(57) **CLAIM**

The ornamental design for a chaff cutting blade for a rotary cutting machine or the like, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a chaff cutting blade for a rotary cutting machine or the like, according to the present invention;

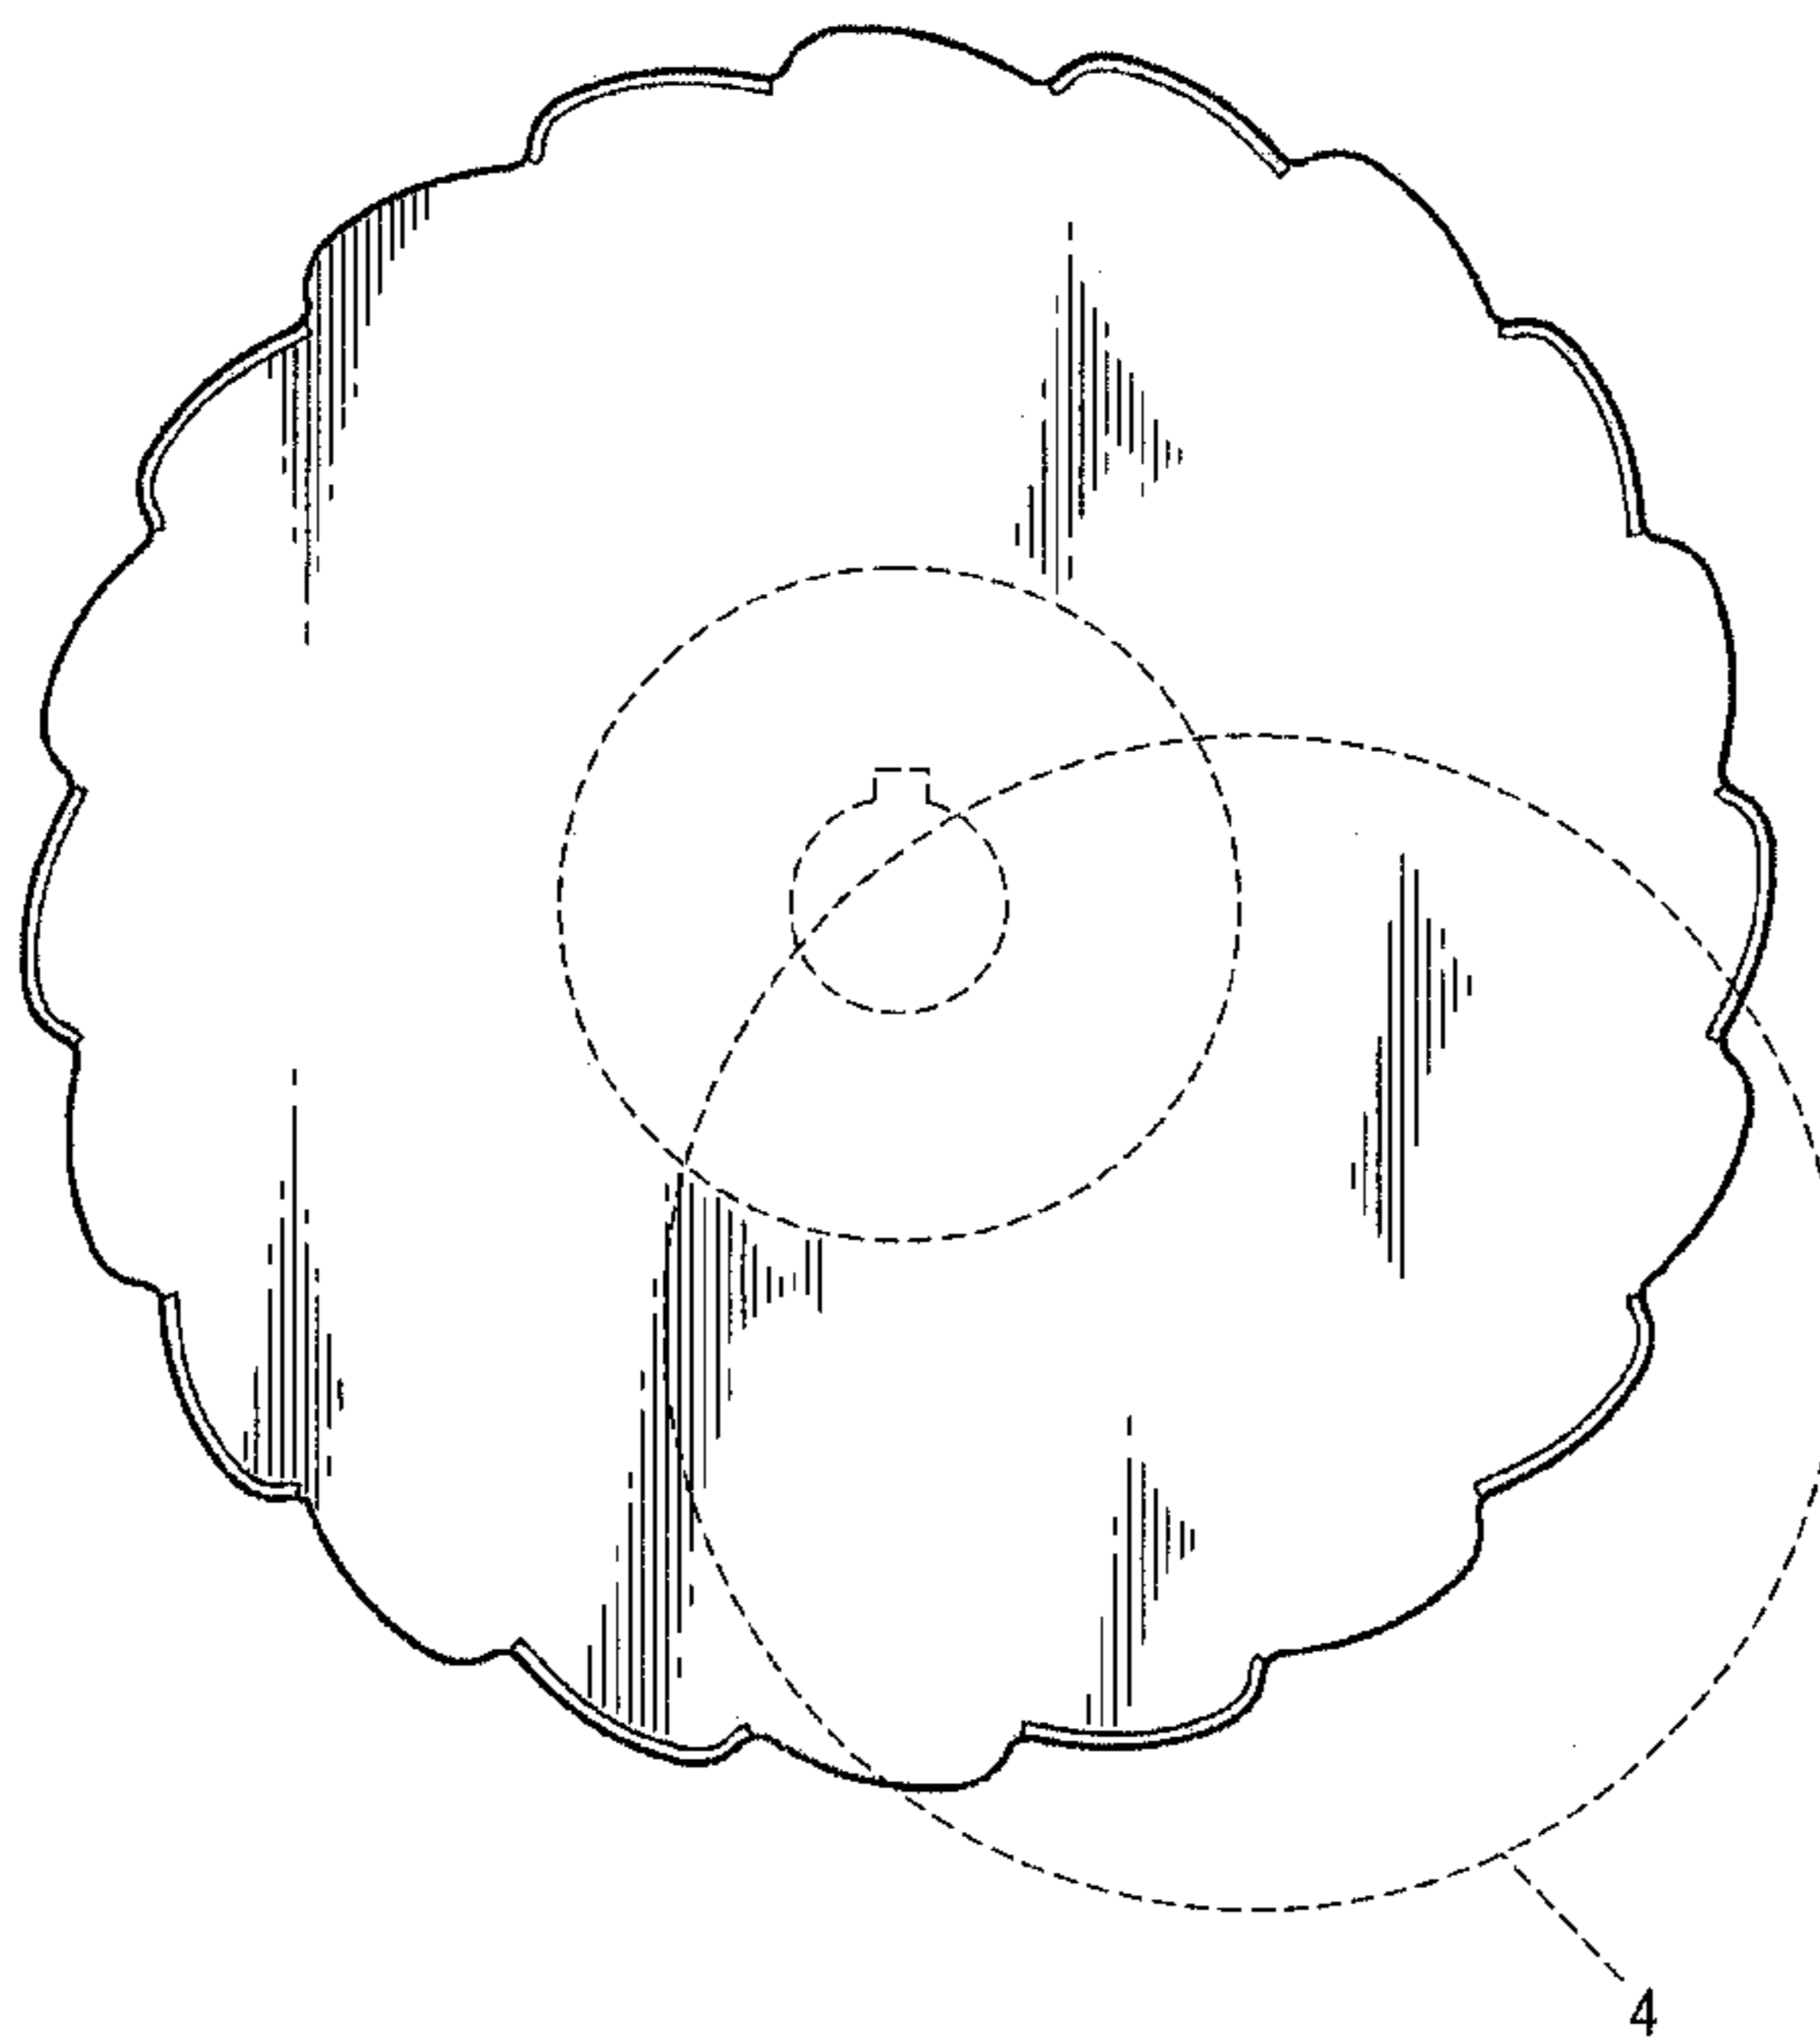

FIG. 2 is a rear elevational view thereof;

FIG. 3 is a right side elevational view of FIG. 1; and,

FIG. 4 is a partial, perspective, fragmented view of the chaff cutting blade for a rotary cutting machine or the like, shown in FIG. 1.

The details shown in dotted lines are for illustrative purposes only and form no part of the claimed ornamental design.
