(57) **CLAIM**

The ornamental design for a tin can, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a Tin Can showing our new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view thereof; and,

FIG. 4 is a bottom plan view thereof.

The broken lines shown in the drawing disclosure are for illustrative purposes only and form no part of the claimed design. The innermost solid line of the top of the tin can defines the upper boundary of the claimed design. The dashed line shown in FIG. 3 defined the boundary of the claimed design of the bottom of the tin can.
