PLLC

(57) **CLAIM**

We claim the ornamental design for an animal leash, as shown  
and described.

**DESCRIPTION**

FIG. 1 is a perspective view of an animal leash showing our  
new design;

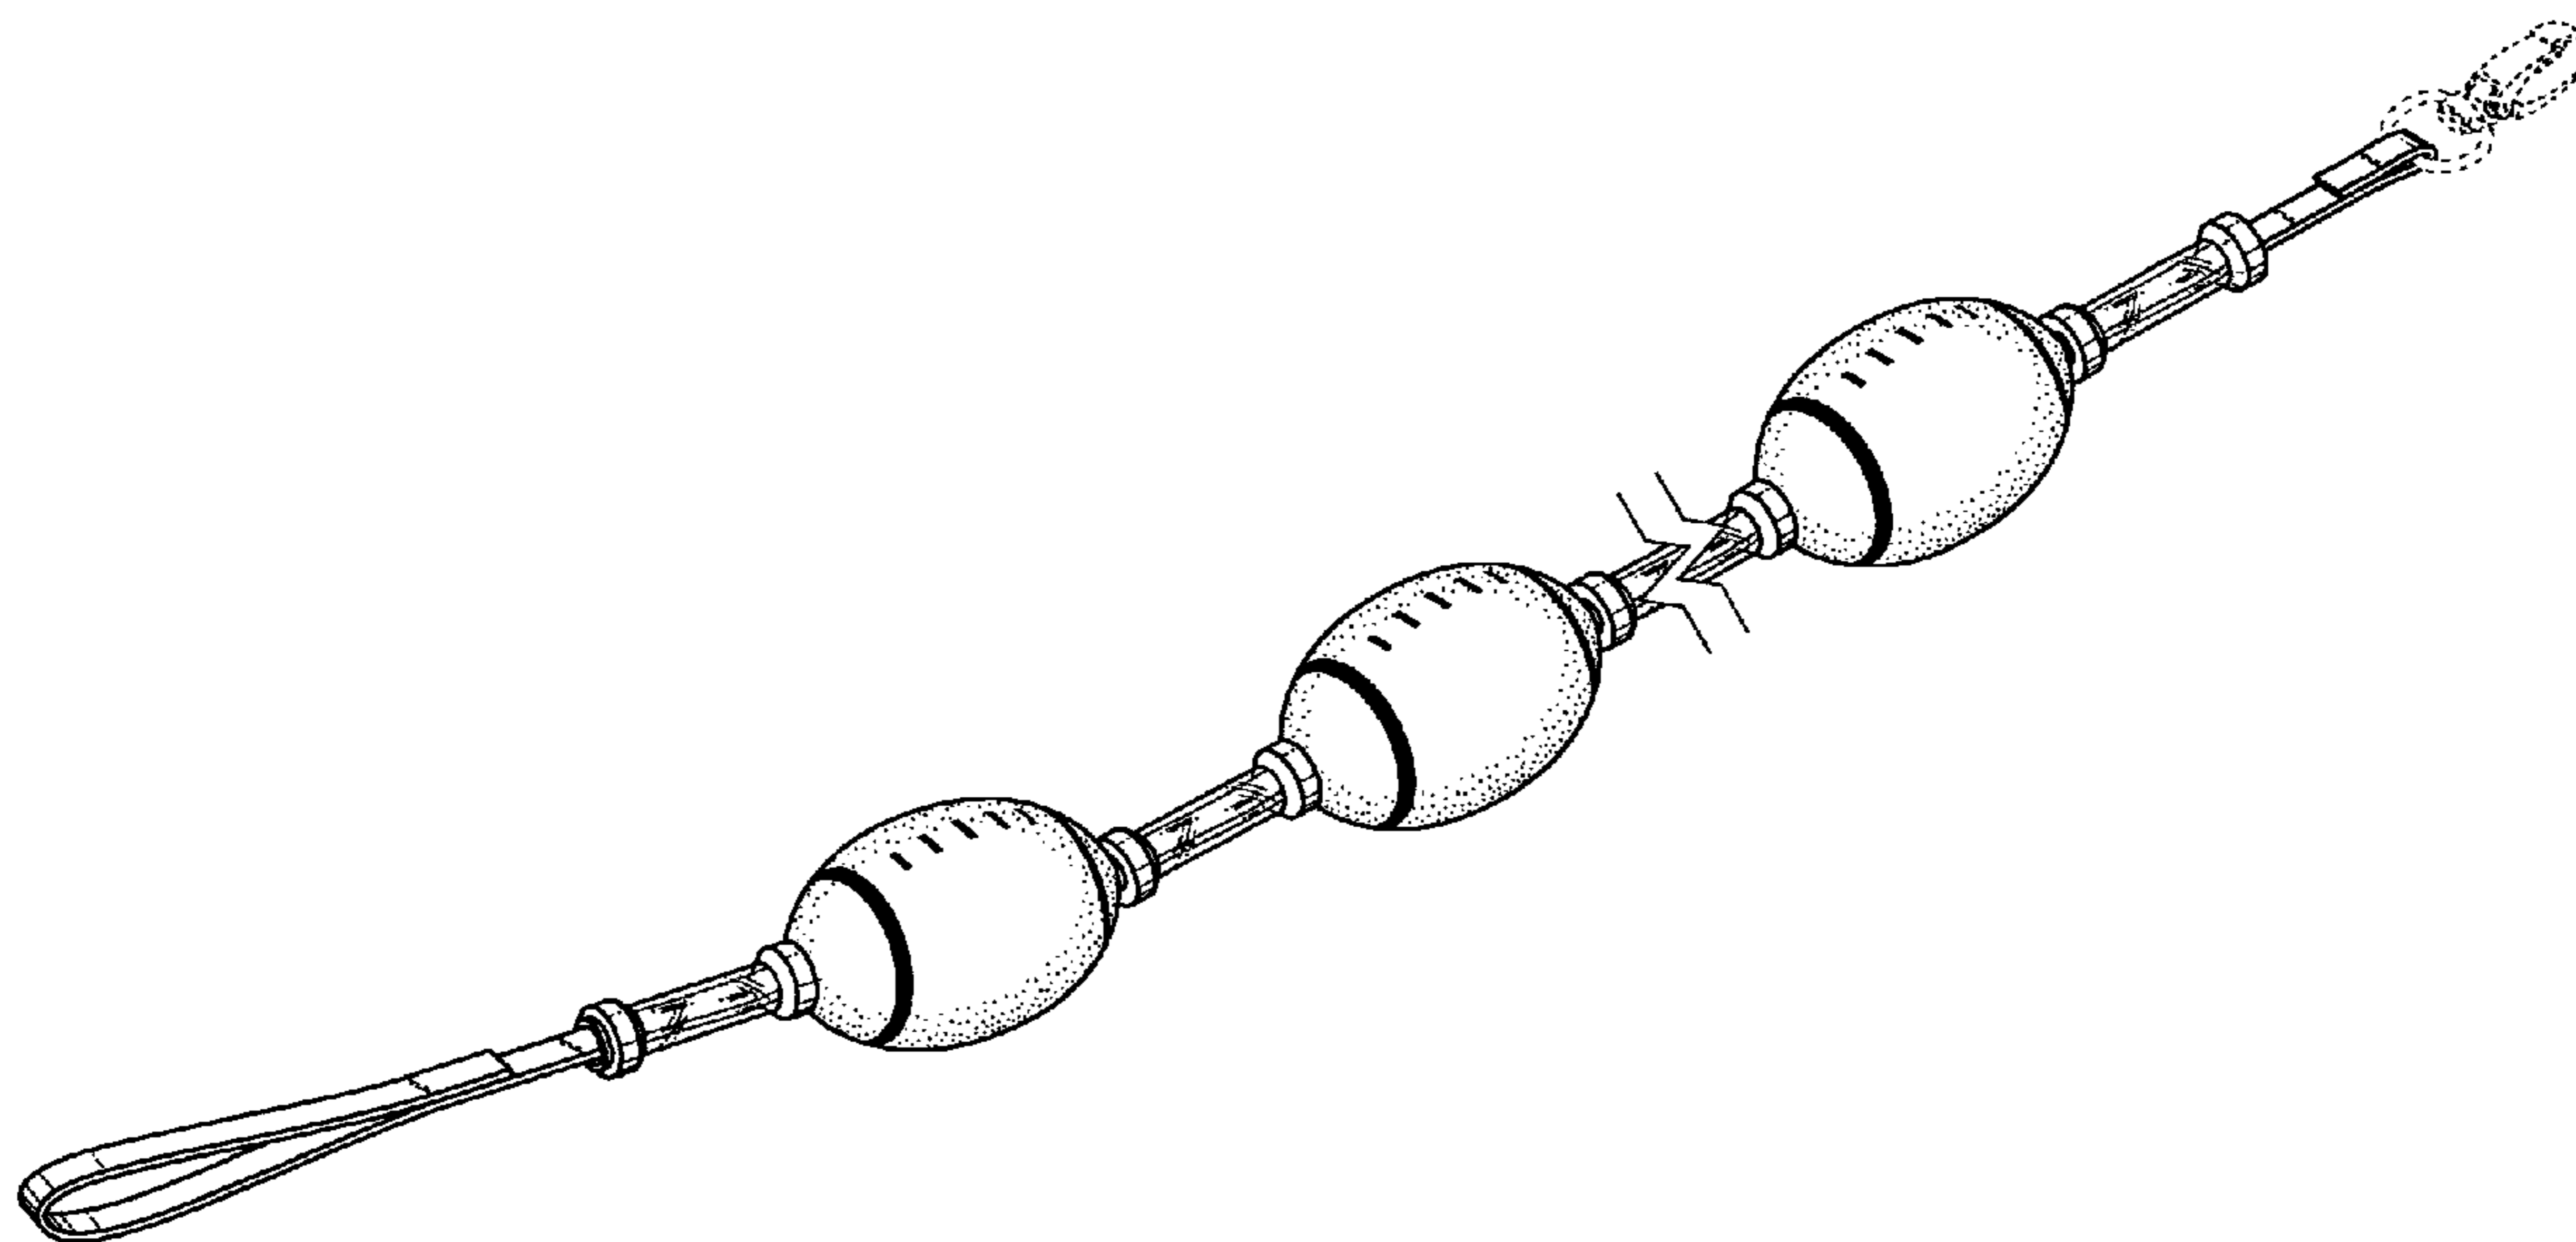

FIG. 2 is a top plan view thereof, the top and bottom sides  
being identical mirror images; and,

FIG. 3 is a side elevational view thereof, the left and right  
sides being identical mirror images.

The portions of the leash shown broken away are to indicate  
indeterminate length.

The broken lines showing a clip on the end of the leash are for  
illustrative purposes only and form no part of the claimed  
design.
