(57) **CLAIM**

The ornamental design for a label for vehicle battery, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the present new design for a label for vehicle battery applied to an exemplary vehicle battery which is illustrated in dashed lines and forms no part of the claimed design;

FIG. 2 is a reduced scale front perspective view thereof applied to a different location on an exemplary vehicle battery which is illustrated in dashed lines and forms no part of the claimed design; and,

FIG. 3 is a front view thereof illustrating how the label for vehicle battery appears in isolation and not applied to an article.
