(57) **CLAIM**

We claim the ornamental design for a graphical user interface for a display screen, as shown and described.

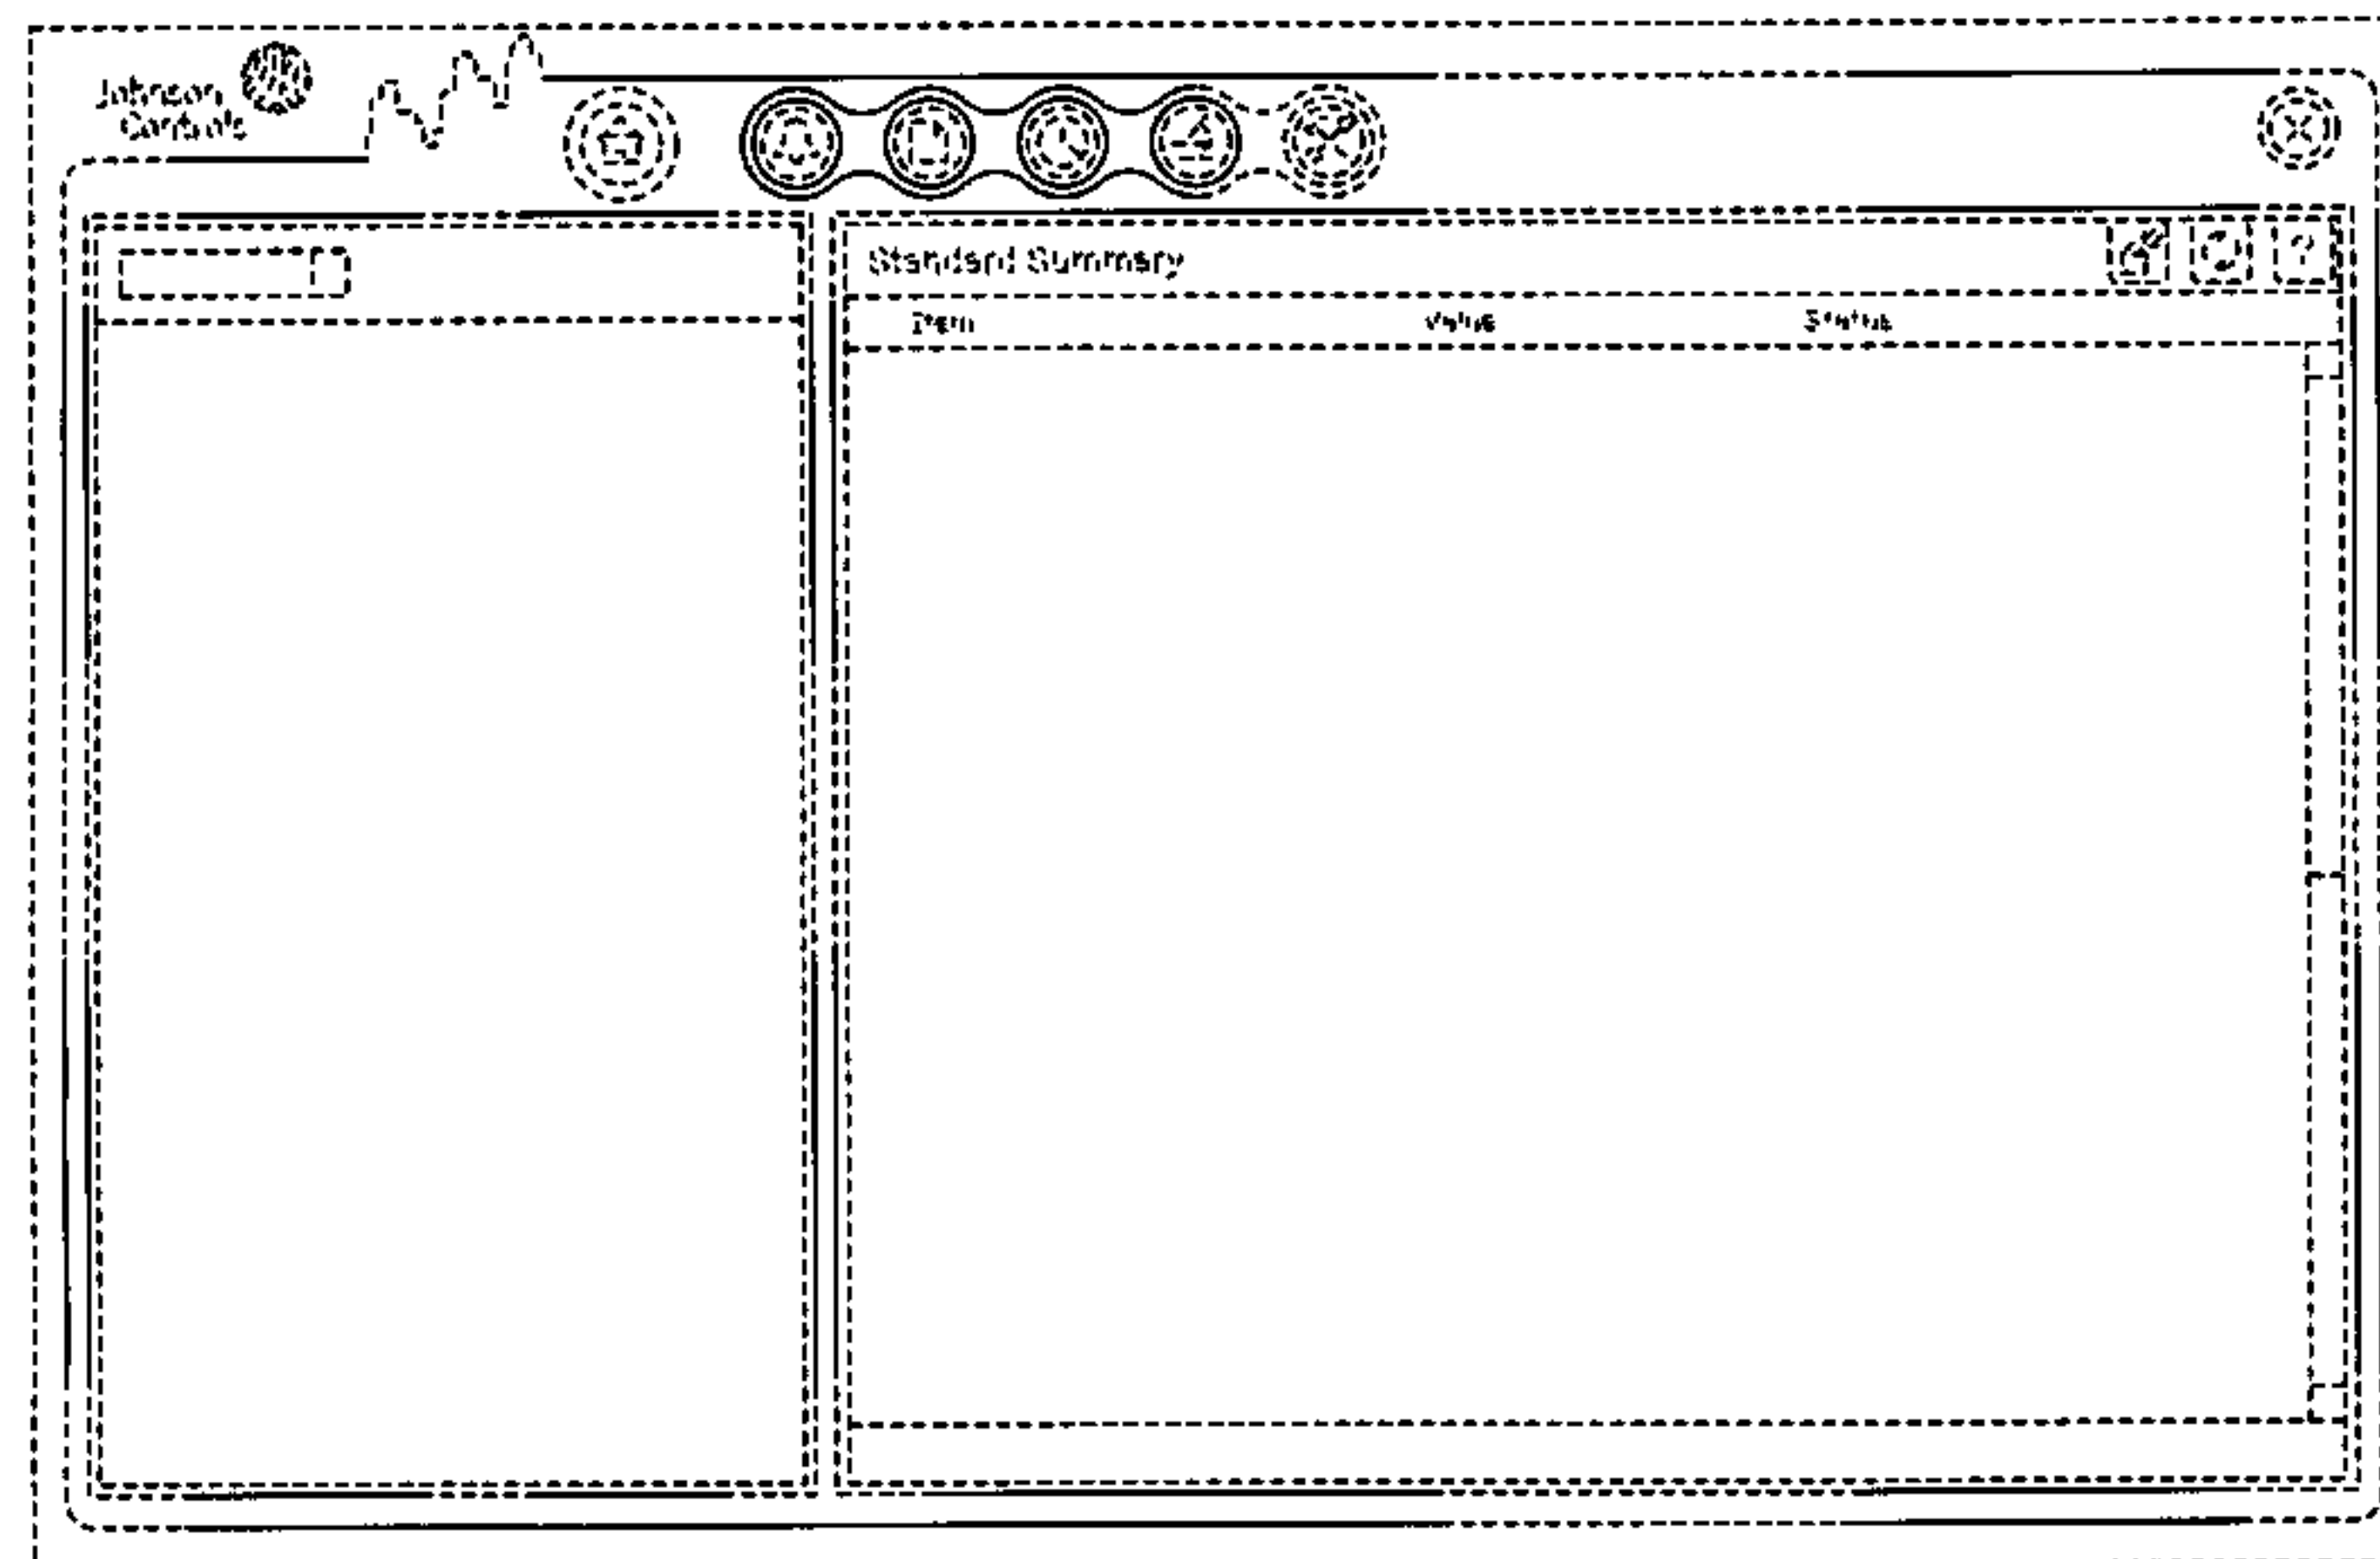

**DESCRIPTION**

FIG. 1 is a front view of the graphical user interface for a display screen, shown without the display screen for ease of illustration; and,

FIG. 2 is an additional front view of the graphical user interface for a display screen.

The ornamental design which is claimed is shown in solid lines in the drawings. The broken lines in the drawings are for illustrative purposes only and form no part of the claimed design.
