(57) **CLAIM**

The ornamental design for, a lamp for an automobile, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of a lamp for an automobile according to my new design, shown as it appears when in the 'on' condition;

FIG. 2 is a top plan view thereof;

FIG. 3 is a top perspective view thereof;

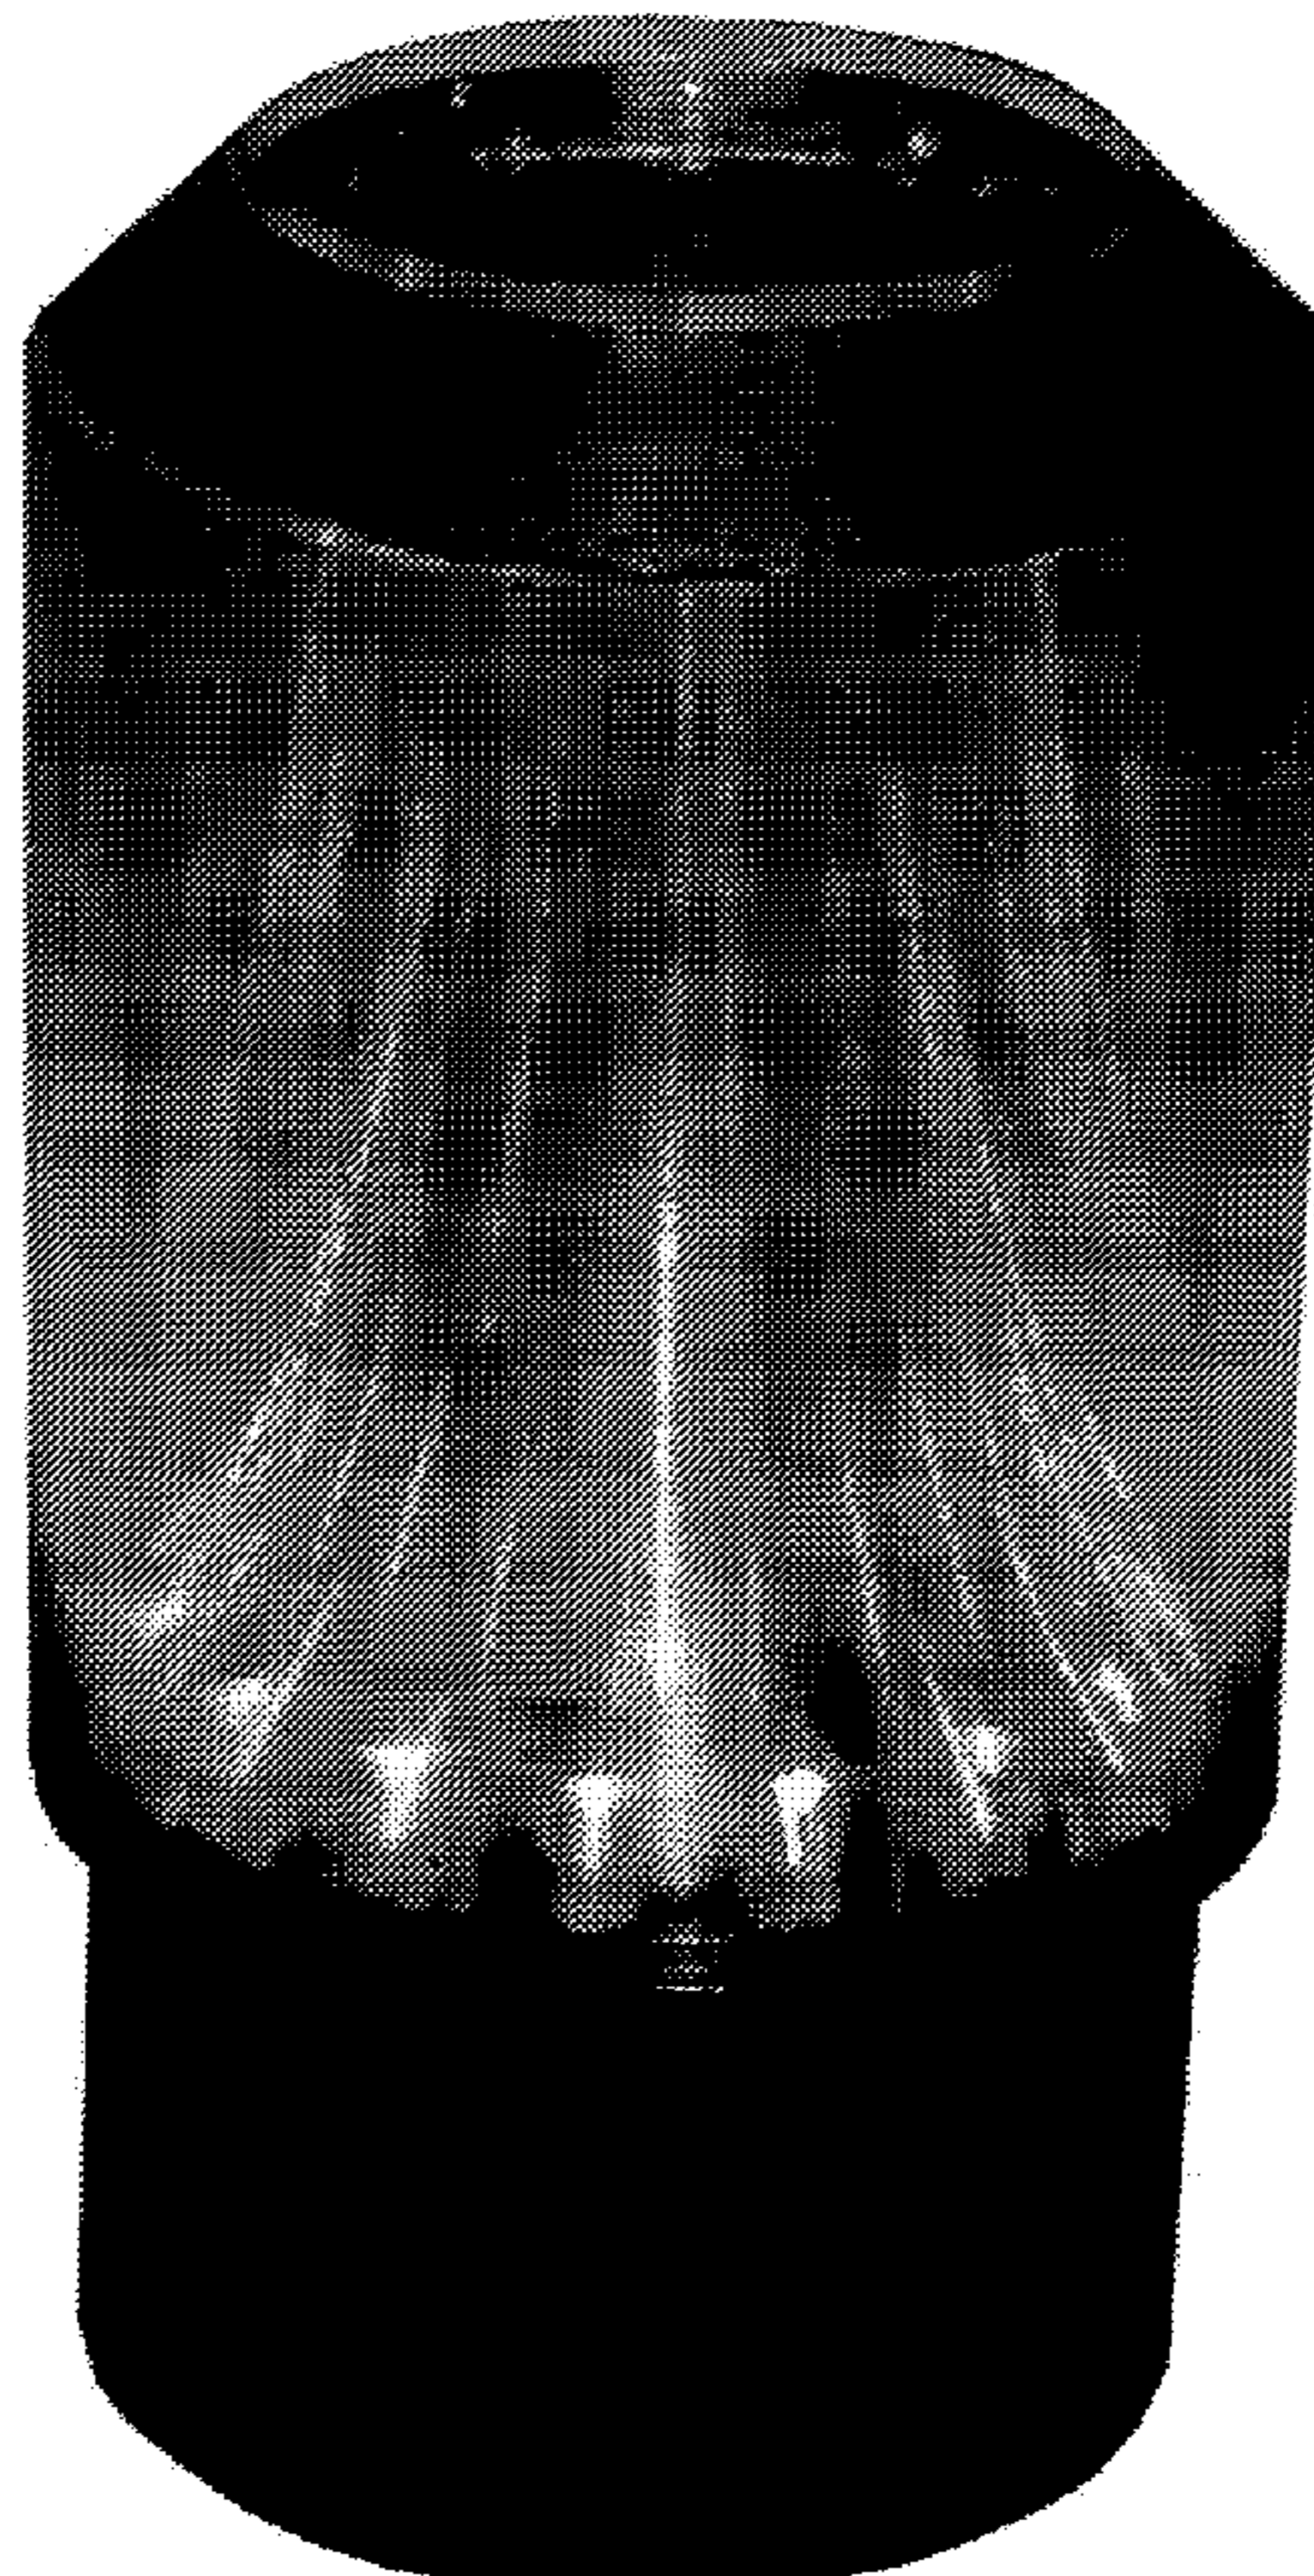

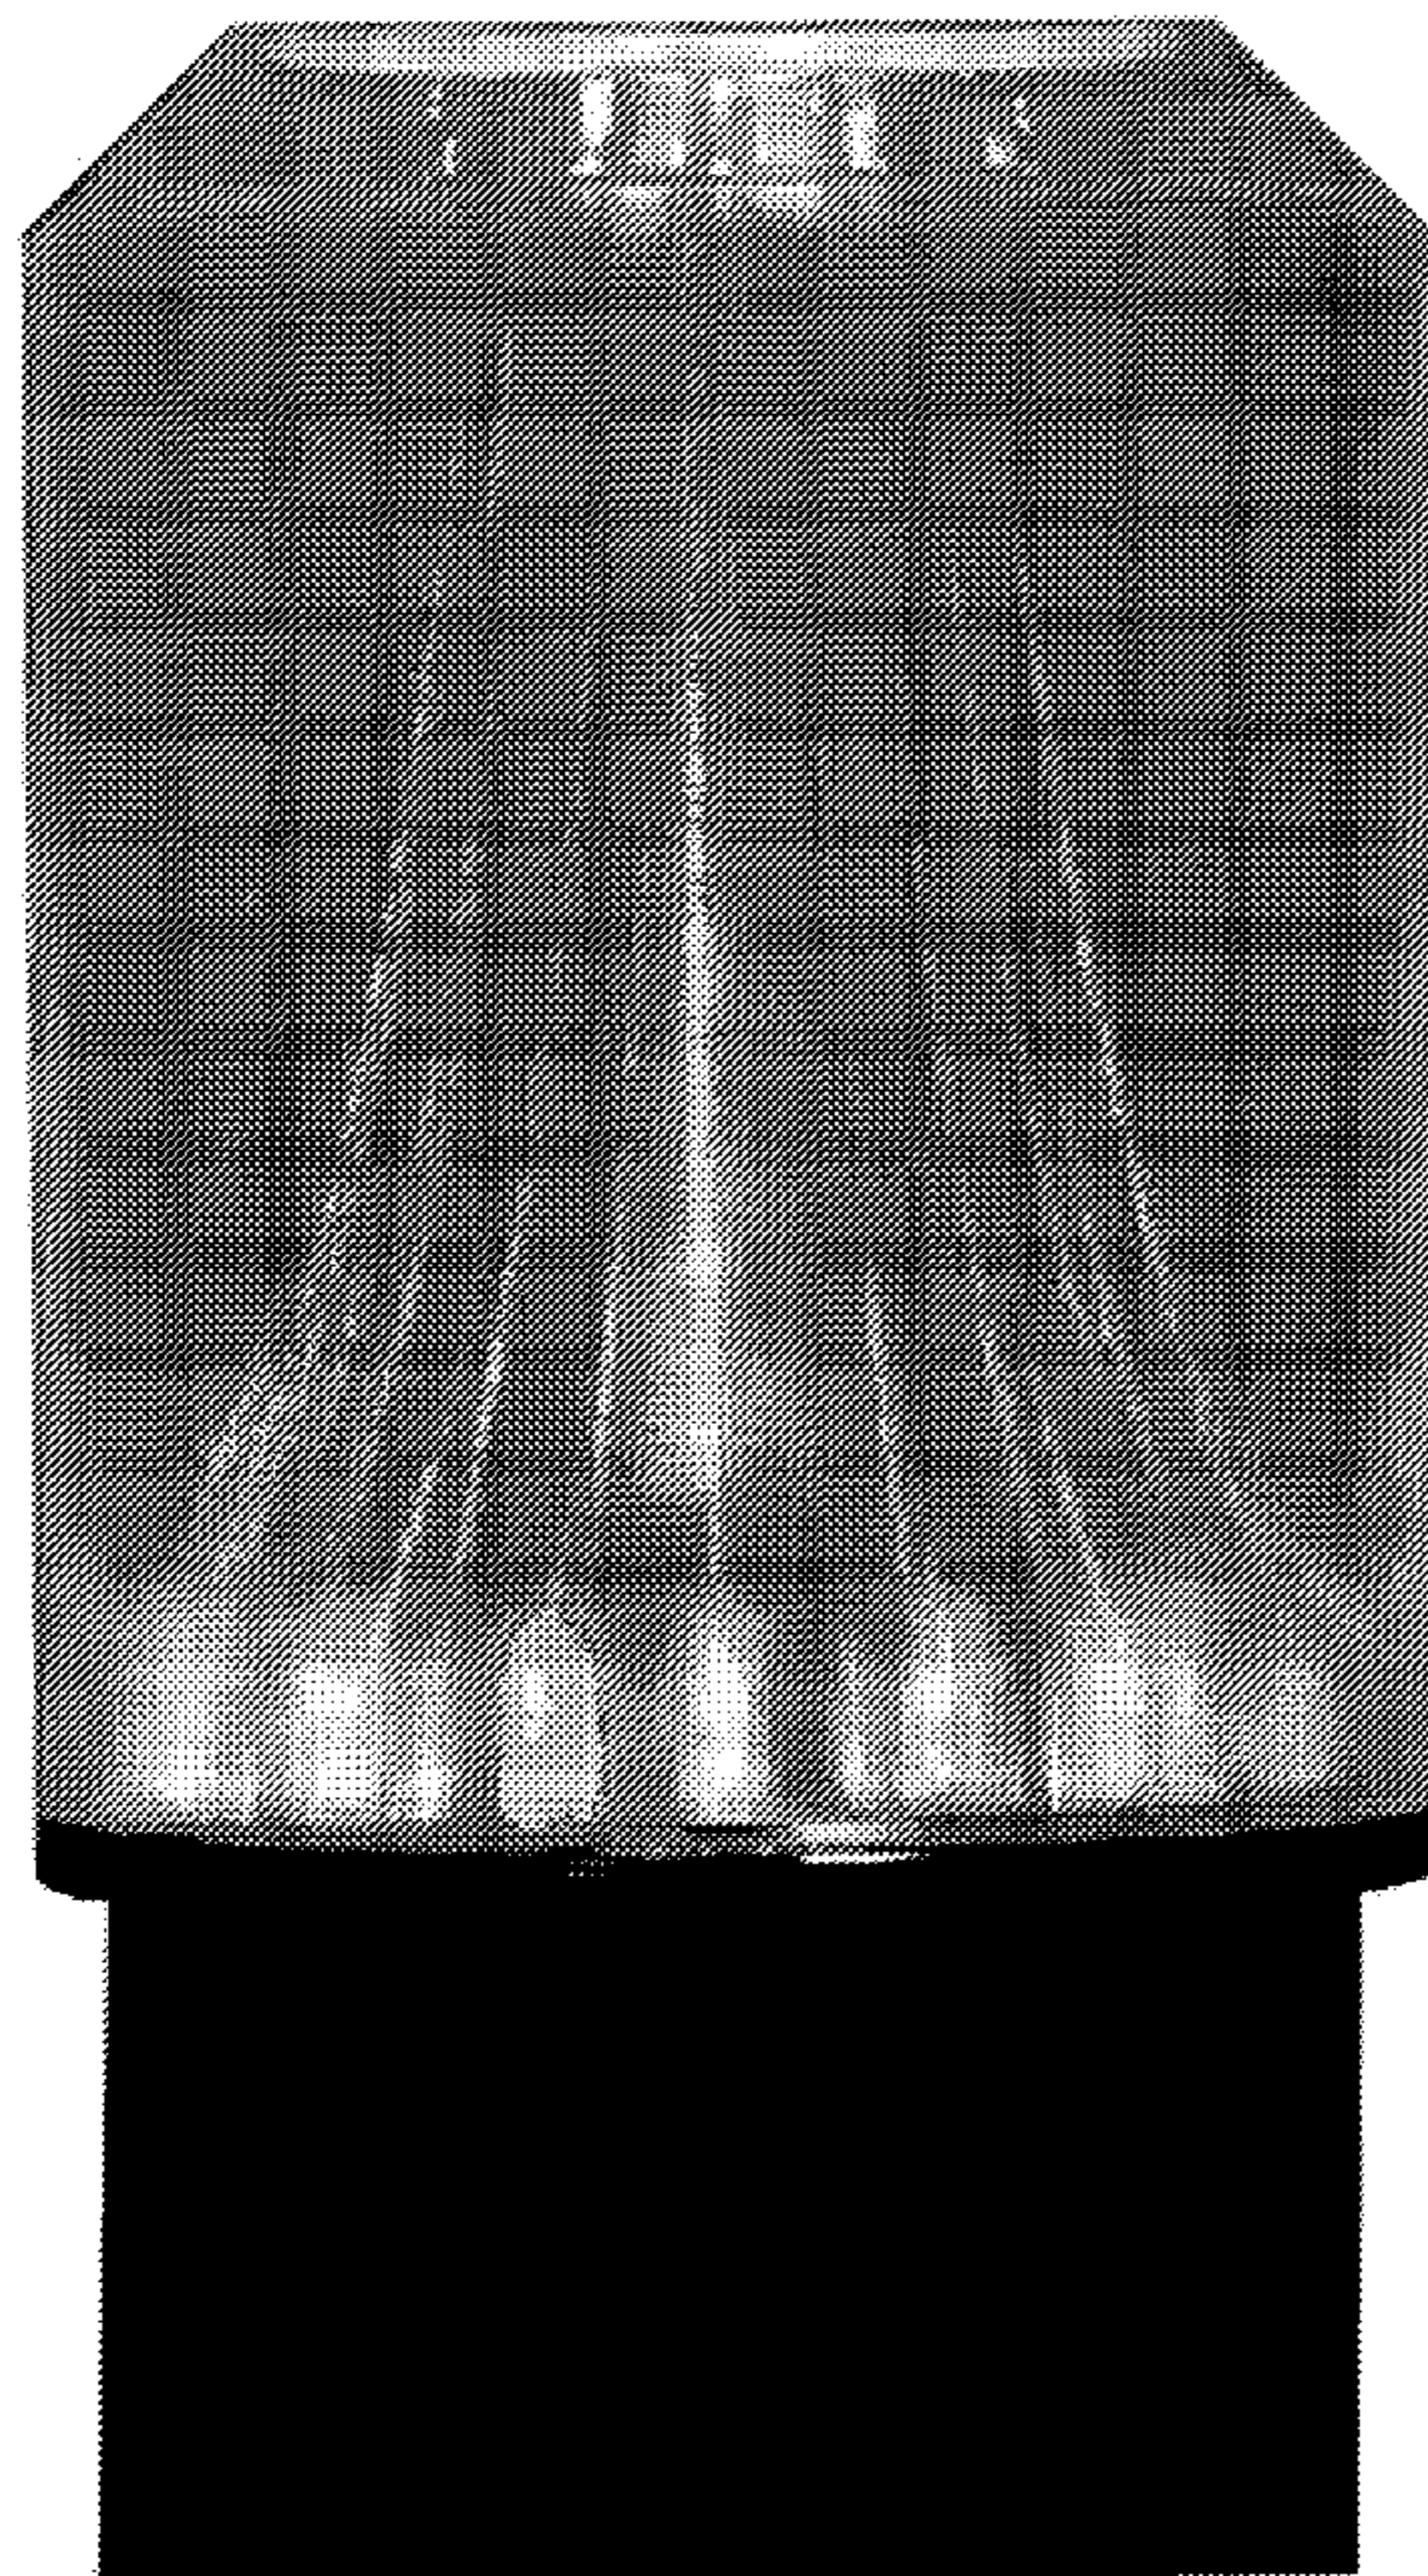

FIG. 4 is a further top perspective view thereof;

FIG. 5 is a front elevation view thereof, shown as it appears in the 'off' condition; and,

FIG. 6 is a top plan view thereof.

The broken dot-dot-dash line in FIGS. 2 & 6 defines the bounds of the claim and forms no part thereof. The grey area within this boundary line, including the evenly dashed broken lines, represents inside details of the design only seen in the top plan views and forms no part of the claim.
