(57) **CLAIM**

The ornamental design for a vehicle hood, shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a vehicle hood;  
FIG. 2 is left side elevational view of the vehicle hood;  
FIG. 3 is right side elevational view of the vehicle hood;  
FIG. 4 is a top plan view of the vehicle hood;  
FIG. 5 is a bottom plan view of the vehicle hood; and,  
FIG. 6 is rear elevational view of the vehicle hood.

The vehicle hood is styled independently of adjacent vehicle panels. Shading is used to illustrate the curvature of the part and not color. Any functional features of the vehicle hood are not claimed. Views are orthogonal projections rendered from computer aided design data. The various views are not necessarily to scale in order to better illustrate the design.
