(57) **CLAIM**

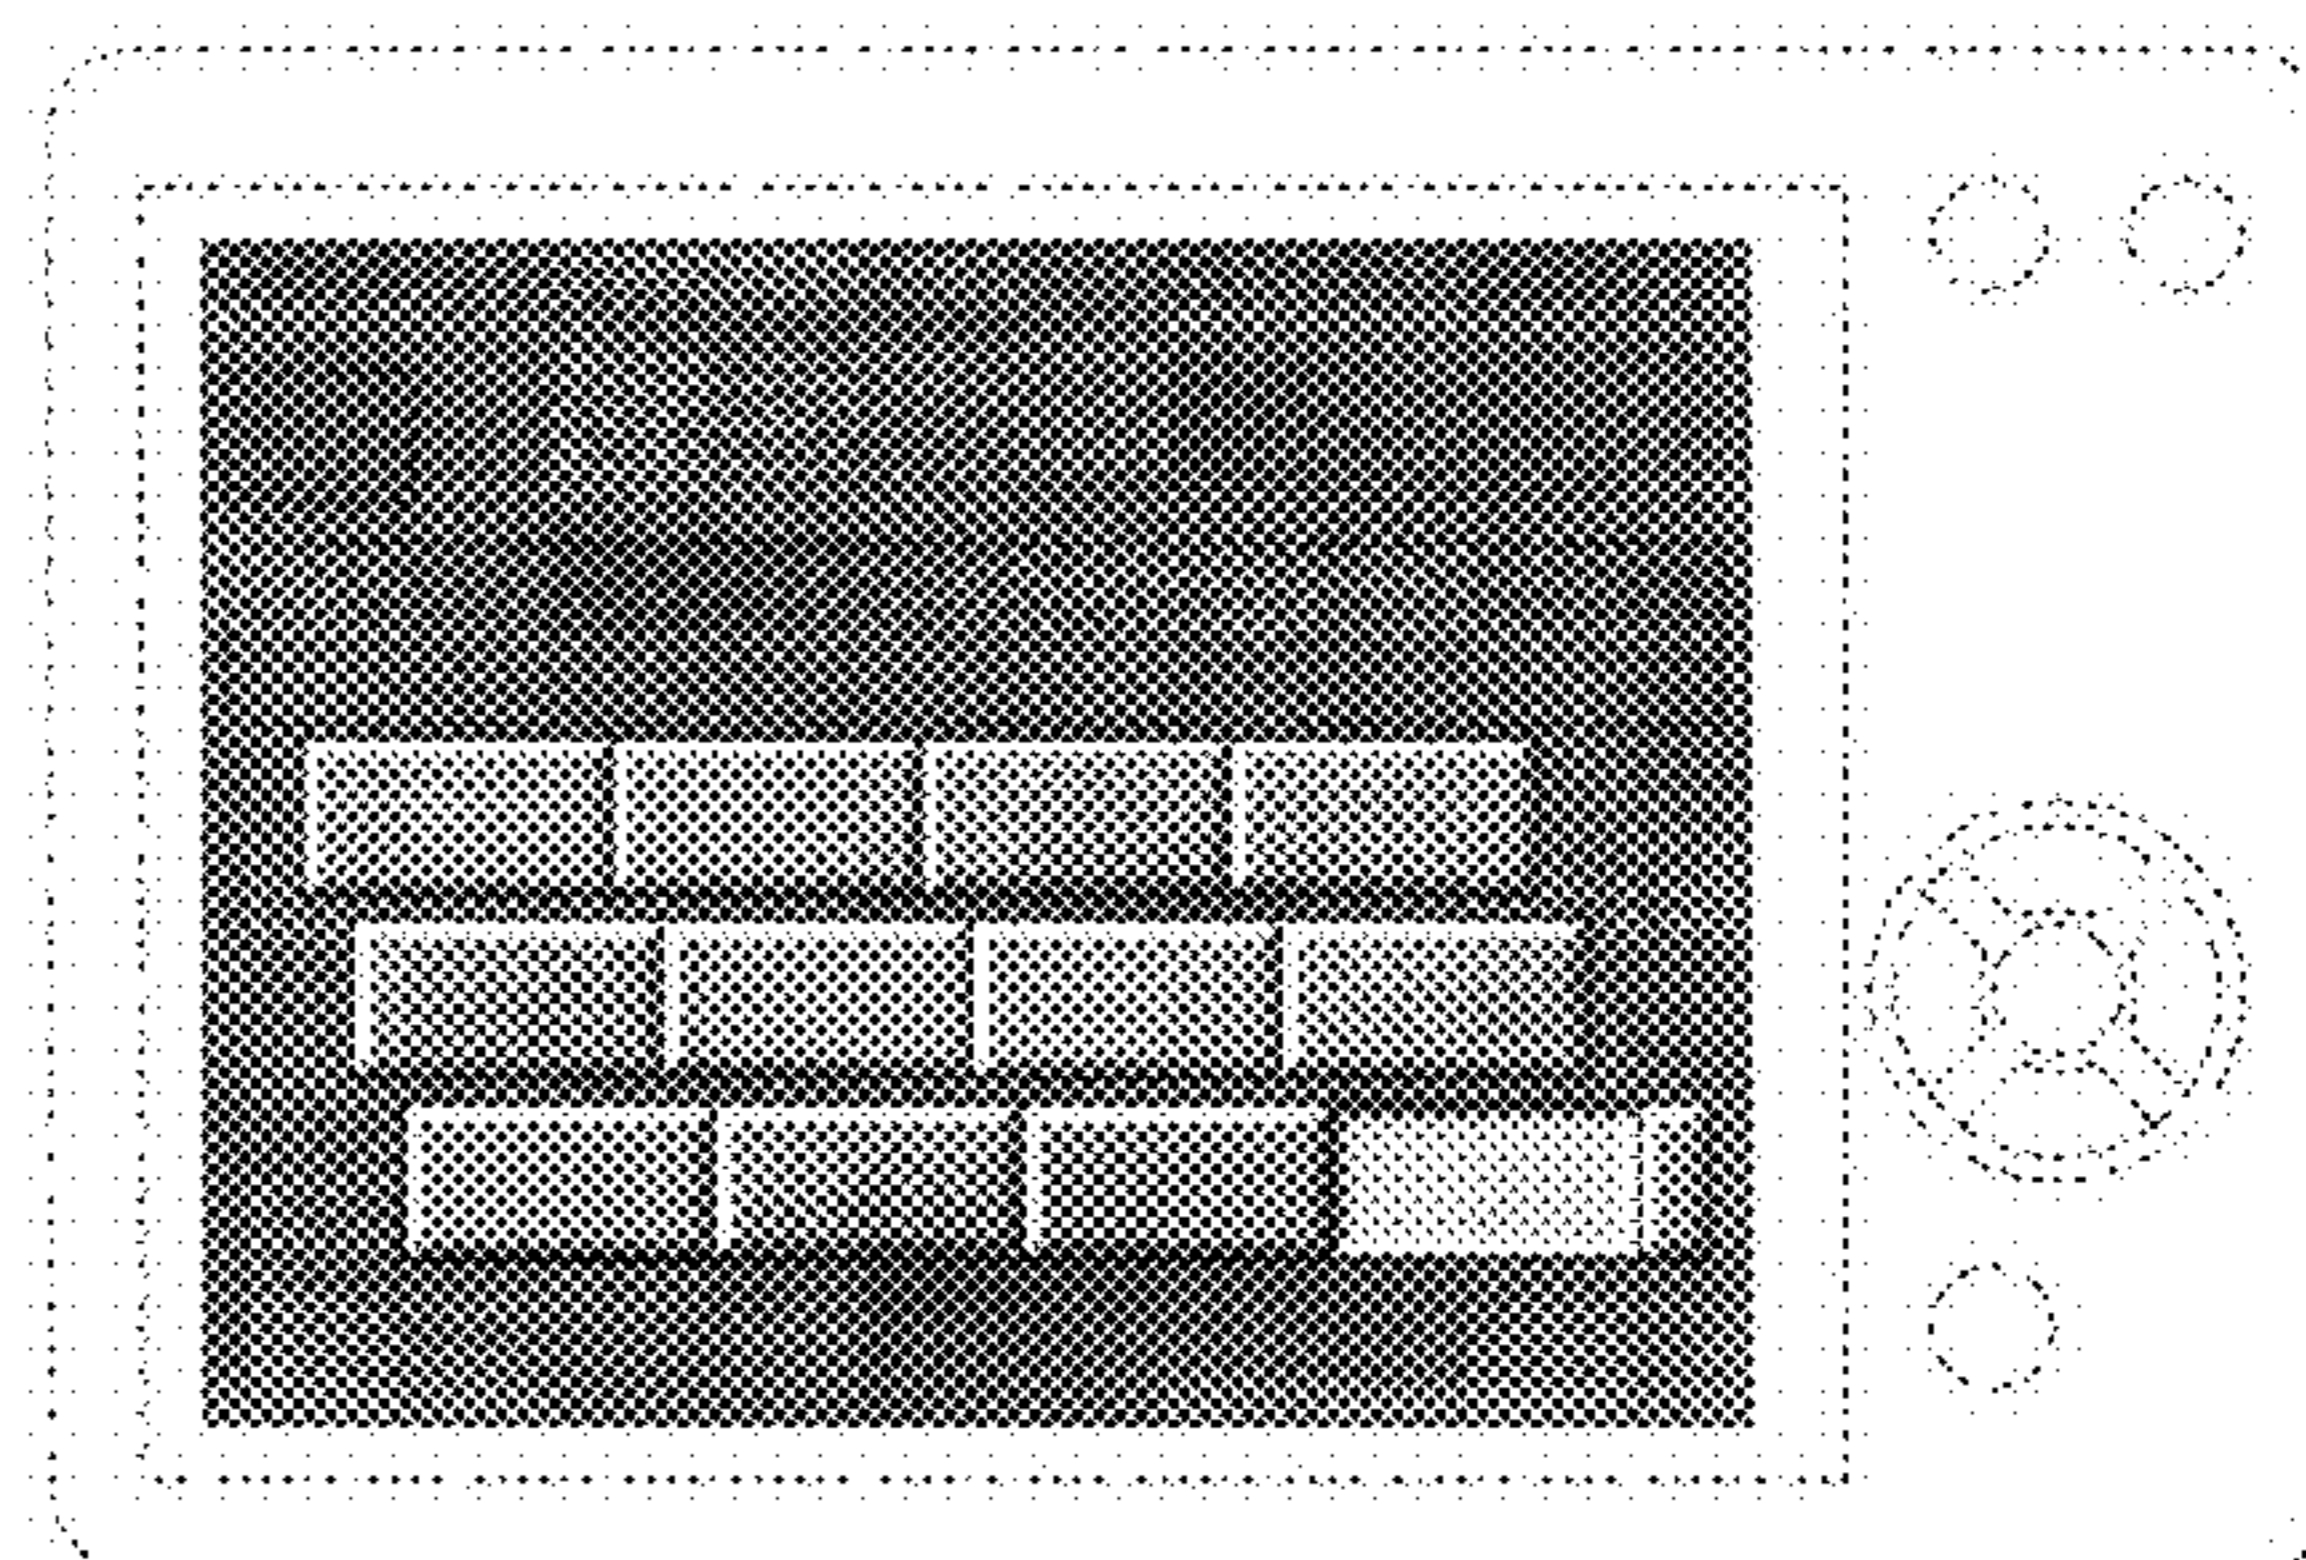

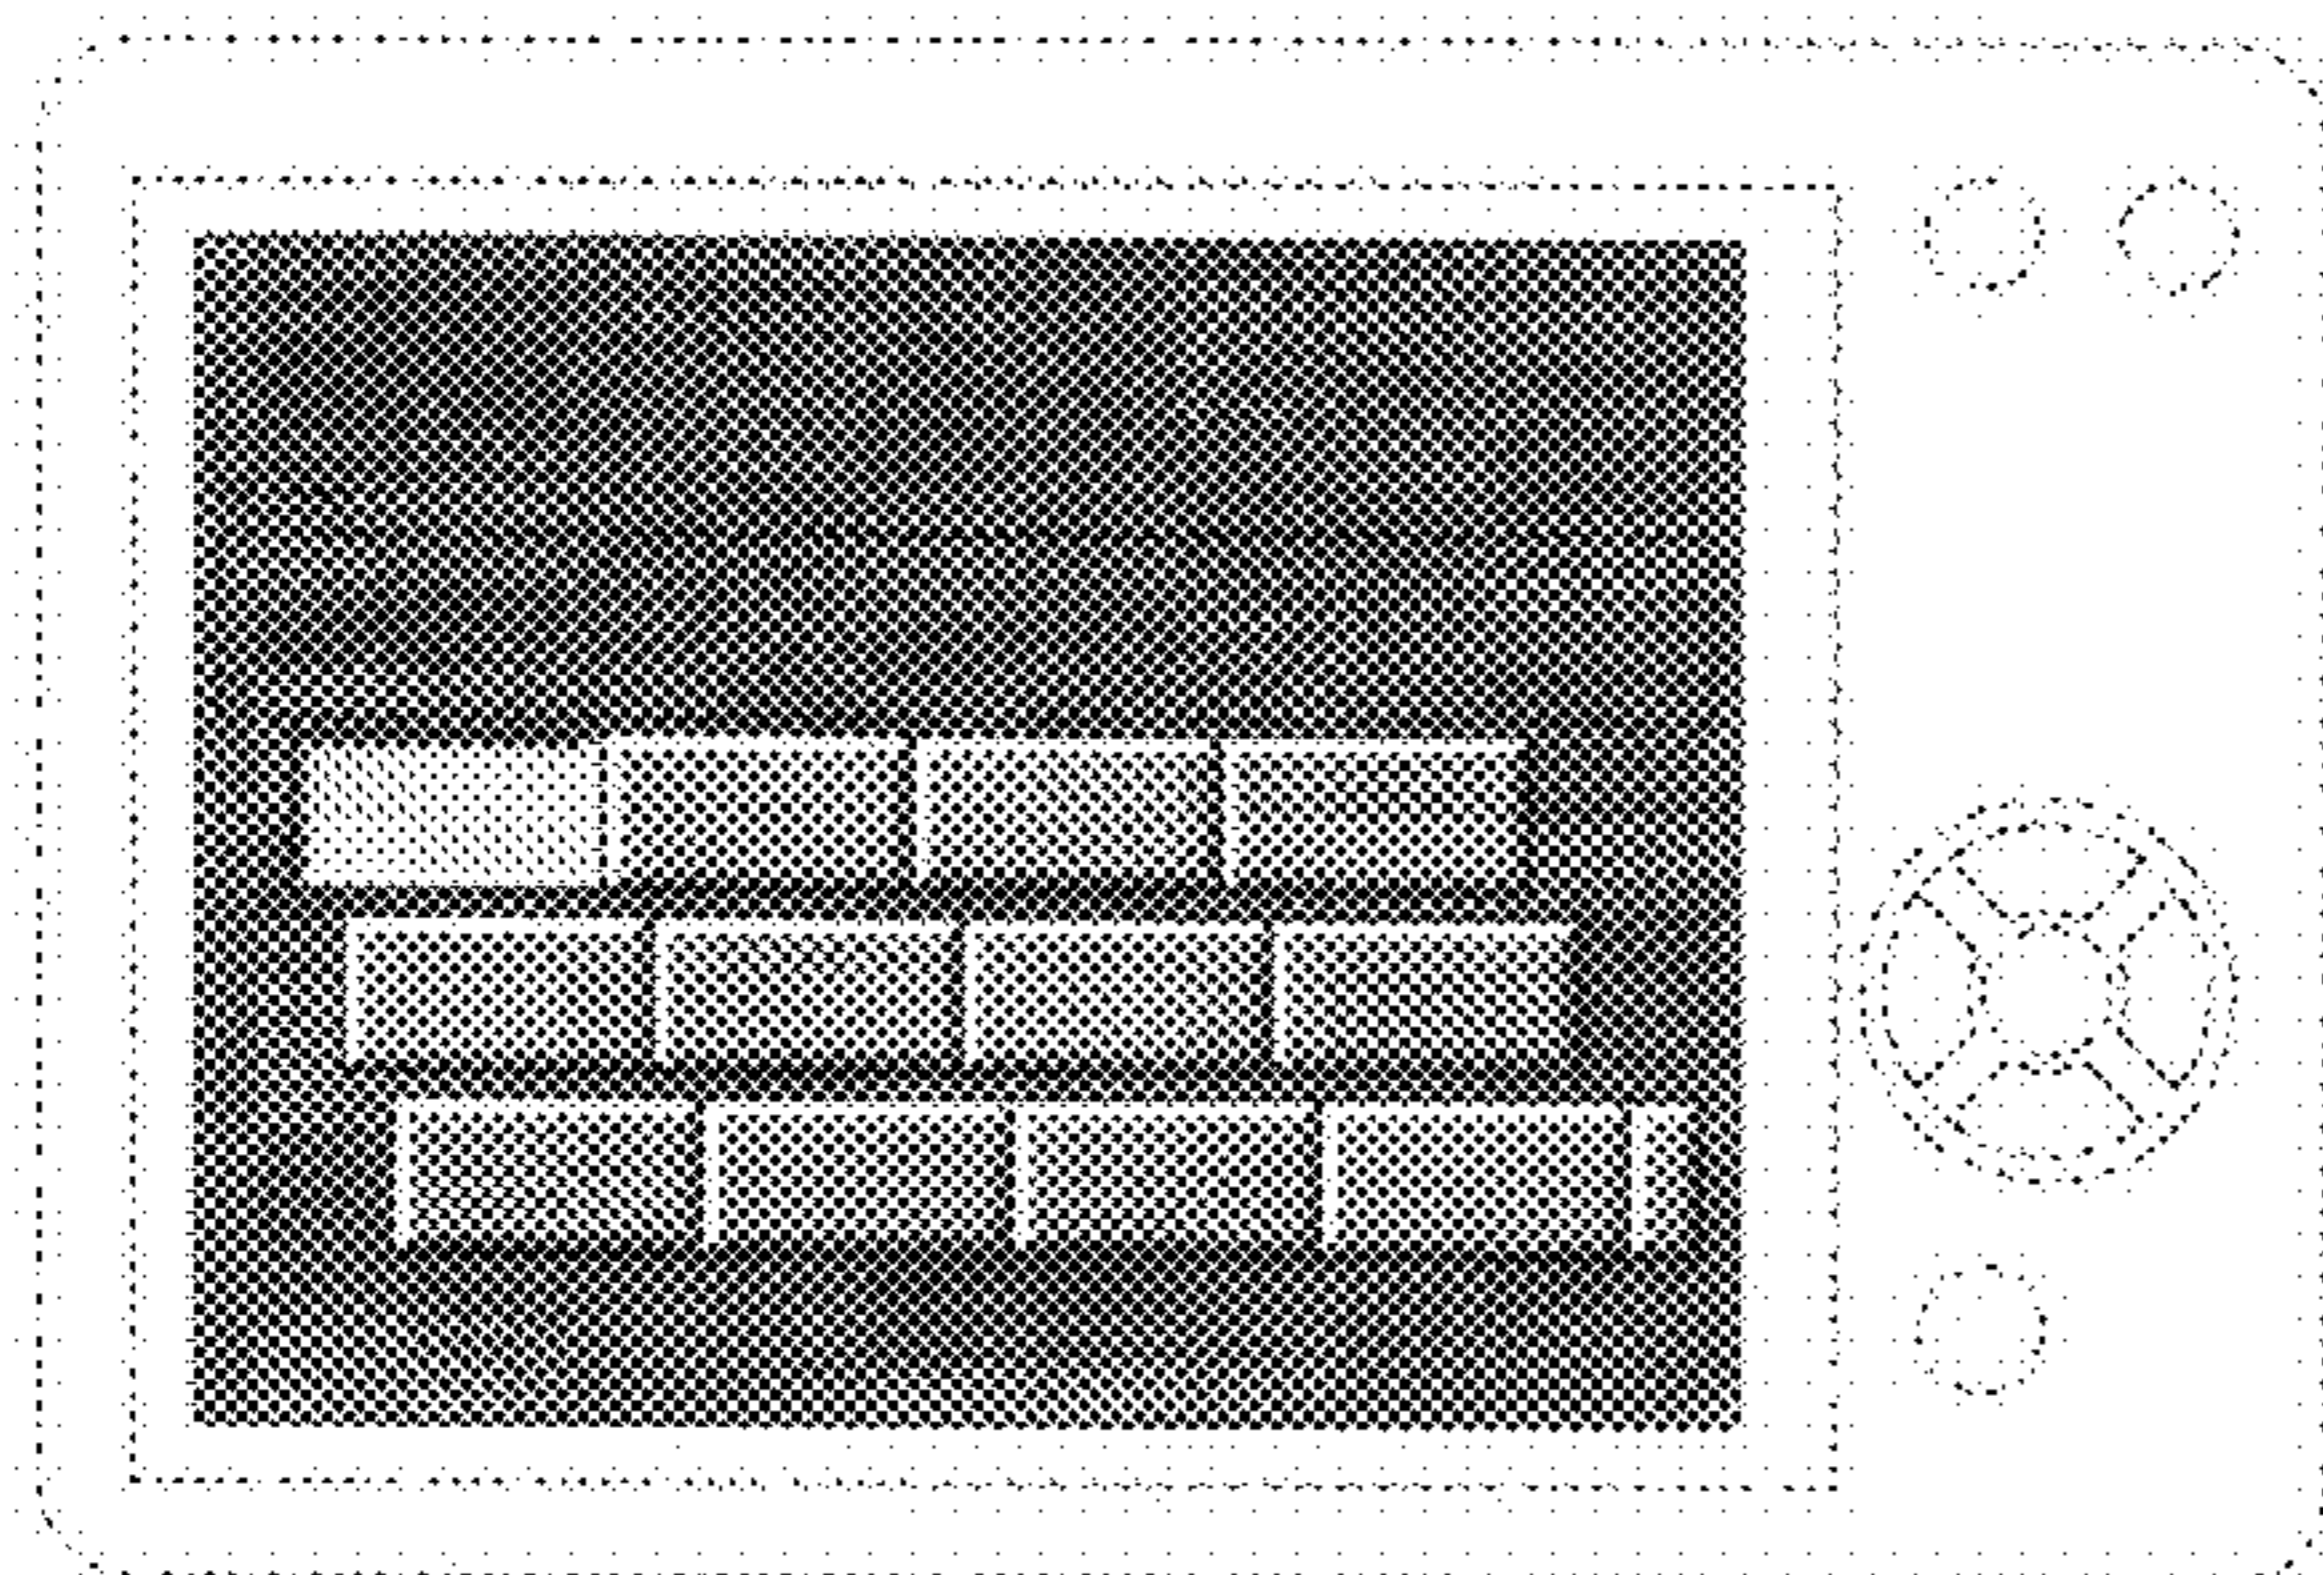

The ornamental design for a transitional image for a portion of a display screen of a digital camera, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a transitional image for a portion of a display screen of a digital camera, showing my new design; FIG. 2 is a front view of a second image thereof; FIG. 3 is a front view of a third image thereof; FIG. 4 is a front view of a fourth image thereof; FIG. 5 is a front view of a fifth image thereof; and, FIG. 6 is a front view of a sixth image thereof.

The appearance of the transitional image sequentially transitions between images shown in FIGS. 1-6. The process or period in which one image changes into another forms no part of the claimed design. The broken lines within the image are for illustrative purposes only and form no part of the claimed design. The broken line showing of a portion of a display screen and of a camera in all views is for illustrative purposes only and forms no part of the claimed design.
