(57) **CLAIM**

We claim the ornamental design for a hook-latching device
for anti-snag triggerable fishing lure, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a hook-latching device for
anti-snag triggerable fishing lure showing our new design;

FIG. 2 is a front elevational view thereof, the rear elevational
view being identical thereto; the broken lines depict environ-
mental structure for illustrative purposes only and form no
part of the claimed design;

FIG. 3 is a side elevational view thereof, the elevational view
of the opposing side being identical thereto;

FIG. 4 is a top plan view thereof

FIG. 5 is a bottom plan view thereof

FIG. 6 is a side elevation view shown on a reduced scale; and,

FIG. 7 is an opposite side elevation view shown on a reduced
scale, the broken line showing being for illustrative purposes
only and forming no part of the claimed design.
