(57) **CLAIM**

The ornamental design for an aircraft window, as shown and  
described.

**DESCRIPTION**

FIG. 1 is a front and right side perspective view of an aircraft  
window according to my new design; and,

FIG. 2 is a front elevation view thereof.

Throughout the Figures, broken lines showing structure are  
for illustrative purposes only and form no part of the claimed  
design. Portions of the article not shown in the drawings form  
no part of the claimed design.
