(57) **CLAIM**

We claim the ornamental design for a navigation row for a
hand-held electronic device, as shown and described.

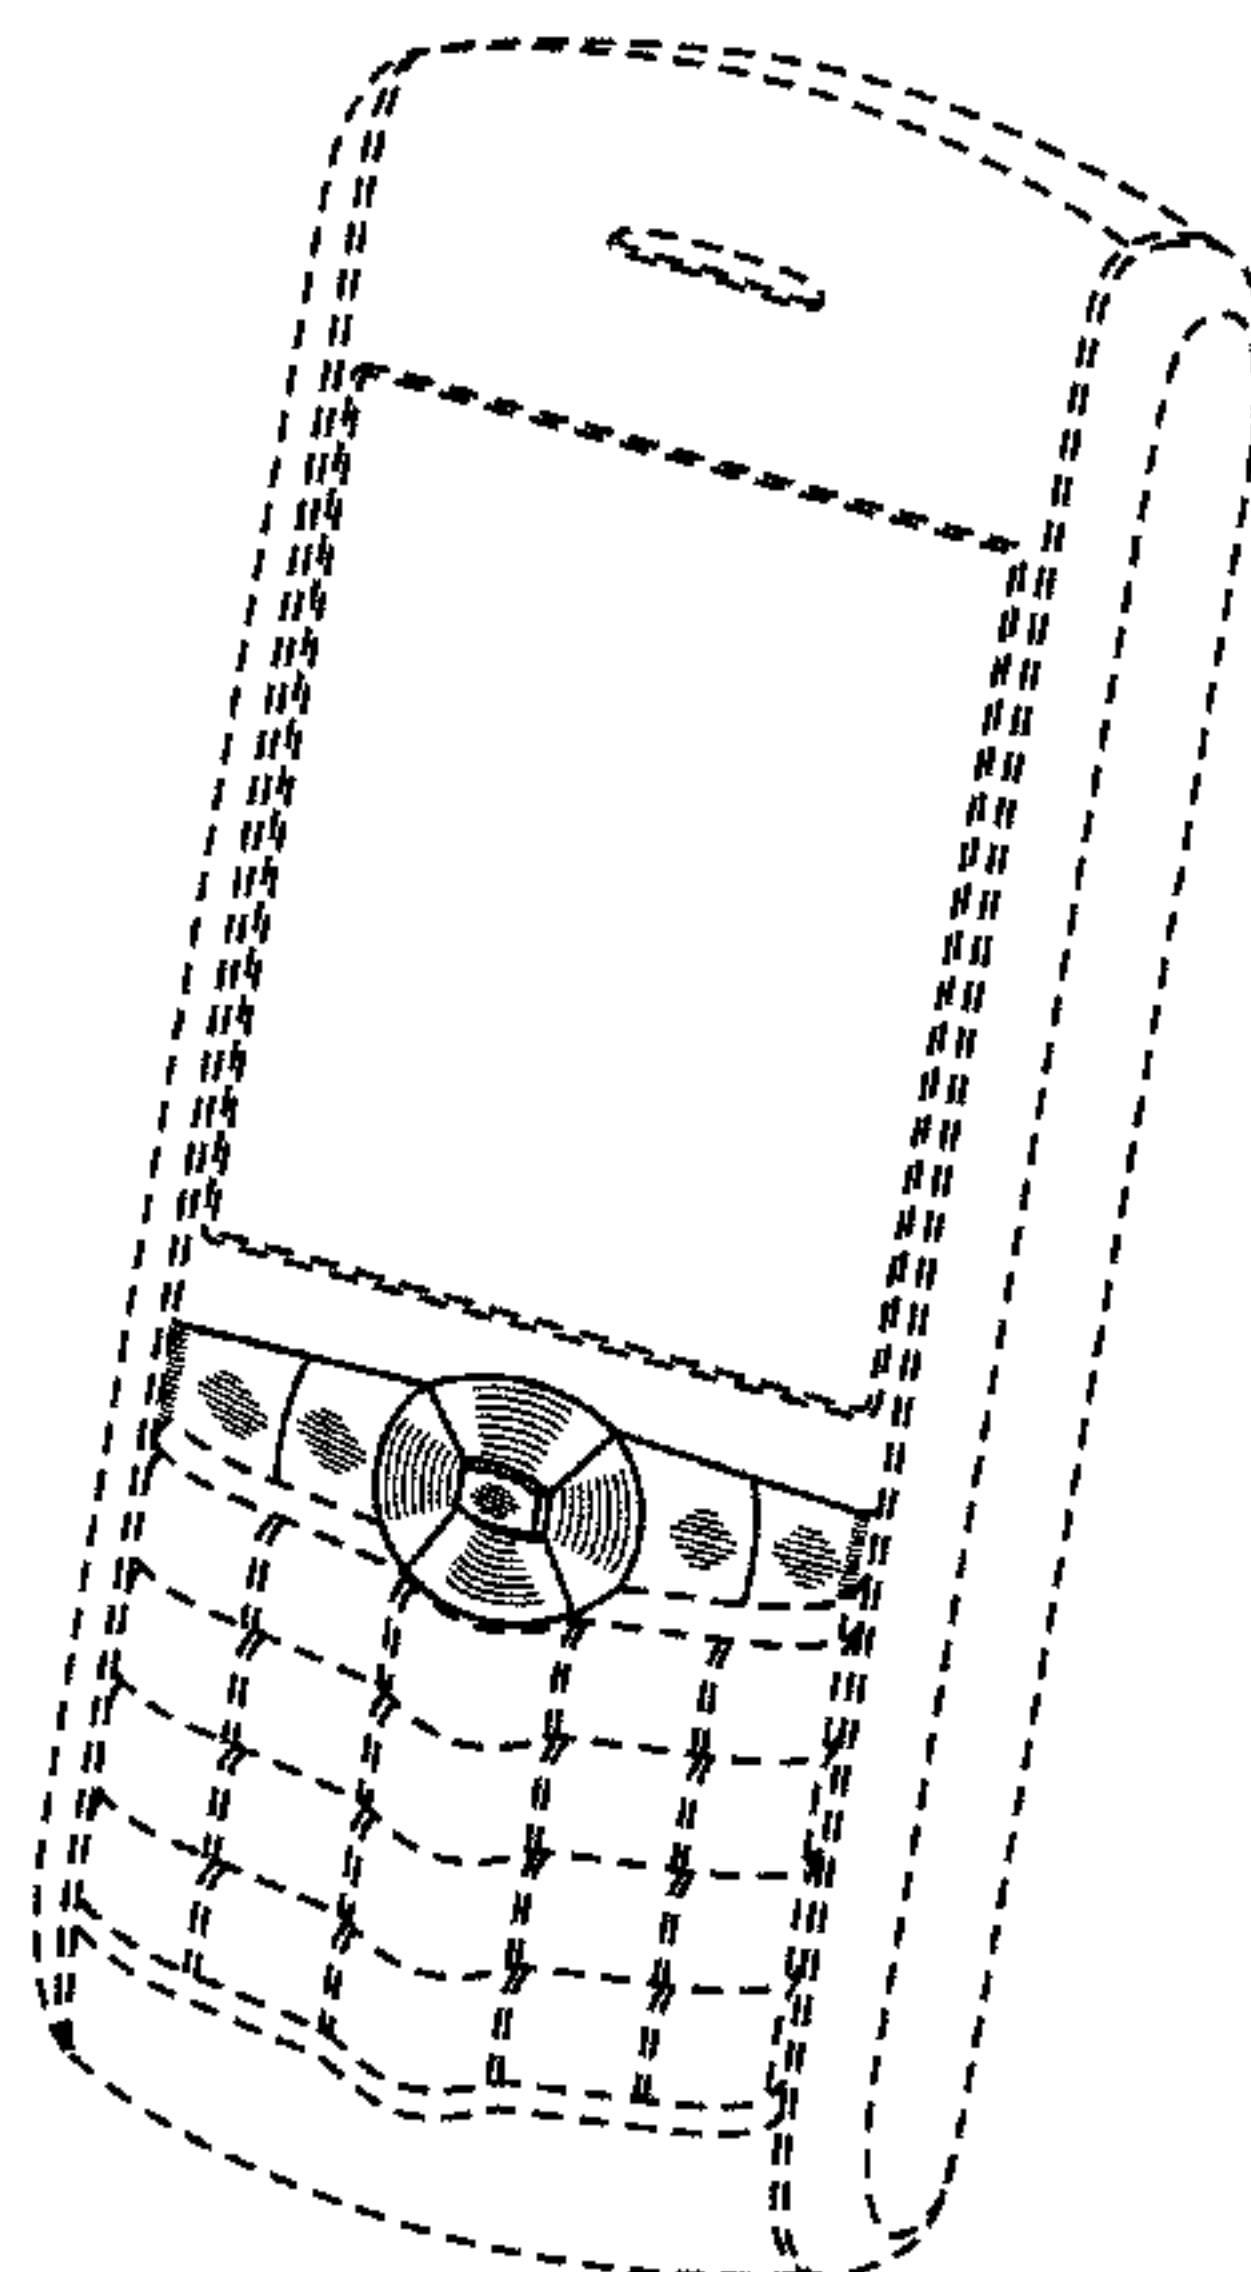

DESCRIPTION

FIG. 1 is a front perspective view of a navigation row for a
hand-held electronic device; and,

FIG. 2 is a front elevational view thereof.

The portions of the hand-held electronic device, including
portions of the keypad, shown in broken lines are included for
the purpose of illustrating environment and form no part of
the claimed design. The broken lines immediately adjacent to
the left, right and bottom of the navigation row keys form an
unclaimed boundary.
