(57) **CLAIM**

The ornamental design for cross integration clip for ammunition magazines, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of the cross integration clip for ammunition magazines, the back elevation view being identical.

FIG. 2 is a right side elevation view of the cross integration clip for ammunition magazines, the left side elevation view being identical.

FIG. 3 is a bottom plan view of the cross integration clip for ammunition magazines.

FIG. 4 is a top plan view of the cross integration clip for ammunition magazines; and,

FIG. 5 is a front isometric view of the cross integration clip for ammunition magazines, the back isometric view being identical.
