(57) **CLAIM**

The ornamental design for an anchor fitting tool, as shown and described.

DESCRIPTION

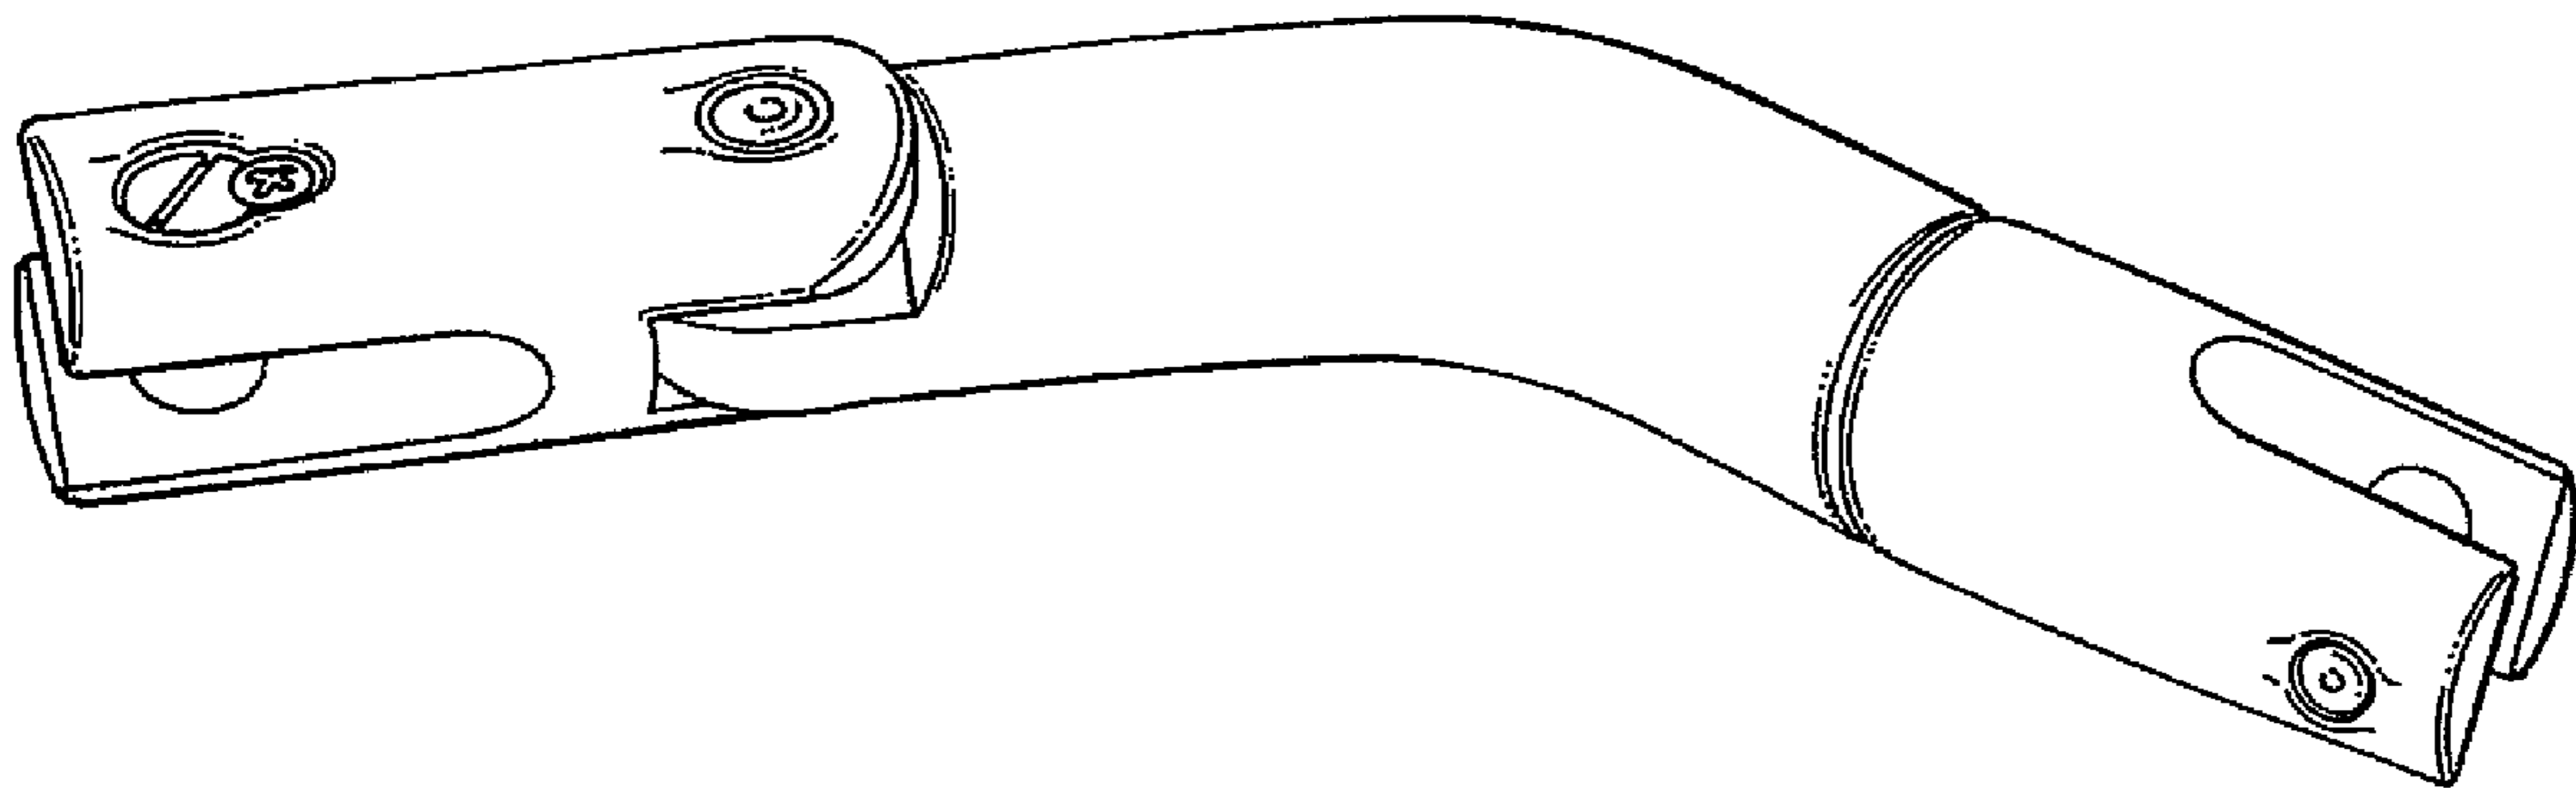

FIG. 1 is a front, top perspective view of a tool according to the present invention, in which a right coupling is in an aligned configuration with respect to the body.

FIG. 2 is a rear elevation view thereof, in which the right coupling is angled with respect to the body; and,

FIG. 3 is a rear, top perspective view thereof, in which the right coupling is angled with respect to the body.

The broken lines in the figures are for illustrative purposes only and form no part of the claimed design.
