(57) **CLAIM**

The ornamental design for a portable tool storage and organizer table for painting and wallpapering, as shown and described.

**DESCRIPTION**

FIG. 1 is a left front perspective view of the portable tool storage and organizer for painting and wall papering showing my new design;

FIG. 2 is a rear perspective view of the table of FIG. 1;

FIG. 3 is a front perspective view of the table of FIG. 1 with a cover in place over the right half of the table;

FIG. 4 is a rear perspective view of the table of FIG. 1 showing top covers in place over both the left and right sides of the table;

FIG. 5 is a front perspective view of the table of FIG. 1 showing the covers in an alternative position;

FIG. 6 is a rear perspective view of the table of FIG. 5 showing the right side thereof with the covers in an alternate position;

FIG. 7 is an enlarged top plan view of the table shown in FIG. 1;

FIG. 8 is a bottom plan view of the table of my invention;

FIG. 9 is a front elevational view of the table of my invention;

FIG. 10 is a rear elevational view of the table of my invention;

FIG. 11 is a right side elevational view of the table of my invention with the right side top cover in place as in FIG. 4;

FIG. 12 is a left side elevational view of the table of my invention in a partially collapsed configuration, with the left side top cover in place as in FIG. 4;

FIG. 13 is a rear perspective view of the table of my invention in a partially collapsed configuration with the covers in place.

FIG. 14 is a right side perspective view of the table of my invention in a fully collapsed position; and,

FIG. 15 is a left side perspective view of the table shown in FIG. 14 in a fully collapsed position.
