(57) **CLAIM**

An ornamental design for hair curler warmer system, as shown and described.

DESCRIPTION

FIG. 1 is a front open view of the hair curler warmer system.

FIG. 2 is a back open view of the hair curler warmer system.

FIG. 3 is a first side opened view of the hair curler warmer system.

FIG. 4 is a second side opened view of the hair curler warmer system.

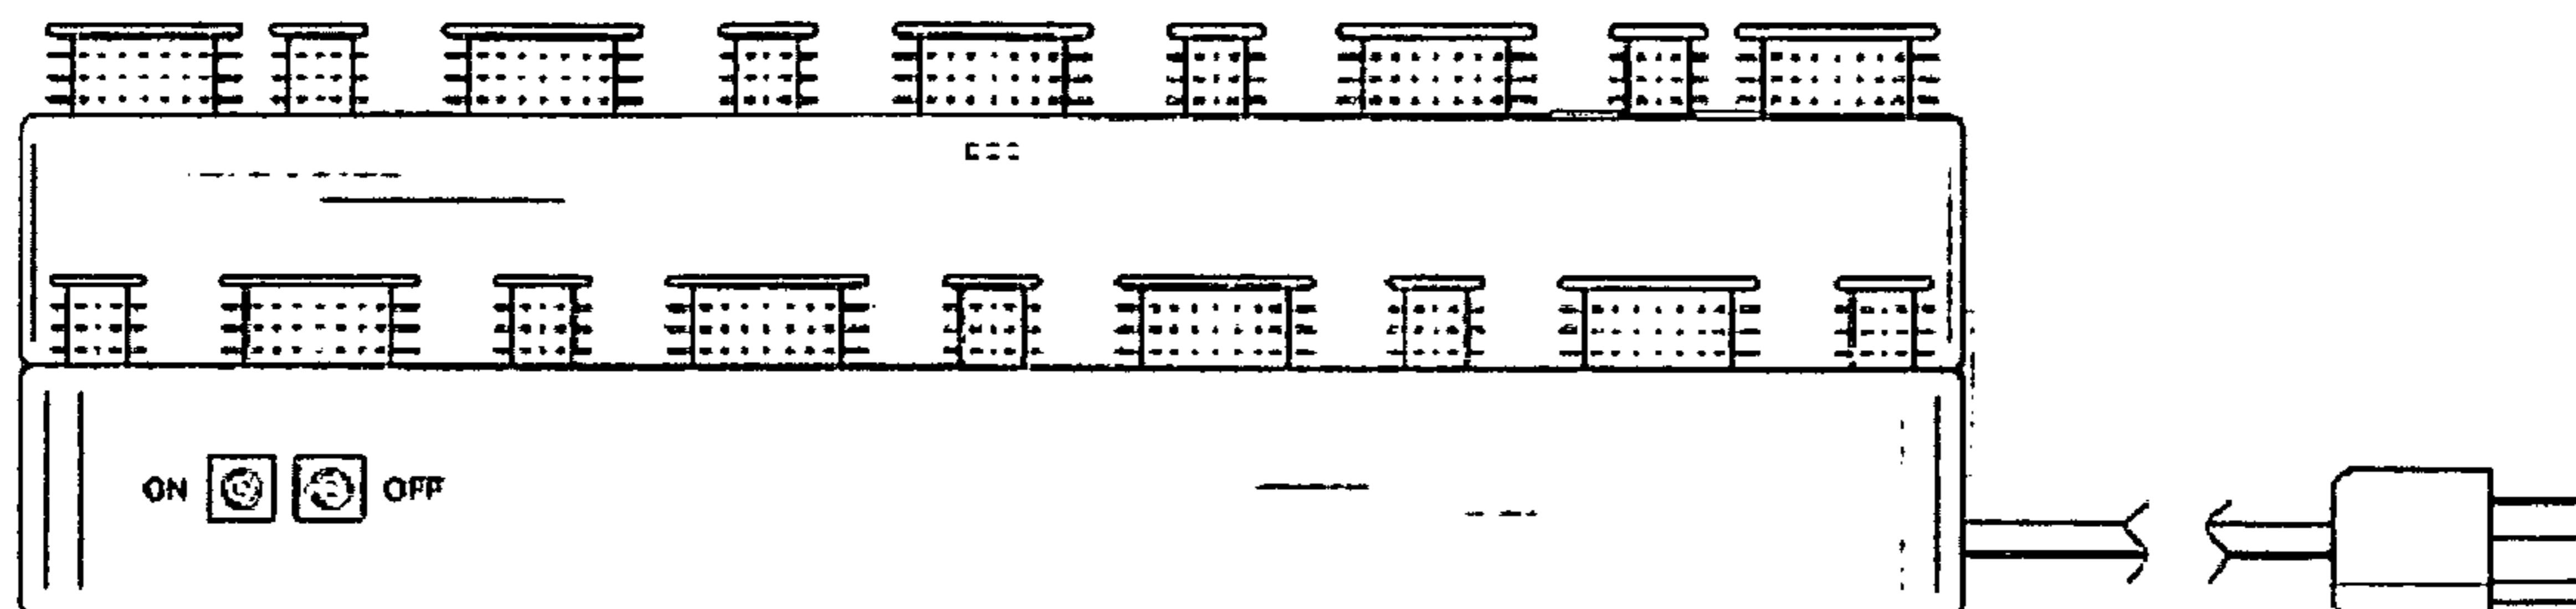

FIG. 5 is a top open view of the hair curler warmer system.

FIG. 6 is a bottom open view of the hair curler warmer system; and,

FIG. 7 is a perspective front view of the hair curler warmer system.

The hair curler warmer system of the present invention is characterized by ornamental features resulting in the design and style of the invention.
