(57) **CLAIM**

The ornamental design for a vehicle front fender extension, shown and described.

DESCRIPTION

FIG. 1 is a left elevational view of the vehicle front fender extension;

FIG. 2 is a front elevational view of the vehicle front fender extension;

FIG. 3 is a rear elevational view of the vehicle front fender extension;

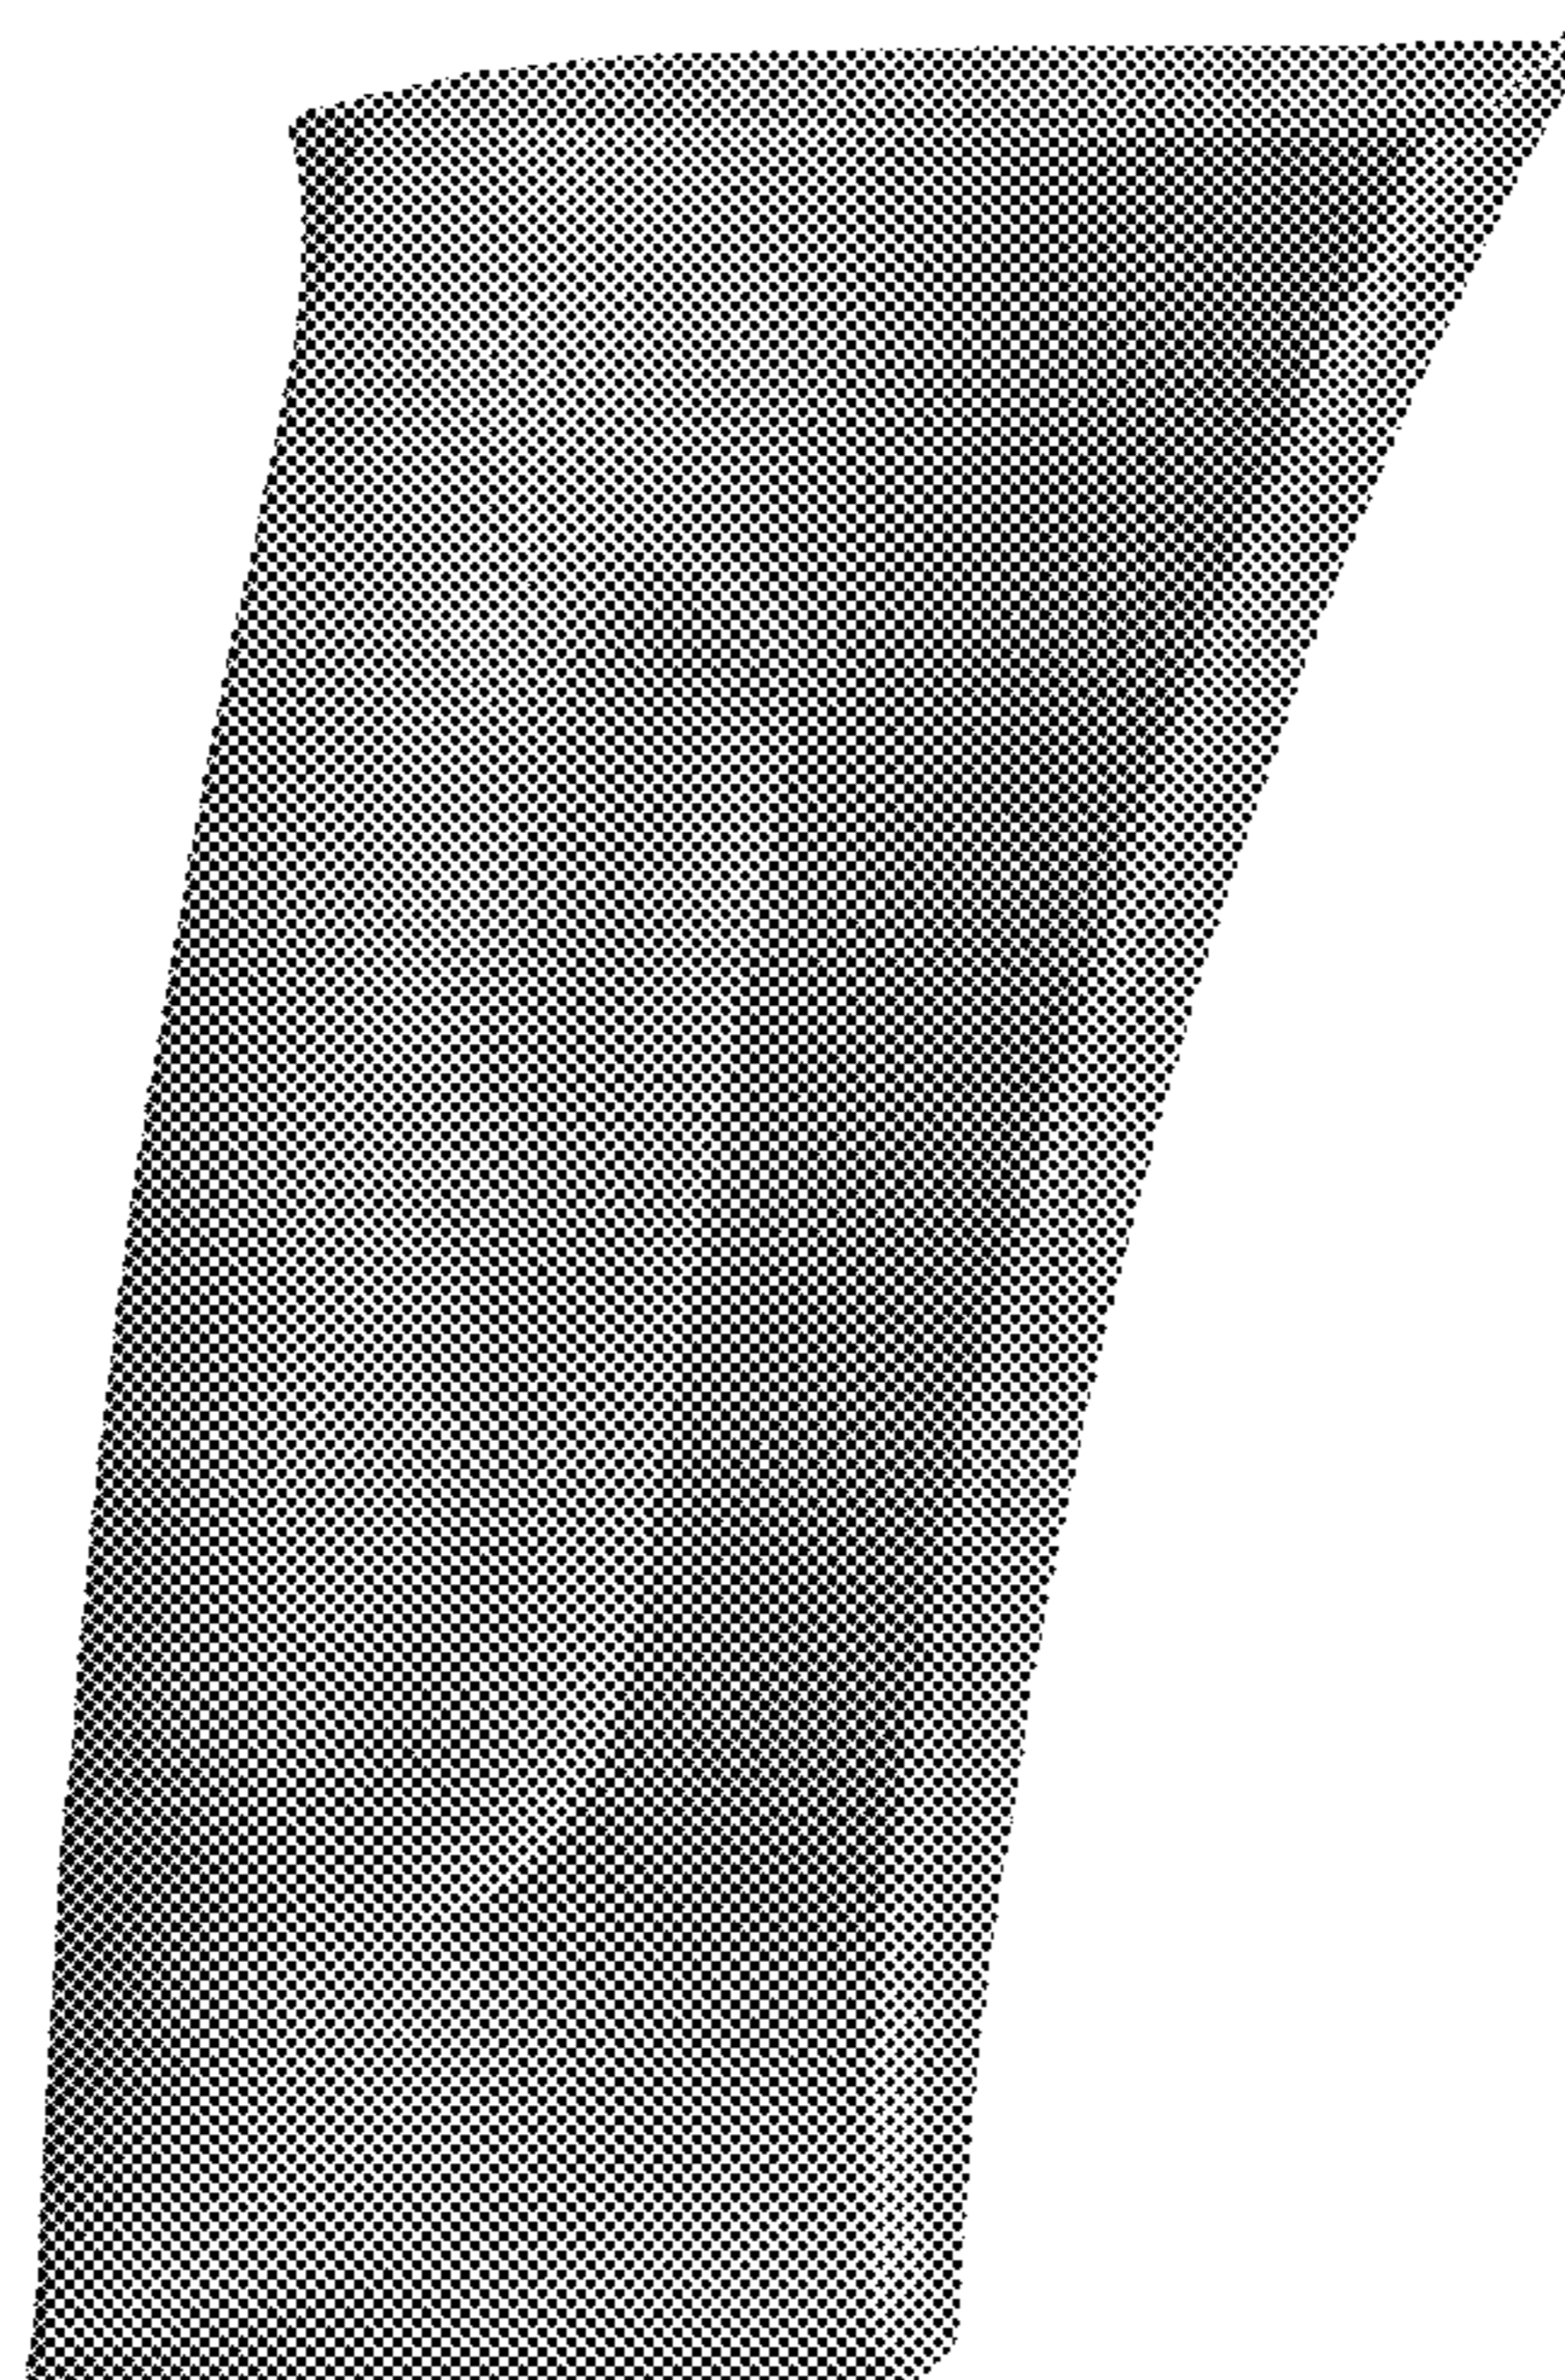

FIG. 4 is a right elevational view of the vehicle front fender extension;

FIG. 5 is a top plan view of the vehicle front fender extension; and,

FIG. 6 is a bottom plan view of the vehicle front fender extension.

The vehicle front fender extension is styled independently of adjacent vehicle panels. Shading is used to illustrate the curvature of the part and not color. Any functional features of the vehicle front fender extension are not claimed. Views are orthogonal projections rendered from computer aided design data. The various views are not necessarily to scale in order to better illustrate the design.
