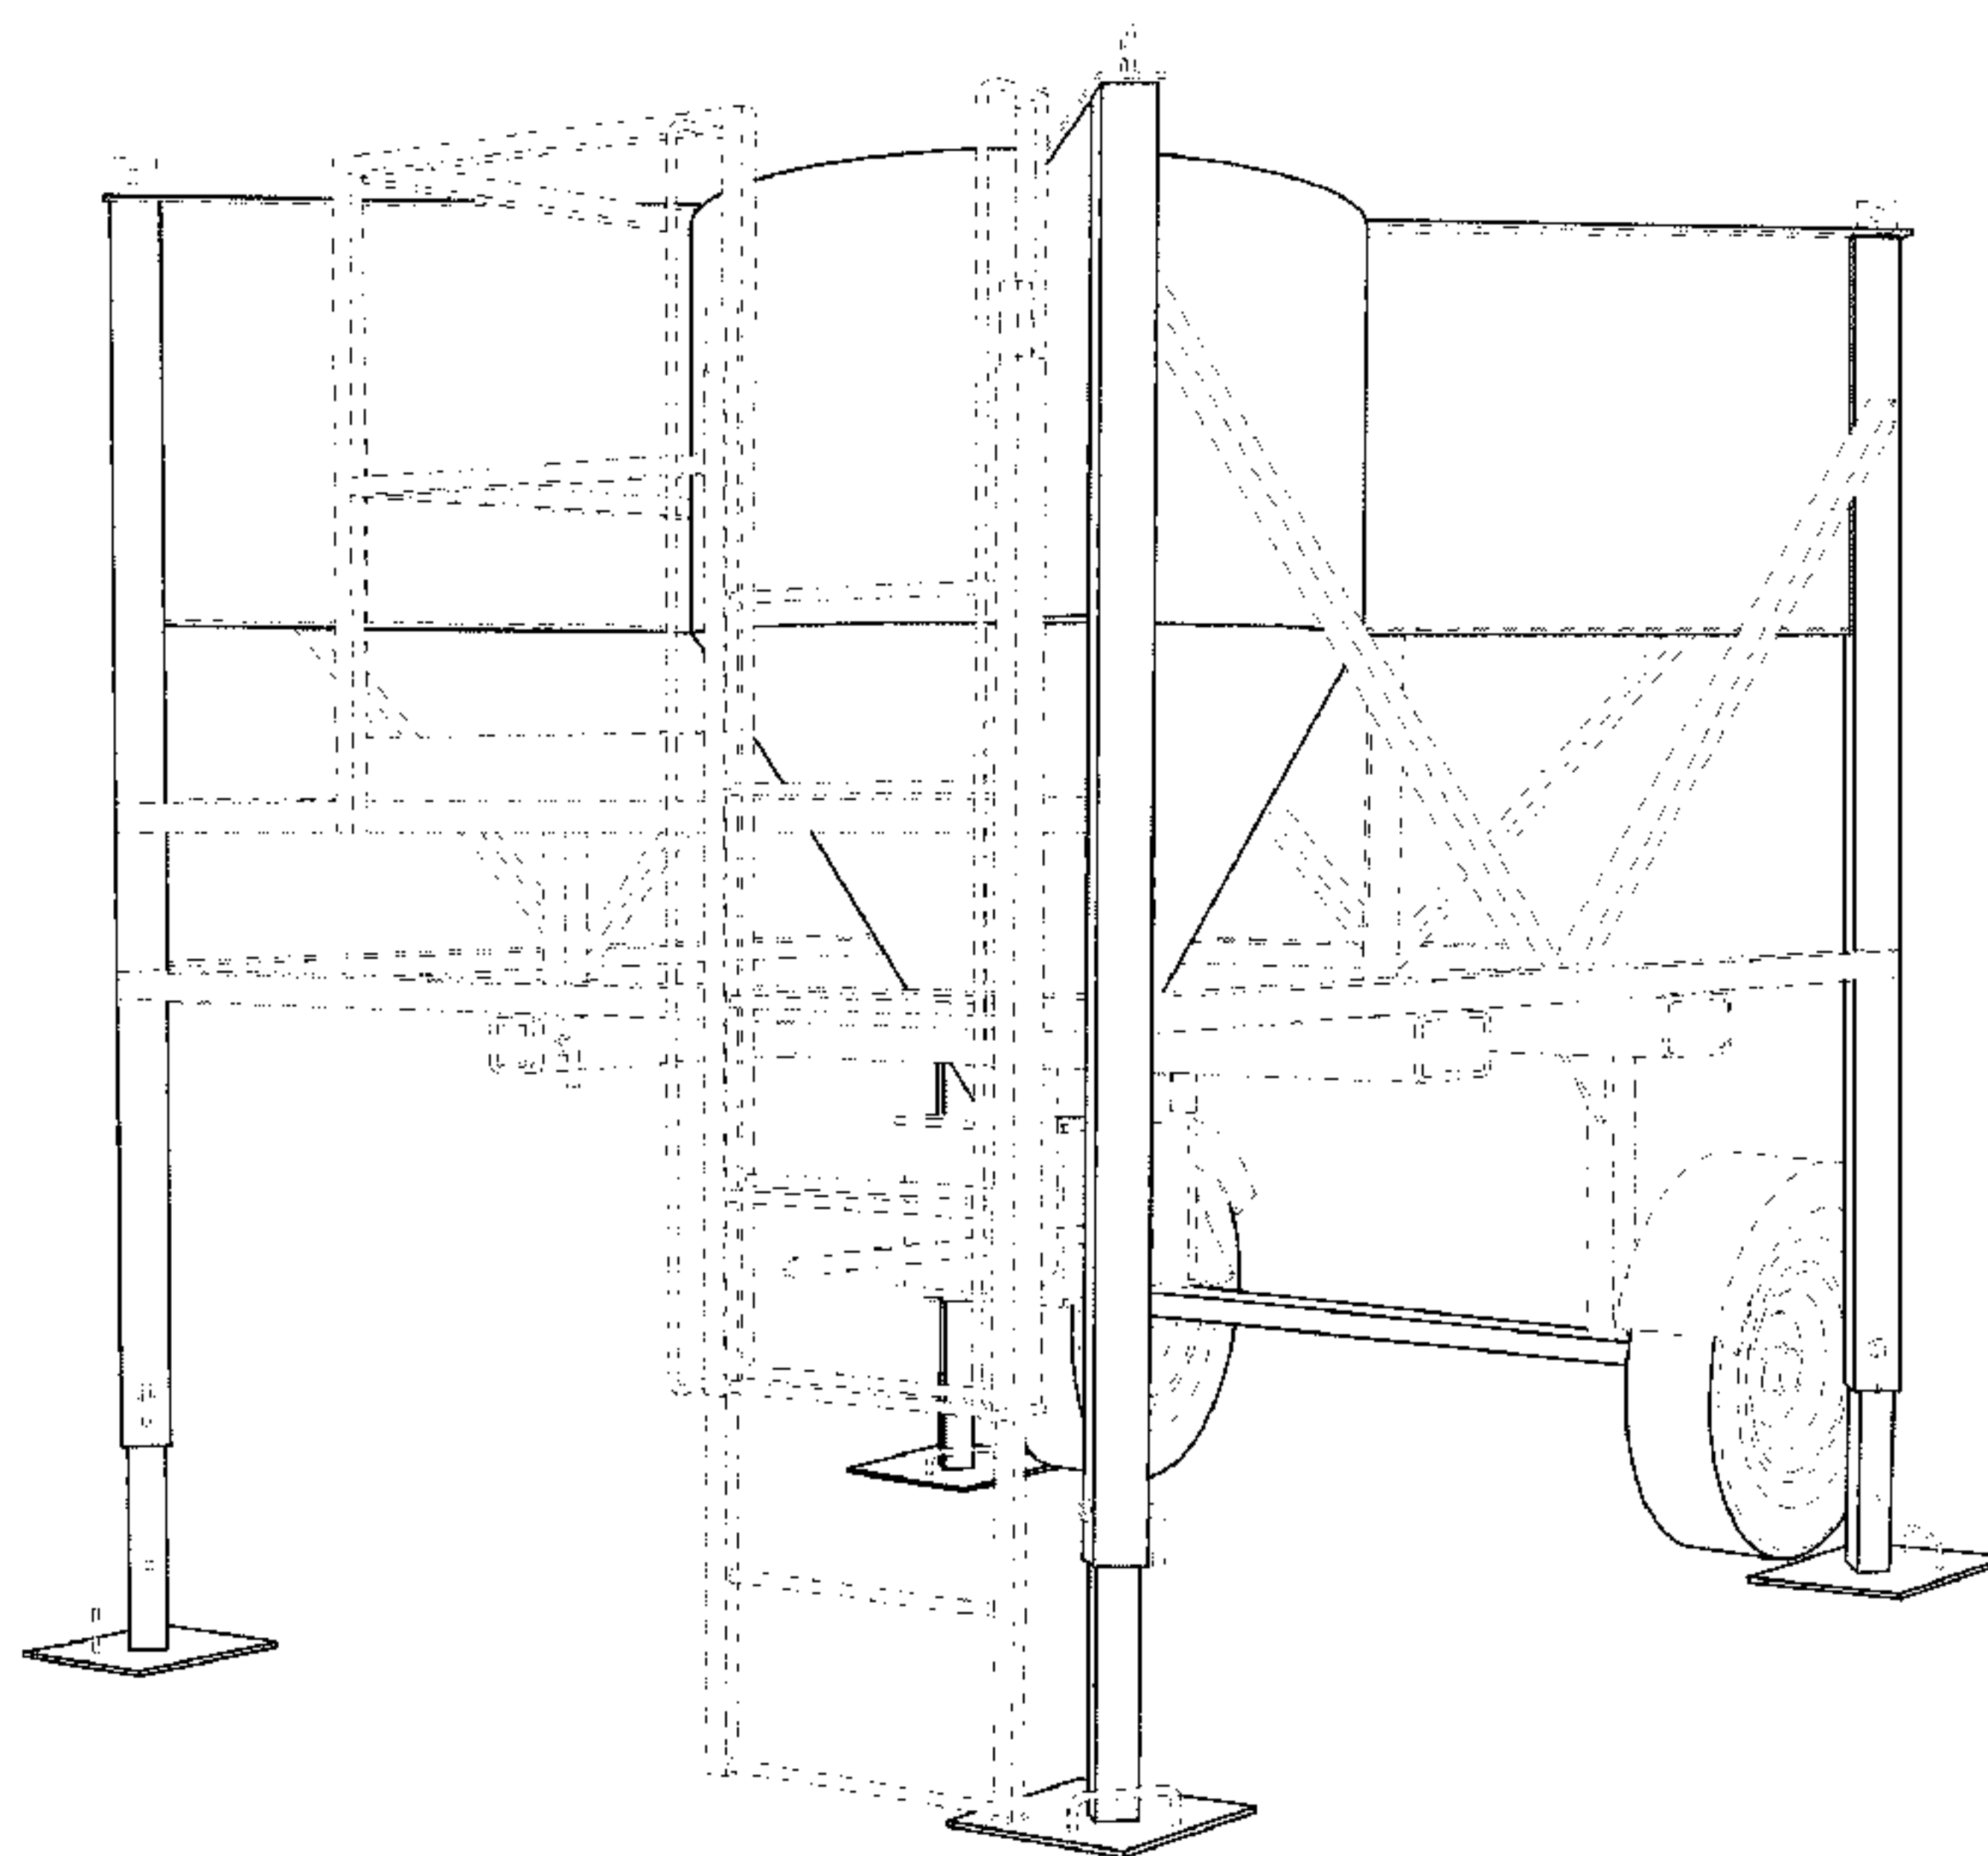

FIG. 2 is a front view thereof; and,

FIG. 3 is a side view thereof.

The second side view, the bottom view, the top view, and the rear view form no part of the claimed design.

The broken line showing of portions of the portable mortar hopper is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
