(57) **CLAIM**

The ornamental design for the personal video display device, as shown and described herein.

**DESCRIPTION**

FIG. 1 is a perspective view of the personal video display device according to a preferred embodiment of the invention.

FIG. 2 is a front elevation view of the personal video display device of FIG. 1.

FIG. 3 is a rear elevation view of the personal video display device of FIG. 1.

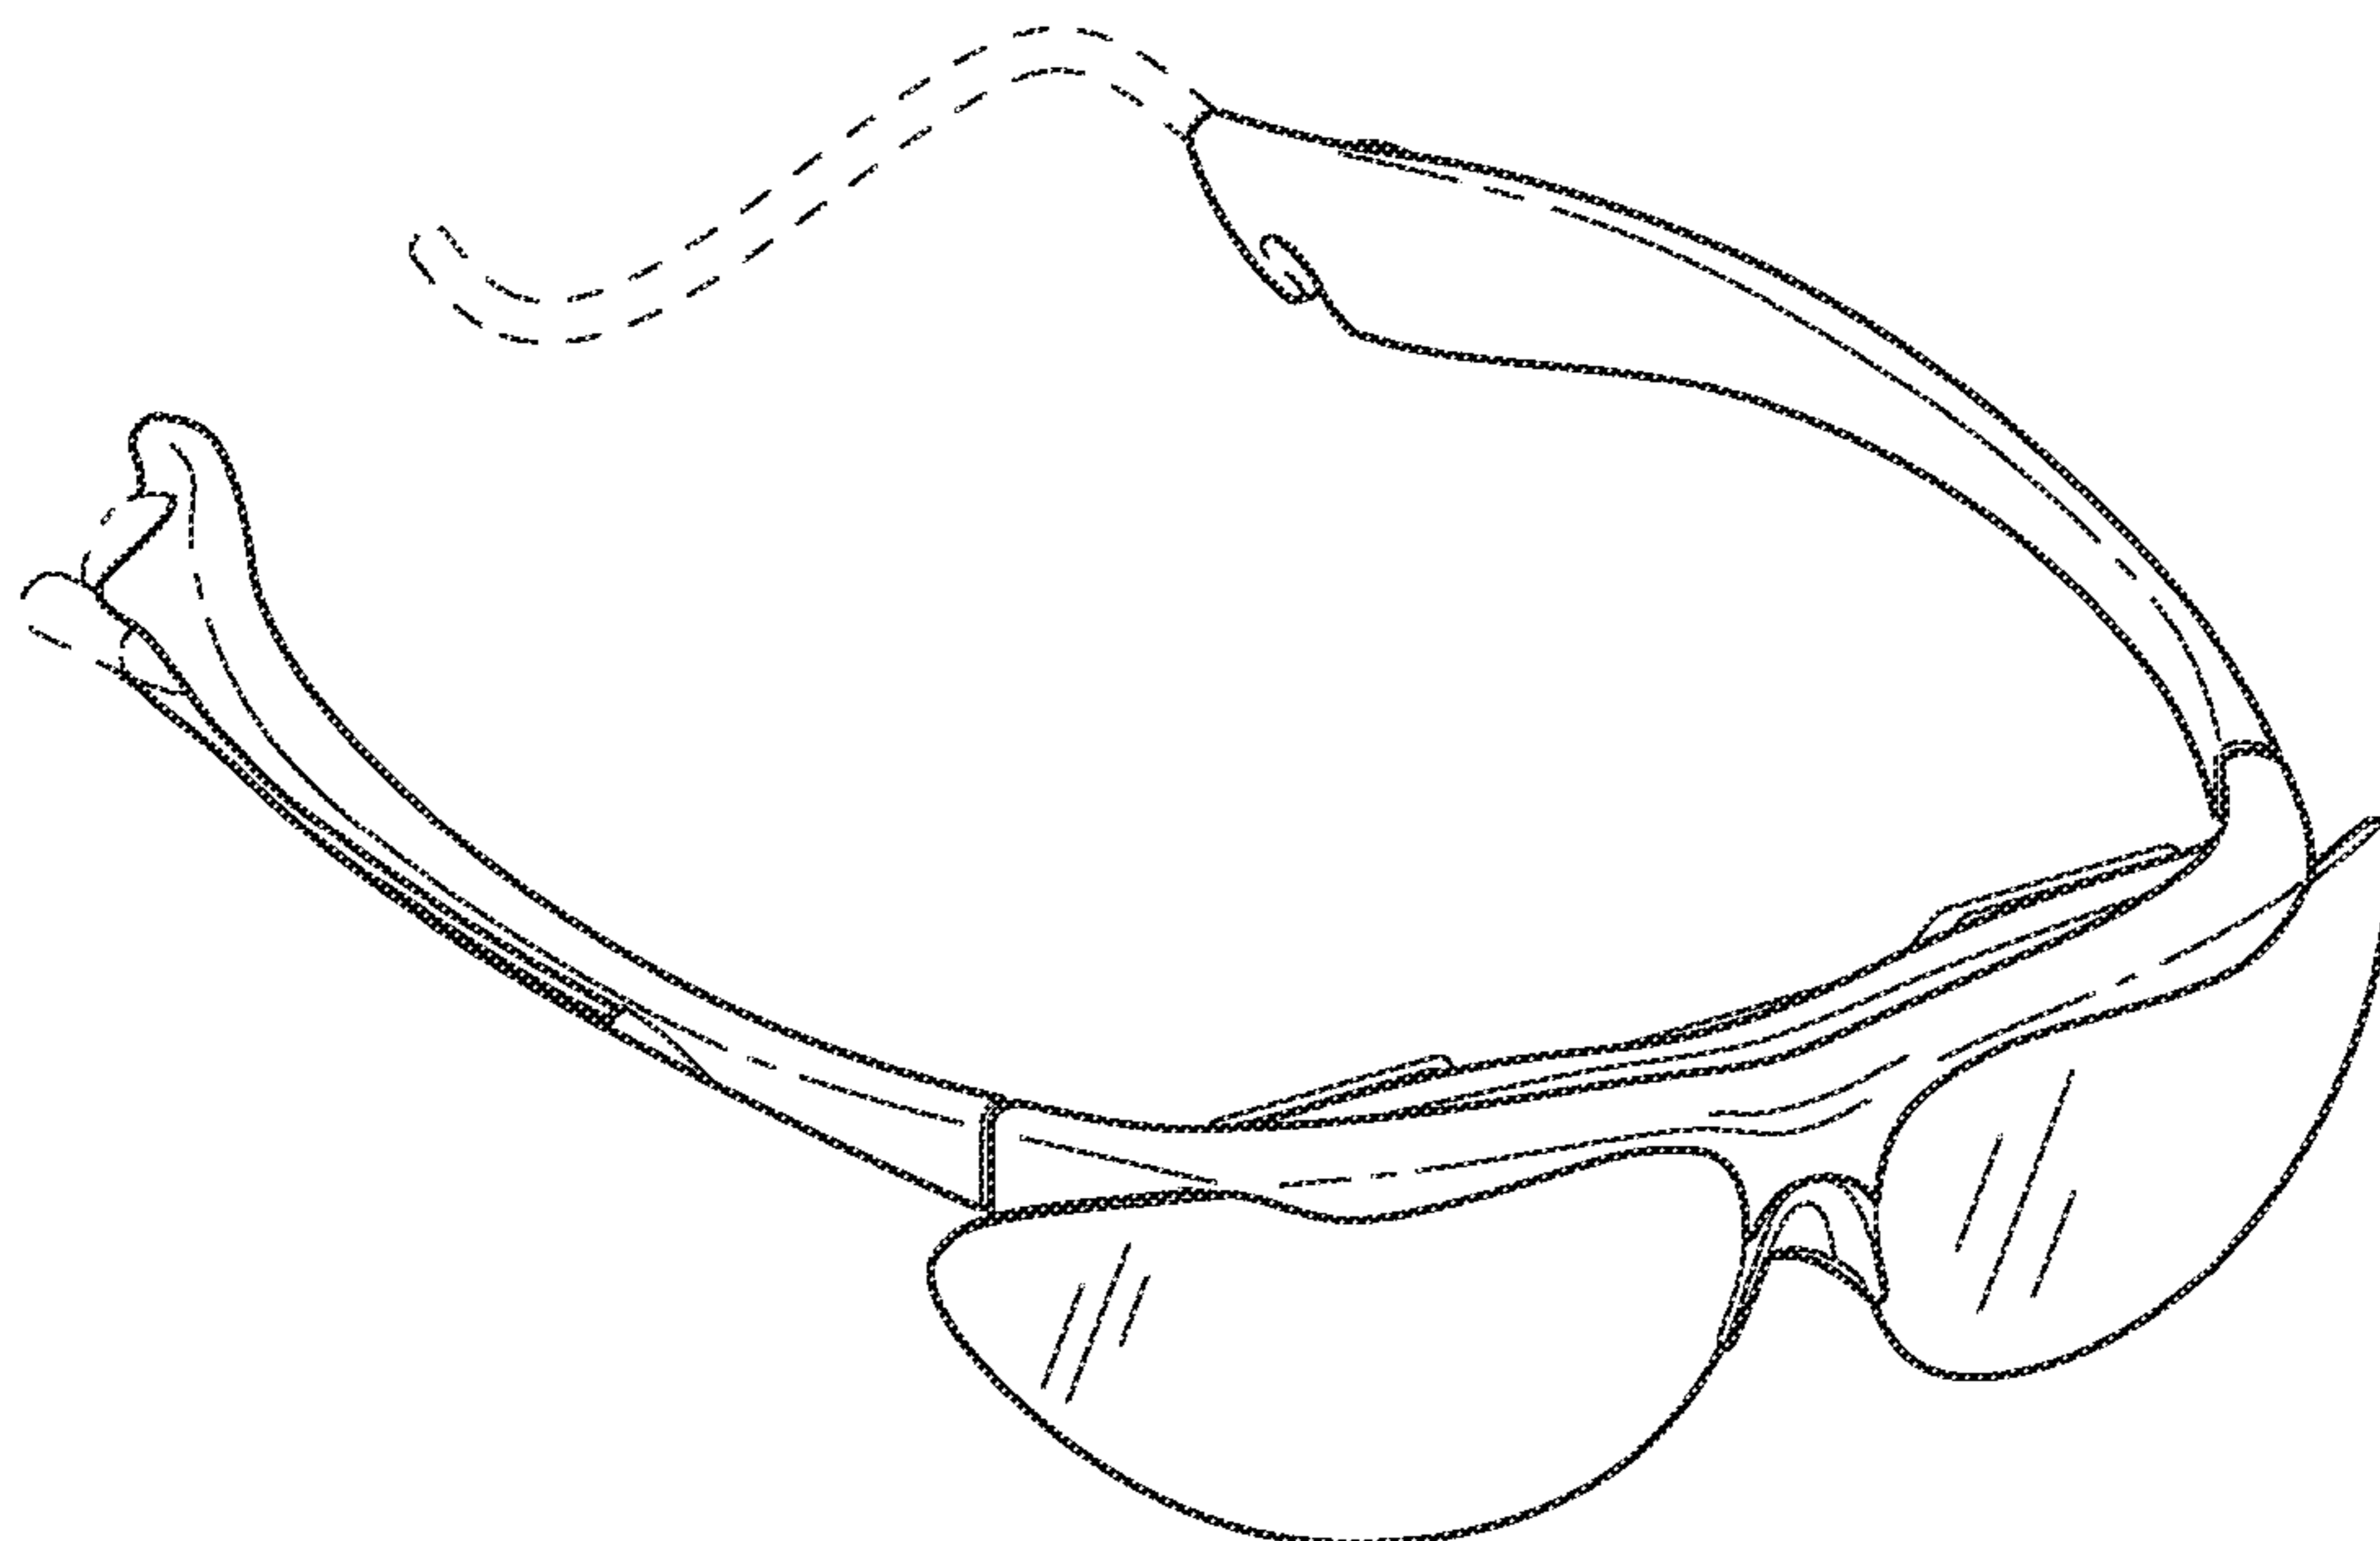

FIG. 4 is a side elevation view of the personal video display device of FIG. 1, the opposite side elevation view being a mirror image thereof.

FIG. 5 is a top plan view of the personal video display device of FIG. 1; and,

FIG. 6 is a rear perspective view of the personal video display device of FIG. 1.

Throughout the Figures, dotted lines are used to show elements that provide environment for what is claimed and/or portions of the assembly that are not part of the claimed subject matter. The elements shown in dotted lines are not part of the claimed invention.
