(57) **CLAIM**

The ornamental design for a light fixture, as shown and described.

DESCRIPTION

FIG. 1 is a bottom perspective view of a light fixture in accordance with my design, illustrating a first adjustable position of various portions of the light fixture;

FIG. 2 is a front elevation view of the light fixture in accordance with my design, illustrating a first adjustable position of various portions of the light fixture;

FIG. 3 is a back elevation view of the light fixture in accordance with my design, illustrating a first adjustable position of various portions of the light fixture;

FIG. 4 is a bottom plan view of the light fixture in accordance with my design, illustrating a first adjustable position of various portions of the light fixture; and,

FIG. 5 is a side elevation view of the light fixture in accordance with my design, illustrating a first adjustable position of various portions of the light fixture, the opposite view being a mirror image thereof.

The broken lines showing environmental structure are for illustrative purposes only and form no part of the claimed design.
